PROXY STATEMENT

Solicitation

This proxy statement is furnished to our stockholders in connection with the solicitation of proxies by our Board of Directors for use at our annual meeting of stockholders to be held on Thursday, May 4, 2006, at 10:00 a.m. local time, at The Silverado Resort, 1600 Atlas Peak Road, Napa, California 94558 and at any and all adjournments of our annual meeting. The approximate date on which this proxy statement and the form of proxy solicited on behalf of our Board of Directors will be sent to our stockholders is March 31, 2006.

Voting Rights

On March 22, 2006, the record date for the determination of stockholders entitled to notice of, and to vote at, our annual meeting, we had 23,299,191 shares of common stock outstanding. Each share of common stock is entitled to one vote on all matters properly brought before the annual meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast constitutes a quorum for the transaction of business at the annual meeting.

Voting of Proxies

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board's recommendations are set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

- **For** election of the nominated slate of directors;
- **For** the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for fiscal 2006.

Our management and Board of Directors know of no matters to be brought before the annual meeting other than as set forth herein; no stockholder proposals were received by us on or before December 20, 2005, the deadline for inclusion of such proposals in this Proxy Statement. Other business may properly come before the annual meeting, and in that event, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

Revocability of Proxy

The giving of the enclosed proxy does not preclude the right to vote in person should the stockholder giving the proxy so desire. A proxy may be revoked at any time prior to its exercise by delivering a written statement to our Corporate Secretary that the proxy is revoked, by delivering to us a later-dated proxy executed by the person executing the prior proxy, or by attending the annual meeting and voting in person.

Our principal executive office is located at 31365 Oak Crest Drive, Suite 200, Westlake Village, CA 91361.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

LTC Properties, Inc. (or LTC) is committed to having sound corporate governance principles. The functions of the Audit Committee are described in "*Report of the Audit Committee of the Board of Directors*" on page 20. The charter of the Audit Committee is also available on our website (www.ltcproperties.com). The Audit Committee met 8 times during fiscal 2005.

On February 22, 2006, the Board selected the members of the Audit Committee for the current year, as shown above. All members of the Audit Committee are independent within the meaning of the Securities and Exchange Commission's (or SEC) regulations, the listing standards of the New York Stock Exchange (or NYSE) and our Corporate Governance Policies. Mr. King, the current chair of the Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that Mr. King has accounting and related financial management expertise within the meaning of the listing standards of the NYSE.

Compensation Committee

The functions of the Compensation Committee are described in the "*Compensation Committee Report*" on page 14. The charter of the Compensation Committee was approved as amended on February 22, 2006 and is attached to this proxy statement as Appendix A. The charter is also available on our website (www.ltcproperties.com). In fiscal 2005, the Compensation Committee met 4 times. On February 22, 2006, the Board selected the members of the Compensation Committee for the current year as shown above. All of the members of the Compensation Committee are independent within the meaning of the listing standards of the NYSE and our Corporate Governance Policies.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for (i) identifying, screening and reviewing individuals qualified to serve as directors and recommending to the Board candidates for nomination for election at the annual meeting of stockholders or to fill Board vacancies; (ii) overseeing our policies and procedures for the receipt of stockholder suggestions regarding Board composition and recommendations of candidates for nomination by the Board; (iii) developing, recommending to the Board and overseeing implementation of our Code of Business Conduct, Ethics and Corporate Governance; and (iv) reviewing on a regular basis our overall corporate governance policies and procedures and recommending improvements when necessary. Specifically, the Committee's Key Responsibilities are detailed in Section IV of the Nominating and Corporate Governance Committee Charter which is available on our website (www.ltcproperties.com).

The Nominating and Corporate Governance Committee met 2 times in fiscal 2005, and on February 22, 2006, the Board selected the members for the current year, as shown above. All of the members of the Nominating and Corporate Governance Committee are independent within the meaning of the listing standards of the NYSE and our Corporate Governance Policies.

Independent Directors Meetings

Meetings of independent directors are held at regularly scheduled Board meetings throughout the year. The meetings are typically presided over by the Lead Director; however, any non-management director may request and preside over an Independent Director Meeting.

