### About Our Company

We are a health care real estate investment trust (or REIT) incorporated on May 12, 1992 in the State of Maryland and commenced operations on August 25, 1992. We invest primarily in long-term care and other health care related properties through mortgage loans, property lease transactions and other investments. As of March 31, 2007, long-term care properties, which include skilled nursing and assisted living properties, comprised approximately 98% of our investment portfolio.

Skilled nursing facilities provide restorative, rehabilitative and nursing care for people not requiring the more extensive and sophisticated treatment available at acute care hospitals. Many skilled nursing facilities provide ancillary services that include occupational, speech, physical, respiratory and IV therapies, as well as provide sub-acute care services which are paid either by the patient, the patient’s family, or through federal Medicare or state Medicaid programs.

Assisted living facilities serve elderly persons who require assistance with activities of daily living, but do not require the constant supervision skilled nursing facilities provide. Services are usually available 24-hours a day and include personal supervision and assistance with eating, bathing, grooming and administering medication. The facilities provide a combination of housing, supportive services, personalized assistance and health care designed to respond to individual needs.

The schools in our real estate investment portfolio are Charter schools. Charter schools provide an alternative to the traditional public school. Charter schools are generally autonomous entities authorized by the state or locality to conduct operations independent from the surrounding public school district. Laws vary by state, but generally Charters are granted by state boards of education either directly or in conjunction with local school districts or public universities. Operators are granted Charters to establish and operate schools based on the goals and objectives set forth in the Charter. Upon receipt of a Charter, schools receive an annuity from the state for each student enrolled.

Our senior management team is comprised of four individuals with a combined 54 years of experience in health care and real estate finance.

As of March 31, 2007, we had approximately \$499 million in carrying value of net real estate investments. At that date, our portfolio included 94 assisted living properties, 119 skilled nursing properties and two Charter schools in 32 states. We had approximately \$384 million (77%) invested in owned and leased properties and approximately \$115 million (23%) invested in mortgage loans.

### Our Strategy

Our primary objectives are to sustain and enhance stockholder equity value and provide current income for distribution to stockholders through real estate investments in long-term care properties and other health care related properties managed by experienced operators. To meet these objectives, we attempt to invest in properties or in mortgages that provide opportunity for additional value and current returns to our stockholders and to diversify our investment portfolio by geographic location, operator and form of investment.

Historically our investments have consisted of:

- mortgage loans secured by long-term care properties;
- fee ownership of long-term care properties which are leased to providers; or
- participation in such investments indirectly through investments in real estate partnerships or other entities that themselves make direct investments in such loans or properties.

In evaluating potential investments, we consider factors such as:

- type of property;
- the location;
- construction quality, condition and design of the property;
- the property's current and anticipated cash flow and its adequacy to meet operational needs and lease obligations or debt service obligations;
- the experience, reputation and solvency of the licensee providing services;

- the payor mix of private, Medicare and Medicaid patients;
- the growth, tax and regulatory environments of the communities in which the properties are located;
- the occupancy and demand for similar properties in the area surrounding the property; and
- the Medicaid reimbursement policies and plans of the state in which the property is located.

For investments in skilled nursing properties, we favor low cost per bed opportunities, whether in fee simple properties or in mortgages. In addition, with respect to skilled nursing properties, we attempt to invest in properties that do not have to rely on a high percentage of private-pay patients. We seek to invest in properties that are located in suburban and rural areas of states. Prior to every investment, we conduct a property site review to assess the general physical condition of the property and the potential of additional sub-acute services. In addition, we review the environmental reports, state survey and financial statements of the property before the investment is made. We prefer to invest in a property that has a significant market presence in its community and where state certificate of need and/or licensing procedures limit the entry of competing properties.

For assisted living investments we have attempted to diversify our portfolio both geographically and across product levels. Thus, we believe that although the majority of our investments are in affordably priced units, our portfolio also includes a significant number of upscale units in appropriate markets with certain operators.

We believe that this competitive market has created an environment of very highly priced properties and low yielding mortgages. Because our historical strategy has been to invest in low cost per bed properties, we believe there is an opportunity for us to invest additional funds in our owned properties where the lessees have high occupancies and expansion ability. This market is captive to us since we own the properties. We are actively reviewing all of our owned properties and discussing additional investments with such likely lessees. We would make these investments at rates that would approximate our historical lease rates.

#### Owned Properties

At March 31, 2007, we owned 62 skilled nursing properties with a total of 7,214 beds, 84 assisted living properties with 3,744 units and one school located in 23 states. Here and throughout this prospectus wherever we provide details of our properties' bed/unit count the number of beds/units applies to skilled nursing properties and assisted living residences only. This number is based upon unit/bed counts shown on operating licenses provided to us by lessees/borrowers or units/beds as stipulated by lease/mortgage documents. We have found during the years that these numbers often differ, usually not materially, from units/beds in operation at any point in time. The differences are caused by such things as operators converting a patient/resident room for alternative uses, such as offices or storage, or converting a multi-patient room/unit into a single patient room/unit. We monitor our properties on a routine basis through site visits and reviews of current licenses. In an instance where such change would cause a de-licensing of beds or in our opinion impact the value of the property, we would take action against the lessee/borrower to preserve the value of the property/collateral.

The properties are leased pursuant to non-cancelable leases generally with an initial term of 10 to 30 years. The leases provide for a fixed minimum base rent during the initial and renewal periods. Most of the leases provide for annual fixed rent increases or increases based on consumer price indices over the term of the lease. In addition, certain of our leases provide for additional rent through revenue participation (as defined in the lease agreement) in incremental revenues generated by the facilities over a defined base period, effective at various times during the term of the lease. Each lease is a triple net lease which requires the lessee to pay additional charges including all taxes, insurance, assessments, maintenance and repair (capital and non-capital expenditures), and other costs necessary in the operation of the facility. Most of the leases contain renewal options and two contain limited period options that permit the operators to purchase the properties.

#### Mortgage Loans

At March 31, 2007, we had 68 mortgage loans secured by first mortgages on 57 skilled nursing properties with a total of 6,586 beds, 10 assisted living properties with a total of 705 units and one school located in 19 states. At March 31, 2007, these mortgage loans had interest rates ranging from 6.6% to 13.1% and maturities ranging from 2007 to 2019. In addition, the loans may contain guarantees, provide for facility fees and generally have 25-year amortization schedules. The majority of the mortgage loans provide for annual increases in the interest rate based upon a specified increase of 10 to 25 basis points.

Subsequent to March 31, 2007, we received \$23.5 million in principal payoffs from six mortgage loan secured by first mortgages on nine skilled nursing properties with a total of 873 beds.

In general, the mortgage loans may not be prepaid except in the event of the sale of the collateral property to a third party that is not affiliated with the borrower, although partial prepayments (including the prepayment premium) are often permitted where a mortgage loan is secured by more than one property upon the sale of one or more, but not all, of the

collateral properties to a third party which is not an affiliate of the borrower. The terms of the mortgage loans generally impose a premium upon prepayment of the loans depending upon the period in which the prepayment occurs, whether such prepayment was permitted or required, and certain other conditions such as upon the sale of the property under a pre-existing purchase option, destruction or condemnation, or other circumstances as approved by us. On certain loans, such prepayment amount is based upon a percentage of the then outstanding balance of the loan, usually declining ratably each year. For other loans, the prepayment premium is based on a yield maintenance formula. In addition to a lien on the mortgaged property, the loans are generally secured by certain non-real estate assets of the properties and contain certain other security provisions in the form of letters of credit, pledged collateral accounts, security deposits, cross-default and cross-collateralization features and certain guarantees.

## RISK FACTORS

You should carefully consider the risks described below and in the applicable prospectus supplement before making an investment decision in our company. The risks and uncertainties described below and therein are not the only ones facing our company and there may be additional risks that we do not presently know of or that we currently consider immaterial. Other important factors are identified in our annual report on Form 10-K for the year ended December 31, 2006, which is incorporated by reference into this prospectus, including factors identified under the headings “Business”, “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations”, and in the other documents incorporated by reference into this prospectus. All of these risks could adversely affect our business, financial condition, results of operations and cash flows. As a result, our ability to pay dividends on, and the market price of, our equity securities may be adversely affected if any of such risks are realized.

*Our expected results may not be achieved, and actual results may differ materially from our expectations.*

Our failure to achieve expected results may be a result of various factors, including, but not limited to:

- the status of the economy;
- the status of capital markets, including prevailing interest rates;
- compliance with and changes to regulations and payment policies within the health care industry;
- changes in financing terms;
- competition within the health care and senior housing industries; and
- changes in federal, state and local legislation.

*A failure to maintain or increase our dividend could reduce the market price of our stock.*

In April 2007, we declared a \$0.125 per share monthly dividend for the second quarter of calendar 2007. During the first quarter of 2007 we paid a \$0.125 per share monthly dividend. During calendar 2006, we paid a \$0.12 monthly dividend on our common stock. During calendar 2005, we paid a \$0.30 dividend in the first quarter and a \$0.11 monthly dividend in each of the second, third and fourth quarters on our common stock. The ability to maintain or raise our common dividend is dependent, to a large part, on growth of funds from operations. This growth in turn depends upon increased revenues from additional investments and loans, rental increases and mortgage rate increases.

*At times, we may have limited access to capital which will slow our growth.*

A REIT is required to make dividend distributions and retains little capital for growth. As a result, growth for a REIT is generally through the steady investment of new capital in real estate assets. Presently, we believe capital is readily available to us. However, there will be times when we will have limited access to capital from the equity and/or debt markets. During such periods, virtually all of our available capital will be required to meet existing commitments and to reduce existing debt. We may not be able to obtain additional equity or debt capital or dispose of assets on favorable terms, if at all, at the time we require additional capital to acquire health care properties on a competitive basis or meet our obligations.

