LTC Completes Sale of 16 Assisted Living Properties

--Total of 615 Units Sold for \$26.5 Million--

WESTLAKE VILLAGE, Calif.--(BUSINESS WIRE)-- LTC Properties, Inc. (NYSE:LTC), a real estate investment trust that primarily invests in seniors housing and health care properties, announced today it has completed the sale of 16 assisted living properties to senior living provider, Enlivant, for \$26.5 million, or approximately \$43,000 per unit.

The properties, located in Arizona, Idaho, Oregon and Washington, comprise 615 units. As a result of the sale, LTC expects to record a gain of approximately \$3.8 million in the fourth quarter of 2014.

“This transaction represents an important step in taking action on the 37-property portfolio co-leased to Enlivant and an affiliate of Extendicare under leases that expire at the end of December 2014. We believe that selling these 16 properties provides a better risk adjusted return to our shareholders than had we re-leased them,” said Wendy Simpson, LTC’s Chairman and Chief Executive Officer. “With the sale complete, our energies are strongly focused on further diversifying our asset base by property type, geography and operator, while driving future growth through expanded and new operator relationships and strategic development opportunities.”

In addition to the sale of the 16 properties, 13 properties included in the 37 property portfolio will be re-leased to Senior Lifestyle Corporation under a 15-year master lease, and seven properties will be re-leased to Veritas InCare, under a 10-year master lease, both beginning January 1, 2015.