Communications with the Board

Stockholders who wish to contact members of the Board or its committees may send written correspondence to the Lead Independent Director of LTC Properties, Inc. at P.O. Box 1043 Woodland Hills, CA 91365-1043. Stockholders should provide proof of share ownership with their correspondence. It is suggested that stockholders also include contact information.

Director Independence

The provisions of our Corporate Governance Policies regarding Director independence meet the listing standards of the NYSE which are as follows:

- A Director who is, or has been within the last three years, an employee of the Company, or whose immediate family member is, or has been within the last three years an executive officer of the Company may not be deemed independent. Employment as an interim Chairman or Chief Executive Officer will not disqualify a Director from being considered independent following that employment.
- A Director who has received, or who has an immediate family member who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of

deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), may not be deemed independent. Compensation received by a Director for former service as an interim Chairman or Chief Executive Officer and compensation received by an immediate family member for service as a non-executive employee of the Company will not be considered in determining independence under this test.

- A Director who is, or whose immediate family member is, a current partner of a firm that is the Company's external auditor; (B) a Director who is a current employee of such a firm; (C) a Director who has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (D) a Director who was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time may not be deemed independent.
- A Director who is, or whose immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the time serves or served on that company's compensation committee may not be deemed independent.
- A Director who is a current employee or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues, may not be deemed independent.

For purposes of these guidelines, the terms:

- "affiliate" means any consolidated subsidiary of the Company and any other Company or entity that controls, is controlled by or is under common control with the Company, as evidenced by the power to elect a majority of the board of directors or comparable governing body of such entity;
- "executive officer" means an "officer" within the meaning of Rule 16a-1(f) under the Securities Exchange Act of 1934; and
- "immediate family" means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than employees) sharing a person's home, but excluding any person who is no longer an immediate family member as a result of legal separation or divorce, or death or incapacitation.

Pursuant to our Corporate Governance Policies on Director Independence, the Board undertook its annual review of Director independence in 2005. During this review, the Board considered transactions and relationships between each Director or any member of his or her immediate family and LTC and its subsidiaries and affiliates, including those that would require reporting under *"Certain Relationships and Related Party Transactions"* below. The Board also considered whether there were any transactions or relationships between Directors or any member of their immediate family (or any entity of which a Director or an immediate family member is an executive officer, general partner or significant equity holder) and members of LTC's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that the Director is independent.

The Board has affirmatively determined that each of the current directors standing for re-election is independent within the meaning of our director independence standards, which reflect the NYSE director independence standards, except Mr. Dimitriadis and Ms. Simpson. Mr. Dimitriadis and Ms. Simpson are considered inside directors because of their employment as senior executives of LTC.

In determining that each of the other Directors is independent, the Board considered the following relationship, which it determined was immaterial to the Director's independence. The Board considered that LTC purchased Senior Subordinated Notes as discussed in "*Certain Relationships and Related Party Transactions*" below, issued by a company at which one of our Independent Directors is an executive officer. The Senior Subordinated Notes were purchased in a transaction underwritten by third parties. The Board determined that this relationship did not impair the independence of the Director.

Consideration of Director Nominees

The Board is responsible for the selection of candidates for the nomination or appointment of all Board members. The Nominating and Corporate Governance Committee, in consultation with the Chief Executive Officer, recommends candidates for election to our Board and considers recommendations for Board candidates submitted by stockholders using the same criteria it applies to recommendations from Nominating and Corporate Governance Committee members, Directors and members of management. The Nominating and Corporate Governance Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of our Bylaws relating to stockholder nominations as described in "*Stockholder Proposals*," below. Stockholders may submit recommendations in writing addressed to the Nominating and Corporate Governance Committee, LTC Properties, Inc., 31365 Oak Crest Drive, Suite 200, Westlake Village, CA 91361.