*Income and returns from health care facilities can be volatile.*

The possibility that the health care properties in which we invest will not generate income sufficient to meet operating expenses, will generate income and capital appreciation, if any, at rates lower than those anticipated or will yield returns lower than those available through investments in comparable real estate or other investments are additional risks of

---

investing in health care related real estate. Income from properties and yields from investments in such properties may be affected by many factors, including changes in governmental regulation (such as zoning laws and government payment), general or local economic conditions (such as fluctuations in interest rates and employment conditions), the available local supply of and demand for improved real estate, a reduction in rental income as the result of an inability to maintain occupancy levels, natural disasters (such as hurricanes, earthquakes and floods) or similar factors.

*We depend on lease income and mortgage payments from real property.*

Since a substantial portion of our income is derived from mortgage payments and lease income from real property, our income would be adversely affected if a significant number of our borrowers or lessees were unable to meet their obligations to us or if we were unable to lease our properties or make mortgage loans on economically favorable terms. There can be no assurance that any lessee will exercise its option to renew its lease upon the expiration of the initial term or that if such failure to renew were to occur, we could lease the property to others on favorable terms.

*We rely on a few major operators.*

We have three operators, based on properties subject to lease agreements and secured by mortgage loans, that represent between 10% and 20% of our total assets and three operators from each of which we derive over 10% of our combined rental revenue and interest income.

Beginning in the fourth quarter of 2006, Extencicare Services, Inc. (or EHSI), one of our major operators, effected a reorganization whereby it completed a spin-off of Assisted Living Concepts, Inc (or ALC). ALC is now a NYSE traded public company operating assisted living centers. The remaining EHSI assets and operations were converted into a Canadian REIT (Extencicare REIT) listed on the Toronto Stock Exchange (or TSX). Both Extencicare REIT and ALC continue to be parties to the leases with us. Extencicare REIT and ALC, collectively lease 37 assisted living properties with a total of 1,427 units owned by us representing approximately 11.6%, or \$65.5 million, of our total assets at March 31, 2007 and 15.4% of combined rental revenue and interest income (excluding the effects of straight-line rent) for the quarter ended March 31, 2007.

Alterra Healthcare Corporation (or Alterra) is a wholly owned subsidiary of a publicly traded company, Brookdale Senior Living, Inc. Alterra leases 35 assisted living properties with a total of 1,416 units owned by us representing approximately 11.5%, or \$64.8 million, of our total assets at March 31, 2007 and 14.6% of combined rental revenue and interest income (excluding the effects of straight-line rent) for the quarter ended March 31, 2007.

Preferred Care, Inc. (or Preferred Care) is privately owned. Preferred Care, through various wholly-owned subsidiaries, operates 32 skilled health care properties with a total of 3,871 beds that we own or on which we hold mortgages secured by first trust deeds. This represents approximately 11.0% or \$61.9 million of our total assets at March 31, 2007 and 14.0% of combined rental revenue and interest income (excluding the effects of straight-line rent) for the quarter ended March 31, 2007. Subsequent to March 31, 2007, a wholly owned subsidiary of Preferred Care assumed a \$3.7 million mortgage loan payable to us secured by a first trust deed on a 191-bed skilled nursing property.

Our financial position and ability to make distributions may be adversely affected by financial difficulties experienced by any of our other lessees and borrowers, including bankruptcies, inability to emerge from bankruptcy, insolvency or general downturn in business of any such operator, or in the event any such operator does not renew and/or extend its relationship with us or our borrowers when it expires.

*Our borrowers and lessees face competition in the health care industry.*

The long-term care industry is highly competitive and we expect that it may become more competitive in the future. Our borrowers and lessees are competing with numerous other companies providing similar long-term care services or alternatives such as home health agencies, hospices, life care at home, community-based service programs, retirement communities and convalescent centers. There can be no assurance that our borrowers and lessees will not encounter increased competition in the future which could limit their ability to attract residents or expand their businesses and therefore affect their ability to make their debt or lease payments to us.

*The health care industry is heavily regulated by the government.*

The health care industry is heavily regulated by the government. Our borrowers and lessees who operate health care facilities are subject to extensive regulation by federal, state and local governments. These laws and regulations are subject to frequent and substantial changes resulting from legislation, adoption of rules and regulations, and administrative and judicial interpretations of existing law. These changes may have a dramatic effect on the definition of permissible or impermissible activities, the relative costs associated with doing business and the amount of reimbursement by both government and other third-party payors. These changes may be applied retroactively. The ultimate timing or effect of these changes cannot be

---

predicted. The failure of any borrower of funds from us or lessee of any of our properties to comply with such laws, requirements and regulations could result in sanctions or remedies such as denials of payment for new Medicare and Medicaid admissions, civil monetary penalties, state oversight and loss of Medicare and Medicaid participation or licensure. Such action could affect our borrower's or lessee's ability to operate its facility or facilities and could adversely affect such borrower's or lessee's ability to make debt or lease payments to us.

The properties owned by us and the manner in which they are operated are affected by changes in the reimbursement, licensing and certification policies of federal, state and local governments. Properties may also be affected by changes in accreditation standards or procedures of accrediting agencies that are recognized by governments in the certification process. In addition, expansion (including the addition of new beds or services or acquisition of medical equipment) and occasionally the discontinuation of services of health care facilities are, in some states, subjected to state and regulatory approval through "certificate of need" laws and regulations.

*Our borrowers and lessees rely on government and third party reimbursement.*

The ability of our borrowers and lessees to generate revenue and profit determines the underlying value of that property to us. Revenues of our borrowers and lessees are generally derived from payments for patient care. Sources of such payments for skilled nursing facilities include the federal Medicare program, state Medicaid programs, private insurance carriers, health care service plans, health maintenance organizations, preferred provider arrangements, self-insured employers, as well as the patients themselves.

A significant portion of the revenue of our skilled nursing facility borrowers and lessees is derived from governmentally-funded reimbursement programs, such as Medicare and Medicaid. Because of significant health care costs paid by such government programs, both federal and state governments have adopted and continue to consider various health care reform proposals to control health care costs. There have been fundamental changes in the Medicare program that resulted in reduced levels of payment for a substantial portion of health care services. In many instances, revenues from Medicaid programs are already insufficient to cover the actual costs incurred in providing care to those patients. According to a report issued by the Kaiser Commission on Medicaid and the Uninsured in October 2006, while many states continued to freeze provider rates in fiscal year 2006, more states implemented provider rate increases in fiscal year 2006 or plan to do so in fiscal year 2007. In fiscal year 2006, 46 states froze or cut rates for at least one provider type, but the same number of states also increased rates for at least one group of providers. Similarly in fiscal year 2007, 47 states intend to increase rates for at least one group of providers and 43 states plan rate freezes or cuts, but no state currently plans to cut Medicaid payments for skilled nursing facilities for fiscal year 2007. Skilled nursing facilities also were the major provider group most likely to see payment increases for fiscal year 2006 and fiscal year 2007, although some skilled nursing facility rate increases are tied to increased provider taxes. Nevertheless, future reduction in state Medicaid payments for skilled nursing facility services could have an adverse effect on the financial condition of our borrowers and lessees which could, in turn, adversely impact the timing or level of their payments to us. Moreover, health care facilities continue to experience pressures from private payors attempting to control health care costs, and reimbursement from private payors has in many cases effectively been reduced to levels approaching those of government payors.

Governmental and public concern regarding health care costs may result in significant reductions in payment to health care facilities, and there can be no assurance that future payment rates for either governmental or private payors will be sufficient to cover cost increases in providing services to patients. Any changes in reimbursement policies which reduce reimbursement to levels that are insufficient to cover the cost of providing patient care could adversely affect revenues of our skilled nursing property borrowers and lessees and to a much lesser extent our assisted living property borrowers and lessees and thereby adversely affect those borrowers' and lessees' abilities to make their debt or lease payments to us. Failure of the borrowers or lessees to make their debt or lease payments would have a direct and material adverse impact on us.

On August 4, 2005, the Centers for Medicare & Medicaid Services, commonly known as CMS, published a final rule updating skilled nursing facility prospective payment rates for fiscal year 2006, which began October 1, 2005. This update implemented refinements to the patient classification system and triggered the expiration of a temporary payment add-on for certain high-acuity patients, effective January 1, 2006. The final rule also adopted a 3.1 percent market basket increase for fiscal year 2006. On July 31, 2006, CMS published a notice updating Medicare skilled nursing facility prospective payment system rates for fiscal year 2007, which began October 1, 2006. Under the notice, skilled nursing facilities receive the full 3.1 percent market basket increase to rates, increasing Medicare payments to skilled nursing facilities by approximately \$560.0 million for fiscal year 2007. On May 4, 2007, CMS published its proposed skilled nursing facility prospective payment system update for fiscal year 2008. CMS is proposing a 3.3 percent market basket increase, which would increase Medicare payments to nursing homes by approximately \$690 million in fiscal year 2008. CMS has not yet finalized the Medicare rates for fiscal year 2008.

On February 5, 2007, the Bush Administration released its fiscal year 2008 budget proposal, which includes legislative and administrative proposals that would reduce Medicare spending by approximately \$5.3 billion in fiscal 2008

and \$75.8 billion over 5 years. Among other things, the budget would provide no update for skilled nursing facilities in 2008 and a -0.65% adjustment to the update annually thereafter (although legislation would be necessary to implement this proposal rather than the full market basket adjustment called for in the May 4, 2007 CMS fiscal year 2008 skilled nursing facility prospective payment system proposed rule). The proposed Bush Administration budget also would move toward site-neutral post-hospital payments to limit inappropriate incentives for five conditions commonly treated in both skilled nursing properties and inpatient rehabilitation facilities. The budget proposal also would eliminate all bad debt reimbursements for unpaid beneficiary cost-sharing over four years. In addition, the budget proposal includes a series of proposals impacting Medicaid, including legislative and administrative changes that would reduce Medicaid payments by almost \$26.0 billion over five years. Many of the proposed policy changes would require Congressional approval to implement. Thus, while Medicare rates provided for under current law will not decrease payments to skilled nursing facilities, the loss of revenues associated with potential future changes in skilled nursing facility payment rates could, in the future, have an adverse effect on the financial condition of our borrowers and lessees which could, in turn, adversely impact the timing or level of their payments to us.

