LTC Terminates Share Repurchase Plan

WESTLAKE VILLAGE, Calif.--(BUSINESS WIRE)-- LTC Properties Inc. (NYSE: LTC), a real estate investment trust investing in seniors housing and health care properties, today announced that its Board of Directors has terminated the Company's previously authorized stock repurchase plan in recognition of the uncertainties related to the evolving nature of COVID-19 and its impact on the current business environment.

LTC's Board of Directors originally authorized the repurchase of an aggregate of up to 5,000,000 shares of the Company's outstanding common stock. As of March 25, 2020, LTC had purchased 615,827 shares at an average price of \$29.25 per share, including commissions, for a total investment of approximately \$18 million.

"LTC's Board has made the strategic decision to terminate the repurchase plan. We believe that the course for LTC now is to further increase our liquidity and help maintain our strong and flexible balance sheet. With a rising level of uncertainty in all aspects of corporate life, we believe it is prudent to enhance our already high level of conservatism. Additionally, increased financial flexibility and liquidity will allow LTC to complete and compete for accretive transactions when this crisis passes," said Wendy Simpson, LTC's CEO and President. "Now, more than ever, we have tremendous appreciation and respect for everyone who is on the front line ensuring that those most at risk are getting the best possible care. Our operating partners and their employees are selflessly working every day for the benefit of their patients and residents, and we have confidence that during this difficult time, our operators are prepared, focused and are courageously taking on the current challenge."