Once a prospective nominee has been identified, by either the Nominating and Corporate Governance Committee or proposed by the stockholders, the Nominating and Corporate Governance Committee makes an initial determination as to whether to conduct a full evaluation of the prospective candidate. This initial determination would include whatever information is provided with the recommendation of the prospective candidate and the Nominating and Corporate Governance Committee's own knowledge of the prospective candidate. The Nominating and Corporate Governance Committee may make inquiries of the person making the recommendation or of others regarding the qualifications of the prospective candidate. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board. The Board's policy is to encourage selection of directors who will contribute to our overall corporate goals and to the discharge of the Board's responsibility to our stockholders. As such, the Board would take into consideration the prospective candidate's ability to represent the interests of our stockholders, the prospective candidate's standards of integrity, commitment and independence of thought and judgment. The Nominating and Corporate Governance Committee may, at the request of the Board from time to time, review the appropriate skills and characteristics required of Board members in the context of the current makeup of the Board. Board members are expected to prepare for, attend and participate in meetings of the Board and of Nominating and Corporate Governance Committees on which they serve; therefore, a prospective candidate must have the ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties as a Board member.

The Nominating and Corporate Governance Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. The Nominating and Corporate Governance Committee will conduct interviews with prospective nominees in person or by telephone. After completing the evaluation and interviews, the Nominating and Corporate Governance Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

Director Compensation

In fiscal 2005, each non-employee director received a fee of \$6,250 per quarter and \$750 for attendance in person or telephonically at each meeting of the Board of Directors or of any committee

meeting held on a day on which the Board of Directors did not meet. In addition, we reimbursed the directors for travel expenses incurred in connection with their duties as our directors.

Directors participate in our Amended and Restated 1992 Stock Option Plan (or the 1992 Plan), our 1998 Equity Participation Plan (or the 1998 Plan), our 2004 Stock Option Plan and our 2004 Restricted Stock Plan. Both the 1992 Plan and the 1998 Plan permit the Compensation Committee to grant nonqualified stock options or restricted shares to directors from time-to-time. No stock options were granted to non-employee Board members in 2004. The Compensation Committee may grant nonqualified stock options under our 2004 Stock Option Plan or restricted stock under our 2004 Restricted Stock Plan to directors from time to time. Mr. Boyd W. Hendrickson joined our Board on February 1, 2005 and in accordance with the provisions of the 1998 Plan was granted 15,000 nonqualified stock options that vest over three years on each anniversary date. At our February 2, 2005 Board meeting, the Compensation Committee granted 3,000 shares of restricted stock each to Mr. Hendrickson and Dr. Triche and 1,000 shares of restricted stock each to Messrs. King and Yellen. These shares of restricted stock were issued from our 2004 Restricted Stock Plan and vest ratably over three years on the anniversary date of the grant. In addition, at our December 7, 2005 Board meeting, the Compensation Committee granted 1,000 shares of restricted stock from our 2004 Restricted Stock Plan to Mr. Hendrickson, Dr. Triche, Mr. King and Mr. Yellen, each. These shares vest ratably over four years on the anniversary date of the grant.

In previous years, directors were eligible to participate in our Amended Deferred Compensation Plan (or Deferred Plan) whereby we made contributions of up to \$10,000 for each non-employee director. This Deferred Plan was frozen in 2002 and no contributions have been made on behalf of any employee or Board member since 2001. All previous contributions made by us to the deferred compensation plan trust were invested in shares of our common stock and as dividends are paid on these shares, additional shares of our common stock are purchased on behalf of the participants in the Deferred Plan. As of December 31, 2005 the Deferred Plan held 12,661, 5,022 and 12,661 shares of our common stock on behalf of Mr. King, Dr. Triche and Mr. Yellen, respectively.

Certain Relationships and Related Party Transactions

In December 2005, we purchased \$10,000,000 face value of Skilled Healthcare Group, Inc (or SHG) Senior Subordinated Notes with a face rate of 11%, payable semi-annually in arrears and maturing on January 15, 2014. We paid approximately \$9,933,000 in cash resulting in an effective yield of approximately 11.1%. We purchased the SHG Senior Secured Notes through an open market transaction underwritten by Credit Suisse and JP Morgan. The prospectus for the SHG Senior Secured Notes includes a provision for an interest rate adjustment if the Senior Secured Notes are not registered within 240 days of issuance. One of our Independent Board members is the chief executive officer of SHG. He abstained from Board discussions contemplating the purchase of the SHG Senior Subordinated Notes and he abstained from the Board vote to approve the purchase of the SHG Senior Subordinated Notes.