The federal physician self-referral law, commonly known as Stark II (or Stark Law), prohibits physicians and certain other types of practitioners from making referrals for certain designated health services paid in whole or in part by Medicare and Medicaid to entities with which the practitioner or a member of the practitioner's immediate family has a financial relationship, unless the financial relationship fits within an applicable exception to the Stark Law. The Stark Law also prohibits the entity receiving the referral from seeking payment under the Medicare and Medicaid programs for services rendered pursuant to a prohibited referral. If an entity is paid for services rendered pursuant to a prohibited referral, it may incur civil penalties of up to \$15,000 per prohibited claim and may be excluded from participating in the Medicare and Medicaid programs.

*Congress and the states have enacted health care reform measures.*

The health care industry continues to face various challenges, including increased government and private payor pressure on health care providers to control costs. For instance, the Balanced Budget Act of 1997 enacted significant changes to the Medicare and Medicaid programs designed to modernize payment and health care delivery systems while achieving substantial budgetary savings. In seeking to limit Medicare reimbursement for long-term care services, Congress established the prospective payment system for skilled nursing facility services to replace the cost-based reimbursement system. Skilled nursing facilities needed to restructure their operations to accommodate the new Medicare prospective payment system reimbursement. Since the skilled nursing facility prospective payment system was enacted, several then publicly held operators of long-term care facilities and at least two then publicly held operators of assisted living facilities filed for reorganization under Chapter 11 of the federal bankruptcy laws. During their reorganizations and in some instances subsequent thereto, long-term care operators and assisted living operators reduced their operations by rejecting leases and/or defaulting on loans resulting in properties being returned to lessors or lenders. There can be no assurances given that there will not be additional bankruptcies of skilled nursing and assisted living operators in the future.

In recent years, Congress has adopted legislation to somewhat mitigate the impact of the Balanced Budget Act on providers, including skilled nursing facilities. For instance, on December 8, 2003, President Bush signed into law the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (P.L. 108-173). In addition to providing expanded Medicare prescription drug coverage, the act modified Medicare payments to a variety of health care providers. With respect to skilled nursing facilities, the act provides a temporary 128% increase in the Medicare payment for skilled nursing facility residents with acquired immune deficiency syndrome, applicable to services furnished on or after October 1, 2004. This temporary increase is still in effect through September 30, 2007, and CMS has proposed extending the additional payment through fiscal year 2008.

On the other hand, in February 2006 Congress gave final approval to the Deficit Reduction Act (or DRA), which will reduce net Medicare and Medicaid spending by approximately \$11.0 billion over five years. Among other things, the legislation reduces Medicare skilled nursing facility bad debt payments by 30 percent for those individuals who are not dually eligible for Medicare and Medicaid, and strengthens Medicaid asset transfer restrictions for persons seeking to qualify for Medicaid long-term care coverage.

In addition, on December 20, 2006, President Bush signed into law the Tax Relief and Health Care Act of 2006 (P.L. 109-432), which also modifies a number of Medicare and Medicaid policies. Among other things, the law reduces the limit on Medicaid provider taxes from 6 percent (set forth in regulations) to 5.5 percent from January 1, 2008 through September 30, 2011. The Bush Administration had been expected to issue regulations calling for deeper cuts in funding, which is used by many states to finance state health programs. President Bush's proposed 2008 fiscal year budget if adopted also would reduce Medicare and Medicaid payments to providers. Most recently, on May 29, 2007, CMS published a rule that would limit certain state Medicaid financing arrangements. The agency estimates that the rule would reduce Medicaid spending by \$3.87 billion over five years. However, on May 25, 2007, President Bush signed into law an emergency supplemental appropriations bill that includes a provision prohibiting CMS from implementing the Medicaid funding rule for one year. Nevertheless, such funding restrictions could be imposed after the one-year period. Congress may also consider legislation in the future that would further restrict Medicare and Medicaid funding. No assurances can be given that any additional Medicare or Medicaid legislation enacted by Congress or regulations promulgated by CMS would not reduce Medicare or Medicaid reimbursement to skilled nursing facilities or result in additional costs for operators of skilled nursing facilities.

In addition, comprehensive reforms affecting the payment for and availability of health care services have been proposed at the federal and state levels and major reform proposals have been adopted by certain states. Congress and state legislatures can be expected to continue to review and assess alternative health care delivery systems and payment methodologies. Changes in the law, new interpretations of existing laws, or changes in payment methodology may have a dramatic effect on the definition of permissible or impermissible activities, the relative costs associated with doing business and the amount of reimbursement by the government and other third party payors. The DRA also gives states greater flexibility to expand access to home and community based services by allowing states to provide these services as an optional benefit without undergoing the waiver approval process. Moreover, the DRA includes a new demonstration to encourage states to provide long-term care services in a community setting to individuals who currently receive Medicaid services in nursing homes. Together the provisions could increase state funding for home and community based services, while prompting states to cut funding for nursing facilities and homes for persons with disabilities. In light of continuing state Medicaid program reforms, budget cuts, and regulatory initiatives, no assurance can be given that the implementation of such regulations and reforms will not have a material adverse effect on the financial condition or results of operations of our lessees and/or borrowers which, in turn, could effect their ability to meet their contractual obligations to us.

*Our properties are subject to licensing, certification and accreditation.*

In addition to the requirements to be met by skilled nursing facilities for participation in the Medicare and Medicaid programs, skilled nursing facilities are subject to regulatory and licensing requirements of federal, state and local authorities. We have no direct control over our borrowers' or tenants' ability to meet the numerous state and federal regulatory requirements. If a borrower or tenant does not continue to meet all regulatory requirements, such borrower or tenant may lose its ability to provide or bill for health care services. If we cannot attract another health care provider on a timely basis or on acceptable terms, our revenues would be adversely impacted. In addition, our

properties are special purpose properties that may not be easily adaptable to uses unrelated to health care. Transfers of operations of health care facilities are subject to regulatory approvals not required for transfers of other types of commercial operations and real estate.

*We could incur more debt.*

We operate with a policy of incurring debt when, in the opinion of our directors, it is advisable. We may incur additional debt by issuing debt securities in a public offering or in a private transaction. Accordingly, we could become more highly leveraged. The degree of leverage could have important consequences to stockholders, including affecting our ability to obtain additional financing in the future for working capital, capital expenditures, acquisitions, development or other general corporate purposes and making us more vulnerable to a downturn in business or the economy generally.

*We could fail to collect amounts due under our straight-line rent receivable asset.*

Straight-line accounting requires us to calculate the total rent we will receive as a fixed amount over the life of the lease and recognize that revenue evenly over that life. In a situation where a lease calls for fixed rental increases during the life of the lease rental income recorded in the early years of a lease is higher than the actual cash rent received, which creates an asset on the balance sheet called deferred rent receivable. At some point during the lease, depending on the rent levels and terms, this reverses and the cash rent payments received during the later years of the lease are higher than the rental income recognized, which reduces the deferred rent receivable balance to zero by the end of the lease. We periodically assess the collectibility of the deferred rent receivable. If during our assessment we determined that we were unlikely to collect a portion or all of the deferred rent receivable balance, we may record an impairment charge in current period earnings for the portion, up to its full value, that we estimate will not be recovered.

---

Our assets may be subject to impairment charges.

We periodically but not less than quarterly evaluate our real estate investments and other assets for impairment indicators. The judgment regarding the existence of impairment indicators is based on factors such as market conditions, operator performance and legal structure. If we determine that a significant impairment has occurred, we would be required to make an adjustment to the net carrying value of the asset, which could have a material adverse affect on our results of operations and a non-cash impact on funds from operations in the period in which the write-off occurs.

*A failure to reinvest cash available to us could adversely affect our future revenues and our ability to increase dividends to stockholders; there is considerable competition in our market for attractive investments.*

From time to time, we will have cash available from (1) proceeds of sales of shares of securities, (2) proceeds from new debt issuances, (3) principal payments on our mortgages and other investments, (4) sale of properties, and (5) funds from operations. We may reinvest this cash in health care investments in accordance with our investment policies, repay outstanding debt or invest in qualified short-term investments. We compete for real estate investments with a broad variety of potential investors. The competition for attractive investments negatively affects our ability to make timely investments on acceptable terms. Delays in acquiring properties or making loans will negatively impact revenues and perhaps our ability to increase distributions to our stockholders.

*Our failure to qualify as a REIT would have serious adverse consequences to our stockholders.*

We intend to operate so as to qualify as a REIT under the Internal Revenue Code (the Code). We believe that we have been organized and have operated in a manner which would allow us to qualify as a REIT under the Code beginning with our taxable year ended December 31, 1992. However, it is possible that we have been organized or have operated in a manner which would not allow us to qualify as a REIT, or that our future operations could cause us to fail to qualify. Qualification as a REIT requires us to satisfy numerous requirements (some on an annual and quarterly basis) established under highly technical and complex Code provisions for which there are only limited judicial and administrative interpretations, and involves the determination of various factual matters and circumstances not entirely within our control. For example, in order to qualify as a REIT, at least 95% of our gross income in any year must be derived from qualifying sources, and we must pay dividends to stockholders aggregating annually at least 90% (95% for taxable years ending prior to January 1, 2001) of our REIT taxable income (determined without regard to the dividends paid deduction and by excluding capital gains). Legislation, new regulations, administrative interpretations or court decisions could significantly change the tax laws with respect to qualification as a REIT or the federal income tax consequences of such qualification. However, we are not aware of any pending tax legislation that would adversely affect our ability to operate as a REIT.