New York Stock Exchange Certification

The certification of the Chief Executive Officer and our Annual Written Affirmation required by the New York Stock Exchange Listing Standards, Section 303A.12, relating to our compliance with the New York Stock Exchange Corporate Governance Listing Standards, was submitted to the New York Stock Exchange on June 2, 2005.

Name	Number of unvested Restricted Shares	Value on December 31, 2005
Andre C. Dimitriadis	94,920	\$ 1,966,168

Dividends are payable on the restricted shares to the extent and on the same date as dividends are paid on our common stock. 64,920 and 9,240 restricted shares held by Mr. Dimitriadis and Ms. Simpson, respectively, at December 31, 2005, relate to an award that was modified in October 2005. The closing price of LTC's stock on the date the award was modified was \$19.68. The award modification changed the vesting of the remaining unvested restricted shares to ratably over four years. 30,000 restricted shares each held by Mr. Dimitriadis and Ms. Simpson, at December 31, 2005, were granted in 2005 and vest ratably over four years on the anniversary date of the grant. The closing price of LTC's stock on the date the shares were granted was \$21.69. Of the 4,000 restricted shares held by Mr. Lyew at December 31, 2005, 2,000 shares were granted in 2005 and 2,000 shares were granted in 2004. The closing price of LTC's stock on the date the shares were granted was \$21.69 and \$17.22, respectively. Shares granted in 2005 vest ratably over four years on the anniversary date of the grant. Shares granted in 2004 vest ratably over three years on the anniversary date of the grant. Of the 4,000 restricted shares held by Mr. Malin at December 31, 2005, 2,000 were granted in 2005 and 2,000 were granted in 2004. - (2) Long Term Incentive Plan payouts represent 12,984 and 1,848 shares of restricted stock held by Mr. Dimitriadis and Ms. Simpson, respectively, that vested in January 2005. The closing price of LTC's stock on the date the shares vested was \$19.82. The vesting for these shares was predicated on the Company reaching certain financial targets for the year ended December 31, 2004. In October 2005, the original award was modified to change the vesting for the remaining 64,920 unvested restricted shares held by Mr. Dimitriadis and 9,240 unvested restricted shares held by Ms. Simpson to ratably over four years in January. The closing price of LTC's stock on the date the award was modified was \$19.68.

- (4) Represents the Company's match up to 3% of the individual's salary under the Company's 401(k) savings plan.

Employment Agreements

On March 26, 1999, we entered into an employment agreement with Mr. Dimitriadis. The employment agreement dated March 26, 1999 amends and restates an employment agreement dated June 30, 1998 between LTC and Mr. Dimitriadis. The March 26, 1999 employment agreement was amended effective June 30, 2000. Mr. Dimitriadis, as Chairman and Chief Executive Officer, has been provided with a four-year "ever-green" employment contract. Mr. Dimitriadis' current annual base salary is \$400,000.

On April 10, 2000, we entered into an employment agreement with Ms. Simpson. This agreement was amended effective June 30, 2000. On March 9, 2004, we entered into a new employment agreement with Ms. Simpson. This new agreement provides Ms. Simpson as President, Chief Operating Officer, Chief Financial Officer and Treasurer with a two-year "ever-green" employment contract and otherwise, has identical terms and conditions as the previous amended agreement except for severance payments that would result from a change of control as disclosed below. Ms. Simpson's current base salary is \$350,000.

On August 9, 2004, we entered into an employment agreement with Ms. Shelley-Kessler. Ms. Shelley-Kessler, as Vice President, Controller and Secretary, has been provided with a one-year "ever-green" employment contract.

On August 9, 2004, we entered into an employment agreement with Mr. Malin. Mr. Malin, as Vice President and Chief Investment Officer, has been provided with a one-year "ever-green" employment contract.

On August 9, 2004, we entered into an employment agreement with Mr. Lyew. Mr. Lyew as Vice President and Director of Taxes, has been provided with a one year "ever-green" employment contract.

The employment agreements provide that the base salaries may be increased at the discretion of our Board of Directors. Any increase in base salary will automatically amend each executive's respective employment agreement to provide that thereafter the executive's annual base salary will not be less than the increased base salary approved by our Board of Directors.