If we fail to qualify as a REIT in any taxable year, we will be subject to federal income tax (including any applicable alternative minimum tax) on our taxable income at regular corporate rates. Unless we are entitled to relief under statutory provisions, we would be disqualified from treatment as a REIT for the four taxable years following the year during which we lost qualification. If we lose our REIT status, our net earnings available for investment or distribution to stockholders would be significantly reduced for each of the years involved. In addition, we would no longer be required to make distributions to stockholders.

*Our real estate investments are relatively illiquid.*

Real estate investments are relatively illiquid and, therefore, tend to limit our ability to vary our portfolio promptly in response to changes in economic or other conditions. All of our properties are “special purpose” properties that cannot be readily converted to general residential, retail or office use. Health care facilities that participate in Medicare or Medicaid must meet extensive program requirements, including physical plant and operational requirements, which are revised from time to time. Such requirements may include a duty to admit Medicare and Medicaid patients, limiting the ability of the facility to increase its private pay census beyond certain limits. Medicare and Medicaid facilities are regularly inspected to determine compliance, and may be excluded from the programs—in some cases without a prior hearing—for failure to meet program requirements. Transfers of operations of nursing homes and other healthcare-related facilities are subject to regulatory approvals not required for transfers of other types of commercial operations and other types of real estate. Thus, if the operation of any of our properties becomes unprofitable due to competition, age of improvements or other factors such that our lessee or mortgagor becomes unable to meet its obligations on the lease or mortgage loan, the liquidation value of the property may be substantially less, particularly relative to the amount owing on any related mortgage loan, than would be the case if the property were readily adaptable to other uses. The receipt of liquidation proceeds or the replacement of an operator that has defaulted on its lease or loan could be delayed by the approval process of any federal, state or local agency necessary for the transfer of the property or the replacement of the operator with a new operator licensed to manage the facility. In addition, certain significant expenditures associated with real estate investment, such as real estate taxes and maintenance costs, are generally not reduced when circumstances cause a reduction in income from the investment. Should such events occur, our income and cash flows from operations would be adversely affected.

*Our remedies may be limited when mortgage loans default.*

To the extent we invest in mortgage loans, such mortgage loans may or may not be recourse obligations of the borrower and generally will not be insured or guaranteed by governmental agencies or otherwise. In the event of a default under such obligations, we may have to foreclose on the property underlying the mortgage or protect our interest by acquiring title to a property and thereafter make substantial improvements or repairs in order to maximize the property's investment potential. Borrowers may contest enforcement of foreclosure or other remedies, seek bankruptcy protection against such enforcement and/or bring claims for lender liability in response to actions to enforce mortgage obligations. If a borrower seeks bankruptcy protection, the Bankruptcy Court may impose an automatic stay that would preclude us from enforcing foreclosure or other remedies against the borrower. Relatively high "loan to value" ratios and declines in the value of the property may prevent us from realizing an amount equal to our mortgage loan upon foreclosure.

*We are subject to risks and liabilities in connection with properties owned through a limited partnership.*

We have an ownership interest in a limited partnership. We may make additional investments through limited partnerships or limited liability companies in the future. Partnership or limited liability company investments may involve risks such as the following:

- our partners or co-members might become bankrupt (in which event we and any other remaining general partners or members would generally remain liable for the liabilities of the partnership or limited liability company);
- our partners or co-members might at any time have economic or other business interests or goals which are inconsistent with our business interests or goals;
- our partners or co-members may be in a position to take action contrary to our instructions, requests, policies or objectives, including our policy with respect to maintaining our qualification as a REIT; and
- agreements governing limited liability companies and partnerships often contain restrictions on the transfer of a member's or partner's interest or "buy-sell" or other provisions which may result in a purchase or sale of the interest at a disadvantageous time or on disadvantageous terms.

We will, however, generally seek to maintain sufficient control of our partnerships and limited liability companies to permit us to achieve our business objectives. Our organizational documents do not limit the amount of available funds that we may invest in partnerships or limited liability companies. The occurrence of one or more of the events described above could have a direct and adverse impact on us.

*Certain provisions of Maryland law and our Charter and Bylaws could hinder, delay or prevent changes in control.*

Certain provisions of Maryland law, our Charter and our Bylaws have the effect of discouraging, delaying or preventing transactions that involve an actual or threatened change in control. These provisions include the following:

Classified Board of Directors, Number of Directors, Board Vacancies, and Term of Office. We may, in the future, elect by resolution of our Board of Directors or an amendment to our Bylaws, to be subject to certain provisions of Maryland law which divide the Board of Directors into three classes with staggered terms of office of three years each, vest in the Board of Directors the exclusive right to determine the number of directors and the exclusive right, by the affirmative vote of a majority of the remaining directors, even if the remaining directors do not constitute a quorum, to fill vacancies on the board. These provisions of Maryland law, which are applicable even if other provisions of Maryland law or the Charter or Bylaws provide to the contrary, also provide that any director elected to fill a vacancy shall hold office for the remainder of the full term of the class of directors in which the vacancy occurred, rather than the next annual meeting of stockholders as would otherwise be the case, and until his or her successor is elected and qualified. The classification and staggered terms of office of directors make it more difficult for a third party to gain control of a Board of Directors. At least two annual meetings of stockholders, instead of one, generally would be required to affect a change in a majority of the Board of Directors.

Stockholder Requested Special Meetings. Our Bylaws provide that our stockholders have the right to call a special meeting only upon the written request of the stockholders entitled to cast not less than 25% of all the votes entitled to be cast by the stockholders at such meeting. However, we may in the future, elect by resolution of our Board of Directors or an amendment to our Bylaws, to be subject to certain provisions of Maryland law which require that special meetings of stockholders may only be called by the stockholders upon the written request of stockholders entitled to cast at least a majority of all the votes entitled to be cast at the meeting. These provisions of Maryland law, like those referred to above, are applicable even if other provisions of Maryland law or the Charter or Bylaws provide to the contrary.

---

Advance Notice Provisions for Stockholder Nominations and Proposals. Our Bylaws require advance written notice for stockholders to nominate persons for election as directors at, or to bring other business before, any annual meeting of stockholders. These Bylaw provisions limit the ability of stockholders to make nominations of persons for election as directors or to introduce other proposals unless we are notified in a timely manner prior to the meeting. See "Certain Provisions of Maryland Law and of Our Charter and Bylaws – Advance Notice of Director Nominations and New Business."

Preferred Stock. Under our Charter, our Board of Directors has authority to issue Preferred Stock from time to time in one or more series and to establish the terms, preferences and rights of any such series of Preferred Stock, all without approval of our stockholders. The issuance of additional shares of Preferred Stock could adversely impact the voting power of the holders of the Common Stock and could have the effect of delaying or preventing a change in control or other corporate action.

Duties of Directors with Respect to Unsolicited Takeovers. Maryland law provides protection for Maryland corporations against unsolicited takeovers by limiting, among other things, the duties of the directors in unsolicited takeover situations. The duties of directors of Maryland corporations do not require them to (a) accept, recommend or respond to any proposal by a person seeking to acquire control of the corporation, (b) authorize the corporation to redeem any rights under, or modify or render inapplicable, any stockholders rights plan, (c) make a determination under the Maryland Business Combination Act or the Maryland Control Share Acquisition Act, or (d) act or fail to act solely because of the effect of the act or failure to act may have on an acquisition or potential acquisition of control of the corporation or the amount or type of consideration that may be offered or paid to the stockholders in an acquisition. Moreover, under Maryland law the act of directors of a Maryland corporation relating to or affecting an acquisition or potential acquisition of control is not subject to any higher duty or greater scrutiny than is applied to any other act of a director. Maryland law also contains a statutory presumption that an act of a director of a Maryland corporation satisfies the applicable standards of conduct for directors under Maryland law.

Ownership Limit. In order to preserve our status as a REIT under the Code, our Charter generally prohibits any single stockholder from constructively or beneficially owning more than 9.8% of our outstanding Common Stock, or more than 9.8% of the outstanding shares of any class or series of our stock other than our Common Stock, unless and to the extent which our Board of Directors decides to waive or modify this ownership limit with respect to any stockholder.

Maryland Business Combination Act. The Maryland Business Combination Act provides that unless exempted, a Maryland corporation may not engage in business combinations, including mergers, dispositions of 10% or more of its assets, certain issuances of shares of stock and other specified transactions, with an "interested stockholder" or an affiliate of an interested stockholder for five years after the most recent date on which the interested stockholder became an interested stockholder, and thereafter unless specified criteria are met. An interested stockholder is generally a person owning or controlling, directly or indirectly, 10% or more of the voting power of the

outstanding stock of a Maryland corporation. Our Board of Directors has not exempted us from this statute. Consequently, unless our Board of Directors adopts an exemption from this statute in the future, the Maryland Business Combination Act will be applicable to business combinations between our company and other persons. See “Certain Provisions of Maryland Law and of Our Charter and Bylaws – Business Combinations.”

Maryland Control Share Acquisition Act. Maryland law provides that “control shares” of a corporation acquired in a “control share acquisition” shall have no voting rights except to the extent approved by the stockholders by a vote of two-thirds of the votes eligible to be cast on the matter under the Maryland Control Share Acquisition Act. “Control Shares” means shares of stock that, if aggregated with all other shares of stock previously acquired by the acquiror, would entitle the acquiror to exercise voting power in electing directors within one of the following ranges of the voting power: one-tenth or more but less than one-third, one-third or more but less than a majority or a majority or more of all voting power. A “control share acquisition” means the acquisition of control shares, subject to certain exceptions.