If the officer's employment is terminated for any reason, except for a termination for cause or a voluntary resignation without a good reason or a change in control of our company, then we will pay

the officer a lump sum severance payment equal to four times base salary for Mr. Dimitriadis, two times base salary for Ms. Simpson and one times base salary for Ms. Shelley-Kessler, Mr. Malin and Mr. Lyew. Upon a change in control of our company whether or not the officer's employment is terminated, we will pay the officer a severance payment in cash equal to \$5,000,000 for Mr. Dimitriadis, \$1,000,000 for Ms. Simpson and one times base salary for Ms. Shelley-Kessler, Mr. Malin and Mr. Lyew. Prior to the new employment agreement entered into with Ms. Simpson on March 9, 2004, she would have received a severance payment upon a change of control, equal to two times her base salary. In addition, if any payment or benefit received by an officer from us subjects the officer to excise taxes under the "golden parachute" rules on payments and benefits, the officer will be entitled to receive an additional amount (a "gross-up payment" to make the officer whole for these excise taxes (and for all taxes on the gross-up payment). Notwithstanding the foregoing, we will have no liability if an officer's employment is terminated for cause or by voluntary resignation without a good reason. During the term of his employment by us, each officer will devote the time necessary to provide the services reasonably required by our Board of Directors and will not, without the express approval of our Board of Directors, engage for his own account or for the account of any other person or entity, in a business which competes with us.

Benefits

We provide our executive officers with employee benefits. Except for the supplemental medical insurance discussed below, the employee benefits programs in which our executive officers participate (which provide benefits such as medical, dental and vision benefits coverage, life insurance protection, and 401(k) savings plan) are generally the same programs offered to all of our full-time employees. Our officers at the level of vice president and above are eligible to participate in a supplemental medical insurance program which provides participants with reimbursements for eligible out-of-pocket medical expenses such as primary insurance co-payments, deductibles, and certain elective medical procedures not covered by the employee's primary insurance policy. During 2005, Messrs. Dimitriadis, Lyew and Malin and Ms. Simpson and Shelley-Kessler were reimbursed \$2,215; \$474; \$1,540; \$962; and \$1,297, respectively, from our supplemental medical insurance plan.

- (2) The value of unexercised options is based on the difference between the exercise price and the closing market price of LTC common stock on the NYSE on December 30, 2005, which was \$21.03.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

There are no "interlocks" (as defined by the rules of the Securities and Exchange Commission) with respect to any member of the Compensation Committee of the Board of Directors, and this Committee consists entirely of independent, non-employee directors.

COMPENSATION COMMITTEE REPORT

The Compensation Committee Report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

During 2005, the Compensation Committee comprised Mr. King, Chair, Mr. Hendrickson, Dr. Triche and Mr. Yellen each of whom is a "non-employee director" within the meaning of Rule 16b-3 issued by the SEC and an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code, as amended. Each appointed Committee member will be subject to annual reconfirmation and may be removed by the Board at any time. The Compensation Committee reviews and approves the compensation of our executive officers and determines our general compensation policy. The Compensation Committee is also responsible for the administration of our 1992 Plan, 1998 Plan, 2004 Stock Option Plan, and 2004 Restricted Stock Plan. The Compensation Committee is authorized to determine the options and restricted stock awards to be granted under such plans and the terms and provisions of such options and restricted stock awards. We have two executive officers, one of which is our Chief Executive Officer.

Compensation Philosophy

The Compensation Committee endeavors to ensure that the compensation programs for our executive officers are effective in attracting and retaining key executives responsible for our company's success and are administered in appropriate fashion in the long-term interests of our company and our stockholders. The Compensation Committee seeks to align total compensation for executive management with our overall performance as well as the individual performance of each executive officer. Our compensation package, which currently is comprised of base salary, bonuses, stock options and restricted stock, is intended to reinforce management's commitment to enhancing profitability and stockholder value.

The policies of the Compensation Committee may be summarized as follows:

- (1) LTC's compensation programs are designed to attract, motivate and retain qualified key executives;
- (2) An executive's salary, bonuses and incentive compensation and other benefit programs should reflect both the Company's performance as a whole and the executive's individual performance and effort;
- (3) LTC's compensation programs should enable the executive to have a financial interest in the Company that parallels the financial interests of the Company's stockholders.

In determining the level and composition of compensation for the executive officers, the Compensation Committee considers various corporate performance measures, both in absolute terms and in relation to similar companies, and individual performance measures. Although the Compensation Committee considers funds from operations per share as an important measure of our performance, the Compensation Committee does not apply any specific quantitative formula in making

compensation decisions. The Compensation Committee also may evaluate the following factors in establishing executive compensation: (a) periodically, the comparative compensation surveys and other material concerning compensation levels and stock grants at similar companies; (b) our historical compensation levels and stock awards; (c) overall competitive environment for executives and the level of compensation necessary to attract and retain executive talent; (d) financial performance of other real estate investment trusts and its peer group relative to market condition; and (e) from time to time, the Compensation Committee may seek the advice of an independent compensation consultant in assessing its overall compensation philosophy. The Compensation Committee assigns no specific weight to any of the factors discussed above in establishing executive compensation.

Base Salaries

Base salaries are reviewed and adjusted by the Compensation Committee on an annual basis. The Compensation Committee seeks to ensure that the base salaries are established at levels considered appropriate in light of responsibilities and duties of the executive officers as well as at levels competitive to amounts paid to executive officers of its peer group. In determining an individual executive's actual base salary, the Compensation Committee also considers other factors, which may include the executive's past performance and contributions to our success. Base annual compensation for Mr. Dimitriadis in 2005 and as of January 1, 2006 was \$400,000. Base annual compensation for Ms. Simpson was \$300,000 through October 31, 2005 and \$350,000 thereafter and for 2006.

Compensation of the Company's Chief Executive Officer

Mr. Dimitriadis is compensated pursuant to an employment agreement entered into on June 30, 1998 and amended March 26, 1999 and June 30, 2000. The agreement is described under "Employment Agreements" on page 12, and extends every March 26th for four years, subject to earlier termination under certain circumstances. Mr. Dimitriadis' employment agreement provides for an annual base salary of \$400,000; bonuses, if any, are determined by the Compensation Committee.

Bonuses

Bonuses are awarded based on our overall performance and individual performance of each executive officer. The amounts awarded may vary from year to year and may be awarded to executive officers in other forms such as stock awards in lieu of cash payments.

The Compensation Committee recommended that bonuses be paid to executives in part as recognition of their efforts that resulted in the realization of the value of a \$21.6 million note receivable that was paid in full during 2005. Bonuses were awarded to Mr. Dimitriadis and Ms. Simpson in the amounts of \$443,000 and \$300,000, respectively for fiscal 2005.

Stock Option Plans

Securities authorized for issuance under equity compensation plans as of December 31, 2005 are as follows:

Equity Compensation Plan Information

Equity compensation plans not approved by security holders	—	—	—

We have adopted the Restated 1992 Stock Option Plan (or 1992 Plan), the 1998 Equity Participation Plan (or 1998 Plan), the 2004 Stock Option Plan and the 2004 Restricted Stock Plan under which awards may be granted including stock options (incentive or non-qualified), stock appreciation rights, restricted stock, deferred stock and dividend equivalents. We reserved 1,400,000 shares of common stock for issuance under the 1992 Plan, 500,000 shares for issuance under the 1998 Plan, 500,000 shares for issuance under the 2004 Stock Option Plan and 100,000 shares for issuance under the 2004 Restricted Stock Plan. All plans are administered by the Compensation Committee which sets the terms and provisions of the awards granted under the plans. Incentive stock options, stock appreciation rights, restricted stock, deferred stock and dividend equivalents may only be awarded to officers and other full-time employees to promote our long-term performance and specifically, to retain and motivate senior management to achieve a sustained increase in stockholder value. Non-qualified stock options, stock appreciation rights, restricted stock, deferred stock and dividend equivalents may be awarded to non-employee directors, officers, other employees, consultants and other key persons who provide services to us. The Compensation Committee reviews and evaluates the overall compensation package of the executive officers and determines the awards based on our overall performance and the individual performance of the executive officers.