If voting rights of control shares acquired in a control share acquisition are not approved at a stockholder’s meeting, then subject to certain conditions and limitations, the issuer may redeem any or all of the control shares for fair value. If voting rights of such control shares are approved at a stockholder’s meeting and the acquiror becomes entitled to vote a majority of the shares of stock entitled to vote, all other stockholders may exercise appraisal rights. See “Certain Provisions of Maryland Law and of Our Charter and Bylaws – Control Share Acquisitions.”

## RATIOS OF EARNINGS TO FIXED CHARGES AND EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS

The following table sets forth our ratios of earnings to fixed charges and earnings to combined fixed charges and Preferred Stock dividends for the periods indicated. The ratio of earnings to fixed charges was computed by dividing earnings by our fixed charges. The ratio of earnings to combined fixed charges and Preferred Stock dividends was computed by dividing earnings by our combined fixed charges and Preferred Stock dividends. For purposes of calculating these ratios, “earnings” includes income from continuing operations before minority interest plus fixed charges. “Fixed charges” consists of interest on all indebtedness and the amortization of debt issue costs.

	Year ended December 31,					Three Months Ended
	2002	2003	2004	2005	2006	March 31, 2007
Consolidated ratio of earnings to fixed charges (unaudited)	1.79	1.89	3.60	6.85	7.17	10.2
Consolidated ratio of earnings to combined fixed charges and Preferred Stock dividends (unaudited)	1.04	1.07	1.50	2.28	2.15	2.43

We issued 3,080,000 shares of 9.5% Series A Cumulative Preferred Stock in March 1997, 2,000,000 shares of 9.0% Series B Cumulative Preferred Stock in December 1997, 2,000,000 shares of 8.5% Series C Cumulative Convertible Preferred Stock in September 1998, 2,200,000 shares of 8.5% Series E Cumulative Convertible Preferred Stock in September 2003 (of which 190,257 were outstanding at March 31, 2007), 4,000,000 shares of 8.0% Series F Cumulative Preferred Stock in February 2004 and an additional 2,640,000 shares of 8.0% Series F Cumulative Preferred Stock in July 2004. In 2003 and 2004 we redeemed all of the outstanding shares of Series A and Series B Cumulative Preferred Stock. Therefore, in computing the ratio of earnings to combined fixed charges and Preferred Stock dividends for periods subsequent to the redemption of our Series A and Series B Cumulative Preferred Stock, Preferred Stock dividends consists of dividends on our 8.5% Series C Cumulative Convertible Preferred Stock, 8.5% Series E Cumulative Convertible Preferred Stock and 8.0% Series F Cumulative Preferred Stock.

## USE OF PROCEEDS

Unless otherwise described in the applicable prospectus supplement, we intend to use the net proceeds from the sale of our securities for general business purposes, which may include, among other things, the repayment of indebtedness, the development and acquisition of additional properties and other acquisition transactions, the expansion and improvement of certain properties in our portfolio and the redemption of our outstanding Preferred Stock in accordance with the terms of the specific security agreement.

## GENERAL DESCRIPTION OF THE OFFERED SECURITIES

We may offer under this prospectus one or more of the following categories of our securities:

- debt securities, in one or more series;
- shares of our Preferred Stock, par value \$0.01 per share, in one or more series;
- shares of our Common Stock, par value \$0.01 per share; and
- units consisting of any combination of the foregoing securities.

The terms of any specific offering of securities, including the terms of any units offered, will be set forth in a prospectus supplement relating to such offering.

Pursuant to our Amended and Restated Articles of Incorporation, as amended and supplemented to date, and referred to in this prospectus as our “Charter,” we are authorized to issue 60,000,000 shares of all classes of stock, each share having a par value of \$0.01 of which 45,000,000 shares are Common Stock and 15,000,000 shares are Preferred Stock. Of our Preferred Stock as of March 31, 2007, we had designated 2,000,000 shares as 8.5% Series C Cumulative Convertible Preferred Stock, (or Series C Preferred Stock) 2,200,000 shares as 8.5% Series E Cumulative Convertible Preferred Stock (or Series E Preferred Stock) and 6,640,000 shares as 8.0% Series F Cumulative Preferred Stock (or Series F Preferred Stock).

As of March 31, 2007, 23,645,942 shares of Common Stock and 2,000,000, 190,257 and 6,640,000 shares of Series C, Series E Preferred Stock and Series F Preferred Stock, respectively, were outstanding.

## SERIES C PREFERRED STOCK

The following summary of the terms and provisions of the Series C Preferred Stock does not purport to be complete and is qualified in its entirety by reference to the pertinent sections in the articles supplementary creating the Series C Preferred Stock, which have been filed with the SEC, and which are available as described below under the heading “Where You Can Find Additional Information”.

**Rank.** The Series C Preferred Stock ranks, with respect to dividend rights and rights upon liquidation, dissolution or winding up, (i) senior to Common Stock, and to all equity securities ranking junior to the Series C Preferred Stock with respect to dividend rights or rights on liquidation, dissolution or winding up of our company; (ii) on parity with our Series E Preferred Stock, the Series F Preferred Stock and all equity securities that may be issued in the future which rank on a parity with the Series C Preferred Stock, and (iii) junior to all of our existing and future indebtedness. The term “equity securities” does not include convertible debt securities, which will rank senior to the Series C Preferred Stock prior to conversion.

**Other terms.** Holders of the Series C Preferred Stock are entitled to receive preferential cumulative cash dividends at the rate of 8.5% per annum of the liquidation preference per share (equivalent to a fixed annual amount of \$1.63625 per share). Dividends are payable quarterly in arrears on each of March 31, June 30, September 30 and December 31. Accrued but unpaid dividends on the Series C Preferred Stock bear interest from the applicable dividend payment date at the prime rate of interest established from time to time in the Wall Street Journal.

Holders of the Series C Preferred Stock are entitled to be paid a liquidation preference of \$19.25 per share, plus dividends, with interest, before any distribution of assets is made to holders of any junior stock as described above in “Rank.”

Except in certain circumstances relating to our maintenance of the ability to qualify as a REIT, the shares of Series C Preferred Stock are not redeemable.

Whenever any dividend payment on any Series C Preferred Stock is in arrears for more than 10 business days after its dividend payment date, the number of directors then constituting the Board of Directors will be increased by two and the two vacancies will be filled by the Series C Preferred Stock holders voting as one class. Such increase and the right to fill such vacancies is separate and apart from and in addition to any increase in the number of directors which the holders of any other class or series of preferred stock may be entitled.

In addition, in the case of a preferred dividend default, the holders of Series C Preferred Stock shall be granted voting rights equivalent to those rights of holders of the Common Stock except that the holders of Series C Preferred Stock will not have the right to vote generally in the election of directors but with respect to the election of directors will only have the voting rights as set forth above to elect Series C Preferred Stock directors. In such case, the voting rights of the holders of the Series C Preferred Stock would be determined on an as converted basis, determined pursuant to the conversion provisions as described below. These voting rights shall continue only during a Series C Preferred Stock dividend default, and all such rights shall immediately terminate at such time as the Series C Preferred Stock dividend default ceases to exist.

The Series C Preferred Stock is convertible in whole or in part, at any time at the option of the holders, into shares of Common Stock at a conversion price of \$19.25 per share, subject to adjustments. At March 31, 2007, there was one stockholder of record of our Series C Preferred Stock. This Series C Preferred stockholder has a separate contractual right, outside of the terms of the Series C Preferred Stock, to receive from us should we offer, issue or sell, or enter into any agreement or commitment to issue or sell any debentures, preferred stock or any other equity security convertible into Common Stock at a conversion price of less than \$19.25 per share (as adjusted for stock splits, combinations and similar events) an offer in writing to sell to this Series C Preferred stockholder, on the same terms and conditions and at the same equivalent price, up to the same aggregate principal amount (or any \$1,000 incremental principal amount thereof) of such securities.

We may issue debt securities from time to time in one or more series. The debt securities may be issued under one or more indentures between us and a specified trustee. The forms of indentures are filed as exhibits to the registration statement of which this prospectus forms a part. The indentures are subject to and governed by the Trust Indenture Act of 1939, as amended. We currently have no debt securities outstanding.

The statements made in this prospectus relating to the indentures and the debt securities to be issued under the indentures are summaries of what we believe to be the material provisions of the indentures and the debt securities to be issued thereunder. The summaries are not complete and are subject to, and are qualified in their entirety by reference to, all of the provisions of the indentures (and any amendments or supplements we may enter into from time to time which are permitted under each indenture) and the debt securities. The specific terms relating to any series of our debt securities that we offer will be described in a prospectus supplement. You should read the applicable prospectus supplement for the terms of the series of debt securities offered. Because the terms of specific series of debt securities offered may differ from the general information that we have provided below, you should rely on information in the applicable prospectus supplement that contradicts any information below.

## GENERAL

The debt securities sold under this prospectus will be our direct obligations, which may be senior or subordinated indebtedness. The indebtedness represented by subordinated securities will be subordinated in right of payment to the prior payment in full of our senior debt. Within the total dollar amount of this shelf registration statement, we may issue the debt securities without limit as to aggregate principal amount, in one or more series, in each case as we establish in one or more supplemental indentures. We need not issue all debt securities of one series at the same time. Unless we otherwise provide, we may reopen a series, without the consent of the holders of the series, for issuances of additional securities of that series.

We may, but need not, designate more than one trustee under an indenture, each with respect to one or more series of debt securities. Any trustee under any indenture may resign or be removed with respect to one or more series of debt securities, and we may appoint a successor trustee to act with respect to that series. The applicable prospectus supplement will describe the specific terms relating to the series of debt securities we will offer, including, where applicable, the following:

- the title and form of the debt securities;
- any limit on the aggregate principal amount of the debt securities or the series of which they are a part;
- the person to whom any interest on a debt security of the series will be paid;
- the date or dates on which we must repay the principal;
- the rate or rates at which the debt securities will bear interest;
- the date or dates from which interest will accrue, and the dates on which we must pay interest;
- the place or places where we must pay the principal and any premium or interest on the debt securities;
- the terms and conditions on which we may redeem any debt security, if at all;
- any obligation to redeem or purchase any debt securities, and the terms and conditions on which we must do so;
- the denominations in which we may issue the debt securities;

15

- 
- the manner in which we will determine the amount of principal of or any premium or interest on the debt securities;
  - the currency in which we will pay the principal of and any premium or interest on the debt securities;
  - the principal amount of the debt securities that we will pay upon declaration of acceleration of their maturity;
  - the amount that will be deemed to be the principal amount for any purpose, including the principal amount that will be due and payable upon any maturity or that will be deemed to be outstanding as of any date;
  - if applicable, that the debt securities are defeasible and the terms of such defeasance;
  - if applicable, the terms of any right to convert debt securities into, or exchange debt securities for, shares of our debt securities, Preferred Stock or Common Stock or other securities or property;
  - whether we will issue the debt securities in the form of one or more global securities and, if so, the respective depositories for the global securities and the terms of the global securities;
  - the subordination provisions that will apply to any subordinated debt securities;
  - any addition to or change in the events of default applicable to the debt securities and any change in the right of the trustee or the holders to declare the principal amount of any of the debt securities due and payable;
  - any addition to or change in the covenants in the indentures; and
  - any other terms of the debt securities not inconsistent with the applicable indentures.

We may issue debt securities at less than the principal amount payable at maturity. We refer to these securities as “original issue discount” securities. If material or applicable, we will describe in the applicable prospectus supplement special US federal income tax, accounting and other considerations applicable to original issue discount securities.

#### DENOMINATIONS, EXCHANGE, REGISTRATION AND TRANSFER

Unless otherwise described in the applicable prospectus supplement, we will issue the debt securities of any series that are registered securities in denominations that are even multiples of \$1,000.

The holder of a debt security may elect, subject to the terms of the indentures and the limitations applicable to global securities, to exchange them for other debt securities of the same series, of any authorized denomination and of similar terms and aggregate principal amount.

Holders of debt securities may present them for exchange as provided above or for registration of transfer, duly endorsed or with the form of transfer duly executed, at the office of the transfer agent we designate for that purpose. We will not impose a service charge for any registration of transfer or exchange of debt securities, but we may require a payment sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange. We will name the transfer agent in the prospectus supplement. We may designate additional transfer agents or rescind the designation of any transfer agent or approve a change in the office through which any transfer agent acts, but we must maintain a transfer agent in each place where we will make payment on debt securities.

16

---

If we redeem the debt securities, we will not be required to issue, register the transfer of or exchange any debt security during a specified period prior to mailing a notice of redemption. We are not required to register the transfer of or exchange of any debt security selected for redemption, except the unredeemed portion of the debt security being redeemed.

#### PAYMENT AND PAYING AGENT

Unless otherwise specified in the applicable prospectus supplement, we will pay the interest, principal and any premium on a debt security to the person in whose name the debt security is registered at the office of our designated paying agent. Unless the prospectus supplement indicates otherwise, the corporate trust office of the trustee will be the paying agent for the debt securities.

Any other paying agents we designate for the debt securities of a particular series will be named in the prospectus supplement. We may designate additional paying agents, rescind the designation of any paying agent or approve a change in the office through which any paying agent acts, but we must maintain a paying agent in each place of payment for the debt securities.

The paying agent will return to us all money we pay to it for the payment of the principal, premium or interest on any debt security that remains unclaimed for a specified period. Thereafter, the holder may look only to us for payment, as an unsecured general creditor.

At our option, however, we may make payment of interest by check mailed to the address of the person entitled to the payment as it appears in the applicable register or by wire transfer of funds to that person at an account maintained within the United States.

If we do not punctually pay or otherwise provide for interest on any interest payment date, the defaulted interest will be paid either:

- to the person in whose name the debt security is registered at the close of business on a special record date the trustee will fix; or
- in any other lawful manner, all as the applicable indenture describes.

#### MERGER, CONSOLIDATION OR SALE OF ASSETS

Under the terms of the indentures, we would be generally permitted to consolidate or merge with another company. We would be also permitted to sell, convey, transfer, lease or otherwise dispose of all or substantially all of our assets to another company. However, we would not be able to take any of these actions unless the following conditions are met:

- if we merge out of existence or sell our assets, the other company must be an entity organized under the laws of one of the states of the United States or the District of Columbia or under United States federal law and must agree to be legally responsible for our debt securities; and
- immediately after the merger, sale of assets or other transaction, we may not be in default on the debt securities.

#### EVENTS OF DEFAULT AND RELATED MATTERS

Each of the following will constitute an event of default under each indenture:

- We do not pay the principal or any premium on a debt security when due, for more than a specified number of days past the due date.
- We do not pay interest on a debt security when due, for more than a specified number of days past the due date.

- 
- We do not deposit any sinking fund payment when due, for more than a specified number of days past the due date.
  - We fail to perform any covenant or agreement in the indenture that continues for a specified number of days after written notice has been given by the trustee or holders of a specified percentage in aggregate principal amount of the debt securities of that series.
  - We file for bankruptcy or certain other events in bankruptcy, insolvency or reorganization occur.
  - Any other event of default described in the applicable prospectus supplement occurs.

If an event of default has occurred and has not been cured, the trustee or the holders of a specified percentage in aggregate principal amount of the outstanding securities of that series may declare the principal amount of the debt securities of that series to be immediately due and payable. At any time after the trustee or the holders have accelerated any series of debt securities, but before a judgment or decree for payment of the money due has been obtained, the holders of at least a majority in principal amount of the debt securities of the affected series may, under certain circumstances, rescind and annul such acceleration.

The trustee will be required to give notice to the holders of debt securities to the extent provided by the Trust Indenture Act of 1939 after a default under the applicable indenture unless the default has been cured or waived. The trustee may withhold notice to the holders of any series of debt securities of any default with respect to that series, except a default in the payment of the principal of or interest on any debt security of that series, if specified responsible officers of the trustee in good faith determine that withholding the notice is in the interest of the holders.

Except in cases of default, where the trustee has some special duties, the trustee would not be required to take any action under the applicable indenture at the request of any holders unless the holders offer the trustee reasonable protection from expenses and liability. We refer to this as an “indemnity.” If reasonable indemnity is provided, the holders of a majority in principal amount of the outstanding securities of the relevant series may direct the time, method and place of conducting any lawsuit or other formal legal action seeking any remedy available to the trustee. These majority holders may also direct the trustee in performing any other action under the applicable indenture, subject to certain limitations.

Before you bypass the trustee and bring your own lawsuit or other formal legal action or take other steps to enforce your rights or protect your interests relating to the debt securities, the following must occur:

- you must give the trustee written notice that an event of default has occurred and remains uncured;

- the holders of at least 25% in principal amount of all outstanding securities of the relevant series must make a written request that the trustee take action because of the default, and must offer reasonable indemnity to the trustee against the cost, expenses and liabilities of taking that action;
- the trustee must have not taken action for 60 days after receipt of the notice and offer of indemnity; and
- no direction inconsistent with such written request has been given to the trustee during such 60-day period by the holders of a majority in principal amount of the debt securities of that series.

However, you would be entitled at any time to bring a lawsuit for the payment of money due on your security after its due date.

Every year we would furnish to the trustee a written statement by certain of our officers certifying that to their knowledge we are in compliance with the indentures and the debt securities, or else specifying any default.

## MODIFICATION AND WAIVER

We and the trustee may change an indenture without the consent of any holders with respect to specific matters, including:

- to fix any ambiguity, defect or inconsistency in the indenture; and
- to change anything that does not materially adversely affect the interests of any holder of debt securities of any series.

In addition, under the indentures, the rights of holders of a series of debt securities may be changed by us and the trustee with the written consent of the holders of at least a majority in aggregate principal amount of the outstanding debt securities of each series that is affected. However, we and the trustee may only make the following changes with the consent of the holder of any outstanding debt securities affected:

- changing the stated maturity of the principal or interest on a debt security;
- reducing the principal amount, reducing the rate of or extending the time of payment of interest, or any premium payable upon the redemption, of any debt securities;
- changing the currency of payment on a debt security;
- impair your right to sue for payment;
- modify the subordination provisions, if any, in a manner that is adverse to you;
- reducing the percentage of debt securities the holders of which are required to consent to any amendment; or
- modify any of the foregoing provisions.

The holders of a majority in principal amount of the outstanding debt securities of any series may waive any past default under the indenture with respect to debt securities of that series, except a default in the payment of principal, premium or interest on any debt security of that series or in respect of a covenant or provision of the indenture that cannot be amended without each holder's consent.

Except in limited circumstances, we may set any day as a record date for the purpose of determining the holders of outstanding debt securities of any series entitled to give or take any direction, notice, consent, waiver or other action under the indentures. In limited circumstances, the trustee may set a record date. To be effective, the action must be taken by holders of the requisite principal amount of such debt securities within a specified period following the record date.

## CERTAIN COVENANTS

The indentures contain certain covenants requiring us to take certain actions and prohibiting us from taking certain actions, including the following:

- we must maintain a paying agent in each place of payment for the debt securities;
- we will do or cause to be done all things necessary to preserve and keep in full force and effect our existence; and
- we will cause all properties used or useful in the conduct of our business to be maintained and kept in good condition.

Any additional or different covenants or modifications to the foregoing covenants with respect to any series of debt securities will be described in the applicable prospectus supplement.

## REDEMPTION

The indentures provide that the debt securities of any series that are redeemable may be redeemed at any time at our option, in whole or in part. Debt securities may also be subject to optional or mandatory redemption on terms and conditions described in the applicable prospectus supplement.