No stock options were granted to named executive officers in fiscal 2005. At our December 7, 2005 Board meeting, the Compensation Committee granted 30,000 shares of restricted stock from our 2004 Restricted Stock Plan, each, to Mr. Dimitriadis and Ms. Simpson. These shares vest ratably over four years on the anniversary date of the grant.

401(k) Savings Plan

In January 2002 we implemented a 401(k) Savings Plan which is a defined contribution plan covering all of our employees. Each year participants may contribute up to 15% of pre-tax annual compensation. In 2005 the contributions may not exceed \$14,000, or \$18,000 if the employee is 50 years or older. Our company will match up to 3% of salaries for our three vice presidents and contribute 3% of the individual's salary for staff that open an account. We will not contribute any amount, nor match contributions for our two named executive officers.

Benefits

With limited exceptions, the Committee's policy is to provide benefits to executive officers that are substantially the same as those offered to other officers of the Company at or above the level of vice president.

Policy with Respect to Section 162(m)

Section 162(m) of the Code denies deduction for Federal income tax purposes for certain compensation in excess of \$1,000,000 paid to certain executive officers, unless certain performance, disclosure, stockholder approval and other requirements are met. The Compensation Committee will continue to review the effects of its compensation programs with regard to Code Section 162(m). A substantial portion of the compensation program will be exempted from the \$1,000,000 deduction limitation. The Company will continue to evaluate alternatives to ensure executive compensation is reasonable, performance-based, and consistent with the Company's overall compensation objectives. The Compensation Committee reserves the right to design programs that recognize a full range of performance criteria important to the Company's success, even where the compensation paid under such programs may not be deductible.

Interpretations of and changes in the tax laws and other factors beyond the Compensation Committee's control may affect the deductibility of certain compensation payments. The Compensation Committee will consider various alternatives to preserve the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives.

Boyd W. Hendrickson, Edmund C. King and Sam Yellen

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities to file with the Securities and Exchange Commission and the New York Stock Exchange initial reports of ownership and reports of changes in ownership of common stock and other equity securities of our company. Officers, directors and greater than ten percent stockholders are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2005, all directors, executive officers and persons who beneficially own more than 10% of our common stock have complied with the reporting requirements of Section 16(a) except that Mr. King was delinquent in filing a Form 4 representing one transaction. The form was subsequently filed. Securities and Exchange Commission rules require us to disclose all known delinquent Section 16(a) filings by our officers, directors and ten percent stockholders.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee Report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

The Audit Committee of the Board of Directors comprises three independent directors as determined by the Board within the meaning of the New York Stock Exchange listing standards and operates under a written charter adopted by the Board.

The Audit Committee has direct oversight of all compliance matters having to do with financial matters, Securities and Exchange Commission reporting and auditing. Additionally, it is the Audit Committee's duty to review annually the Audit Committee Charter and the Company's Code of Business Conduct, Ethics and Corporate Governance for adequacy and recommend any changes to the Board.

The Audit Committee is appointed by the Board to assist the Board in its oversight function by monitoring, among other things, the integrity of the Company's financial statements, the Company's financial reporting process and the independence and performance of the independent auditors. It is the responsibility of executive management of the Company to prepare financial statements in accordance with generally accepted accounting principles and of the Company's independent auditors to audit those financial statements. The Audit Committee has the sole authority and responsibility to select, appoint, evaluate, compensate and retain, approve significant non-audit services, confirm the independence of the independent public accountants and, where appropriate, replace the independent auditors. Additionally, the Audit Committee determines the extent of funding that the Company must provide to it.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

In addition, the Audit Committee has received the written disclosures and the letter required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees), as amended, from the independent auditors and has discussed with the independent auditors the independent auditor's independence from the Company and its management. Further, the Audit Committee has considered whether the non-audit services provided by the independent auditors are compatible with maintaining the auditor's independence.

Further, the Audit Committee periodically meets with the independent auditors, without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

During the past year, the Audit Committee met with the independent auditors eight times in total and without management present four times.

Based on the reviews and discussions referred to above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and set forth in the Charter, the Audit

Committee recommended to the Board that the audited financial statements be included in the Company's 2005 Form 10-K for filing with the Securities and Exchange Commission.