From and after notice has been given as provided in the applicable indenture, if funds for the redemption of any debt securities called for redemption shall have been made available on such redemption date, such debt securities will cease to bear interest on the date fixed for such redemption specified in such notice, and the only right of the holders of the debt securities will be to receive payment of the redemption price.

## DISCHARGE, DEFEASANCE AND COVENANT DEFEASANCE

To the extent stated in the prospectus supplement, we may elect to apply the provisions in the indentures relating to defeasance and discharge of indebtedness, or to defeasance of restrictive covenants, to the debt securities of any series. The indentures provide that, upon satisfaction of the requirements described below, we may terminate all of our obligations under the debt securities of any series and the applicable indenture, known as legal defeasance, other than our obligation:

- to maintain a registrar and paying agents and hold monies for payment in trust;
- to register the transfer or exchange of the debt securities; and
- to replace mutilated, destroyed, lost or stolen debt securities.

In addition, we may terminate our obligation to comply with any restrictive covenants under the debt securities of any series or the applicable indenture, known as covenant defeasance.

We may exercise our legal defeasance option even if we have previously exercised our covenant defeasance option. If we exercise either defeasance option, payment of the debt securities may not be accelerated because of the occurrence of events of default.

To exercise either defeasance option as to debt securities of any series, we must irrevocably deposit in trust with the trustee money and/or obligations backed by the full faith and credit of the United States that will provide money in an amount sufficient in the written opinion of a nationally recognized firm of independent public accountants to pay the principal of, premium, if any, and each installment of interest on the debt securities. We may only establish this trust if, among other things:

- no event of default shall have occurred or be continuing;
- in the case of legal defeasance, we have delivered to the trustee an opinion of counsel to the effect that we have received from, or there has been published by, the Internal Revenue Service a ruling or there has been a change in law, which in the opinion of our counsel, provides that holders of the debt securities will not recognize gain or loss for federal income tax purposes as a result of such deposit, defeasance and discharge and will be subject to federal income tax on the same amount, in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge had not occurred;
- in the case of covenant defeasance, we have delivered to the trustee an opinion of counsel to the effect that the holders of the debt securities will not recognize gain or loss for federal income tax purposes as a result of such deposit and covenant defeasance and will be subject to federal income tax on the same amount, in the same manner and at the same times as would have been the case if such deposit and covenant defeasance had not occurred; and
- we satisfy other customary conditions precedent described in the applicable indenture.

## CONVERSION AND EXCHANGE OF SECURITIES

The terms and conditions, if any, upon which any debt securities are convertible or exchangeable into debt securities, Common Stock, Preferred Stock or other securities or property will be set forth in the applicable prospectus supplement relating thereto. Such terms will include:

- whether such debt securities are convertible or exchangeable into debt securities, Common Stock, Preferred Stock or other securities or property;
- the conversion price (or manner of calculation thereof);
- the conversion period;
- provisions as to whether conversion will be at the option of the holders or us;
- the events requiring an adjustment of the conversion price and provisions affecting conversion in the event of the redemption of such debt securities; and
- any restrictions on conversion, including restrictions directed at maintaining our REIT status.

## SUBORDINATION

The prospectus supplement relating to any offering of subordinated debt securities will describe the specific subordination provisions. However, unless otherwise noted in the prospectus supplement, subordinated debt securities will be subordinate and junior in right of payment to senior indebtedness.

The indebtedness underlying any subordinated debt securities will be payable only if all payments due under our senior indebtedness, as defined in the applicable indenture and any indenture supplement, including any outstanding senior debt securities, have been made. If we distribute our assets to creditors upon any dissolution, winding-up, liquidation or reorganization or in bankruptcy, insolvency, receivership or similar proceedings, we must first pay all amounts due or to become due on all senior indebtedness before we pay the principal of, or any premium or interest on, the subordinated debt securities. In the event the subordinated debt securities are accelerated because of an event of default, we may not make any payment on the subordinated debt securities until we have paid all senior indebtedness or the acceleration is rescinded.

By reason of such subordination, if we experience a bankruptcy, dissolution or reorganization, holders of senior indebtedness may receive more, ratably, and holders of subordinated debt securities may receive less, ratably, than our other creditors. The indenture for subordinated debt securities may not limit our ability to incur additional senior indebtedness.

## GLOBAL SECURITIES

The debt securities may be represented, in whole or in part, by one or more global securities that will have an aggregate principal amount equal to that of all debt securities of that series. Each global security will be registered in the name of a depositary identified in the prospectus supplement. We will deposit the global security with the depositary or a custodian, and the global security will bear a legend regarding the restrictions on exchanges and registration of transfer. The specific material terms of the

depository arrangement with respect to any portion of a series of debt securities to be represented by a global security will be described in the prospectus supplement. We anticipate that the following provisions will apply to all depository arrangements.

Unless and until it is exchanged in whole or in part for debt securities in definitive form, a global security may not be transferred except as a whole by the depository for the global security to a nominee of the depository, or to the depository or to a successor depository, or a nominee of such successor depository.

As long as the depository for a global security, or its nominee, is the registered owner of the global security, the depository or the nominee, as the case may be, will be considered the sole owner or holder of the global security and the underlying debt securities. Except as set forth herein or otherwise provided in the prospectus supplement, owners of beneficial interests in a global security will not be entitled to have the debt securities represented by the global security registered in their names, will not receive physical delivery of the debt securities in definitive form and will not be considered the owners or holders of the global security or the underlying debt securities. We will make all payments of principal, premium and interest on a global security to the depository or its nominee.

Upon the issuance of a global security, the depository for the global security will credit, on its book-entry registration and transfer system, the respective principal amounts of the debt securities represented by the global security to the accounts of persons, or participants, that have accounts with the depository. Ownership of beneficial interests in a global security will be limited to participants or persons that may hold interests through participants. Ownership of beneficial interests in the global security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the depository for the global security, with respect to interests of participants, or by participants or persons that hold through participants, with respect to interests of persons other than participants.

The policies and procedures of the depository may govern payments, transfers, exchanges and others matters relating to beneficial interests in a global security. Neither we, the trustee nor any paying agent for the debt securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the global security or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests.

If the depository for any debt securities represented by a global security is at any time unwilling or unable to continue as depository or the depository is no longer in good standing under the Exchange Act or other applicable statute or regulation and a successor depository is not appointed by us within 90 days, we will issue the debt securities in definitive form in exchange for the global security. In addition, we may at any time and in our sole discretion determine not to have any of the debt securities of a series represented by one or more global securities and, in that event, will issue debt securities of the series in definitive form in exchange for all of the global security or securities representing the debt securities. The depository will determine how all securities issued in exchange for a global security will be registered.

The laws of some states require that certain purchasers of securities take physical delivery of the securities in definitive form. These laws may impair the ability to transfer beneficial interests in debt securities represented by global securities.

## GOVERNING LAW

The indentures and the debt securities will be governed by and construed in accordance with the laws of the State of New York.

## DESCRIPTION OF OUR COMMON STOCK

### GENERAL

The following description of our Common Stock sets forth certain general terms and provisions of the Common Stock to which any prospectus supplement may relate, including a prospectus supplement providing that Common Stock will be issuable upon conversion of our debt securities or our Preferred Stock or upon the exercise of Common Stock warrants issued by us. The statements below describing our Common Stock are in all respects subject to and qualified in their entirety by reference to the applicable provisions of our Charter and Bylaws.

Holders of our Common Stock will be entitled to receive dividends when, as and if authorized by our Board of Directors and declared by us, out of assets legally available therefore. Payment and declaration of dividends on the Common Stock and purchases of shares thereof by us will be subject to certain restrictions if we fail to pay dividends on our Preferred Stock. Upon our liquidation, dissolution or winding up, holders of Common Stock will be entitled to share equally and ratably in any assets available for distribution to them, after payment or provision for payment of our debts and other liabilities and the preferential amounts owing with respect to any of our outstanding Preferred Stock.

Our Common Stock will possess voting rights for the election of directors and in respect of other corporate matters, with each share entitling the holder thereof to one vote. Holders of Common Stock will not have cumulative voting rights in the election of directors, which means that holders of more than 50% of all of the shares of our Common Stock voting for the election of directors will be able to elect all of the directors if they choose to do so and, accordingly, the holders of the remaining shares will be unable to elect any directors. Holders of shares of Common Stock will not have preemptive rights, which mean they have no right to acquire any additional shares of Common Stock that may be issued by us at a subsequent date. Our Common Stock will, when issued, be fully paid and nonassessable and will not be subject to preemptive or similar rights.

Under Maryland law and our Charter, a distribution (whether by dividend, redemption or other acquisition of shares) to holders of shares of our Common Stock may be made only if, after giving effect to the distribution, we are able to pay our indebtedness as it becomes due in the usual course of business and our total assets are greater than our total liabilities plus the

amount necessary to satisfy the preferential rights upon dissolution of stockholders whose preferential rights on dissolution are superior to the holders of our Common Stock and we can pay our debts as they become due. We have complied with these requirements in all of our prior distributions to holders of our Common Stock.

The rights, preferences and privileges of holders of our Common Stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of our Preferred Stock which are outstanding or which we may designate and issue in the future. See “Description of Our Preferred Stock” below, “Series C Preferred Stock” and “Series E Preferred Stock and Series F Preferred Stock” above.

## DESCRIPTION OF OUR PREFERRED STOCK

Under our Charter, our Board of Directors may from time to time establish and issue one or more classes or series of Preferred Stock and fix the designations, powers, preferences and rights of the shares of such classes or series and the qualifications, limitations or restrictions thereon, including, but not limited to, the fixing of the dividend rights, dividend rate or rates, conversion rights, voting rights, rights and terms of redemption (including sinking fund provisions) and the liquidation preferences.

The following description of our Preferred Stock sets forth certain general terms and provisions of our Preferred Stock to which any prospectus supplement may relate. The statements below describing the Preferred Stock are in all respects subject to and qualified in their entirety by reference to the applicable provisions of our Charter (including the applicable articles supplementary) and Bylaws.

### GENERAL

Subject to limitations prescribed by Maryland law and our Charter, our Board of Directors is authorized to fix the number of shares constituting each class or series of Preferred Stock and the designations and powers, preferences and relative, participating, optional or other special rights and qualifications, limitations or restrictions thereof, including those provisions as may be desired concerning voting, redemption, dividends, dissolution or the distribution of assets, conversion or exchange, and those other subjects or matters as may be fixed by resolution of our Board of Directors or duly authorized committee thereof. Our Preferred Stock will, when issued, be fully paid and non-assessable and will not have, or be subject to, any preemptive or similar rights.

You should refer to the prospectus supplement relating to the class or series of Preferred Stock offered thereby for specific terms, including:

- (1) The class or series, title and stated value of that Preferred Stock;
- (2) The number of shares of that Preferred Stock offered, the liquidation preference per share and the offering price of that Preferred Stock;
- (3) The dividend rate(s), period(s) and/or payment date(s) or method(s) of calculation thereof applicable to that Preferred Stock;
- (4) Whether dividends on that Preferred Stock shall be cumulative or not and, if cumulative, the date from which dividends on that Preferred Stock shall accumulate;
- (5) The procedures for any auction and remarketing, if any, for that Preferred Stock;
- (6) Provisions for a sinking fund, if any, for that Preferred Stock;
- (7) Provisions for redemption, if applicable, of that Preferred Stock;
- (8) Any listing of that Preferred Stock on any securities exchange;
- (9) The terms and conditions, if applicable, upon which that Preferred Stock will be convertible into our Common Stock, including the conversion price (or manner of calculation thereof);
- (10) Any voting rights;
- (11) The relative ranking and preference of the Preferred Stock as to distribution rights and rights upon our liquidation, dissolution or winding up if other than as described in this prospectus;

- 
- (12) Any limitations on issuance of any other series of Preferred Stock ranking senior to or on a parity with the Preferred Stock as to distribution rights and rights upon our liquidation, dissolution or winding up;
  - (13) A discussion of certain federal income tax considerations applicable to that Preferred Stock;
  - (14) Any limitations on actual, beneficial or constructive ownership and restrictions on transfer of that Preferred Stock and, if convertible, the related Common Stock, in each case as may be appropriate to preserve our status as a REIT; and
  - (15) Any other material terms, preferences, rights, limitations or restrictions of that Preferred Stock.

### RANK

Unless otherwise specified in the applicable prospectus supplement, the Preferred Stock will, with respect to rights to the payment of dividends and distribution of our assets and rights upon our liquidation, dissolution or winding up, rank:

- (1) Senior to all classes or series of our Common Stock and excess stock and to all of our equity securities the terms of which provide that those equity securities are junior to the Preferred Stock;
- (2) On a parity with all of our equity securities other than those referred to in clauses (1) and (3); and
- (3) Junior to all of our equity securities the terms of which provide that those equity securities will rank senior to it.

For these purposes, the term “equity securities” does not include convertible debt securities.

## DIVIDENDS

Holders of shares of our Preferred Stock of each class or series shall be entitled to receive, when, as and if authorized by our Board of Directors and declared by us, out of our assets legally available for payment, cash dividends at rates and on dates as will be set forth in the applicable prospectus supplement. Each dividend shall be payable to holders of record as they appear on our stock transfer books on the record dates as shall be fixed by our Board of Directors.

Dividends on any class or series of our Preferred Stock may be cumulative or non-cumulative, as provided in the applicable prospectus supplement. Dividends, if cumulative, will accumulate from and after the date set forth in the applicable prospectus supplement. If our Board of Directors fails to authorize a dividend payable on a dividend payment date on any class or series of our Preferred Stock for which dividends are non-cumulative, then the holders of that class or series of our Preferred Stock will have no right to receive a dividend in respect of the dividend period ending on that dividend payment date, and we will have no obligation to pay the dividend accrued for that period, whether or not dividends on that class or series are declared payable on any future dividend payment date.

Unless otherwise specified in the applicable prospectus supplement, if any shares of our Preferred Stock of any class or series are outstanding, no full dividends shall be authorized or paid or set apart for payment on our Preferred Stock of any other class or series ranking, as to dividends, on a parity with or junior to the Preferred Stock of that class or series for any period unless:

- (1) if that class or series of Preferred Stock has a cumulative dividend, full cumulative dividends have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set apart for that payment on the Preferred Stock of that class or series for all past dividend periods, or
- (2) If that class or series of Preferred Stock does not have a cumulative dividend, full dividends for the then current dividend period have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set apart for that payment on the Preferred Stock of that class or series.

Unless otherwise specified in the applicable prospectus supplement, when dividends are not paid in full (or a sum sufficient for their full payment is not so set apart) upon the shares of Preferred Stock of any class or series and the shares of any other class or series of Preferred Stock ranking on a parity as to dividends with the Preferred Stock of that class or series, all dividends declared upon shares of Preferred Stock of that class or series and any other class or series of Preferred Stock ranking on a parity as to dividends with that Preferred Stock shall be authorized pro rata so that the amount of dividends authorized per share on the Preferred Stock of that class or series and that other class or series of Preferred Stock shall in all cases bear to each other the same ratio that accrued and unpaid dividends per share on the shares of Preferred Stock of that

---

class or series (which shall not include any accumulation in respect of unpaid dividends for prior dividend periods if that Preferred Stock does not have a cumulative dividend) and that other class or series of Preferred Stock bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on Preferred Stock of that series that may be in arrears.

Except as provided in the immediately preceding paragraph or as otherwise provided in the applicable prospectus supplement, unless: (1) if that class or series of Preferred Stock has a cumulative dividend, full cumulative dividends on the Preferred Stock of that class or series have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set apart for payment for all past dividend periods and the then current dividend period; and (2) if that class or series of Preferred Stock does not have a cumulative dividend, full dividends on the Preferred Stock of that class or series have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set aside for payment for the then current dividend period, then no dividends (other than in our Common Stock or other stock ranking junior to the Preferred Stock of that class or series as to dividends and upon our liquidation, dissolution or winding up) shall be authorized or paid or set aside for payment or other distribution shall be authorized or made upon our Common Stock, excess stock or any of our other stock ranking junior to or on a parity with the Preferred Stock of that class or series as to dividends or upon liquidation, nor shall any Common Stock, excess stock or any of our other stock ranking junior to or on a parity with the Preferred Stock of such class or series as to dividends or upon our liquidation, dissolution or winding up be redeemed, purchased or otherwise acquired for any consideration (or any moneys be paid to or made available for a sinking fund for the redemption of any shares of that stock) by us (except by conversion into or exchange for other of our stock ranking junior to the Preferred Stock of that class or series as to dividends and upon our liquidation, dissolution or winding up).

Any dividend payment made on shares of a class or series of Preferred Stock shall first be credited against the earliest accrued but unpaid dividend due with respect to shares of that class or series which remains payable.

## REDEMPTION

If the applicable prospectus supplements so states, the shares of Preferred Stock will be subject to mandatory redemption or redemption at our option, in whole or in part, in each case on the terms, at the times and at the redemption prices set forth in that prospectus supplement.

The prospectus supplement relating to a class or series of Preferred Stock that is subject to mandatory redemption will specify the number of shares of that Preferred Stock that shall be redeemed by us in each year commencing after a date to be specified, at a redemption price per share to be specified, together with an amount equal to all accrued and unpaid dividends thereon (which shall not, if that Preferred Stock does not have a cumulative dividend, include any accumulation in respect of unpaid dividends for prior dividend periods) to the date of redemption. The redemption price may be payable in cash or other property, as specified in the applicable prospectus supplement. If the redemption price for Preferred Stock of any series is payable only from the net proceeds of the issuance of our stock, the terms of that Preferred Stock may provide that, if no such stock shall have been issued or to the extent the net proceeds from any issuance are insufficient to pay in full the aggregate redemption price then due, that Preferred Stock shall automatically and mandatorily be converted into shares of our applicable stock pursuant to conversion provisions specified in the applicable prospectus supplement.

Notwithstanding the foregoing and except as otherwise specified in the applicable prospectus supplement, unless:

- (1) if that class or series of Preferred Stock has a cumulative dividend, full cumulative dividends on all shares of any class or series of Preferred Stock shall have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set apart for payment for all past dividend periods; and
- (2) if that class or series of Preferred Stock does not have a cumulative dividend, full dividends on the Preferred Stock of any class or series have been or contemporaneously are authorized and paid or authorized and a sum sufficient for the payment thereof set apart for payment for the then current dividend period;

no shares of any class or series of Preferred Stock shall be redeemed unless all outstanding shares of Preferred Stock of that class or series are simultaneously redeemed; provided, however, that the foregoing shall not prevent the purchase or acquisition of shares of Preferred Stock of that class or series pursuant to a purchase or exchange offer

made on the same terms to holders of all outstanding shares of Preferred Stock of that class or series.

If fewer than all of the outstanding shares of Preferred Stock of any class or series are to be redeemed, the number of shares to be redeemed will be determined by us and those shares may be redeemed pro rata from the holders of record of those shares in proportion to the number of those shares held by those holders (with adjustments to avoid redemption of fractional shares) or any other equitable method determined by us that will not result in the issuance of any excess Preferred Stock.

---

Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each holder of record of a share of Preferred Stock of any class or series to be redeemed at the address shown on our stock transfer books. Each notice shall state:

- (1) the redemption date;
- (2) the number of shares and class or series of the Preferred Stock to be redeemed;
- (3) the redemption price;
- (4) the place or places where certificates for that Preferred Stock are to be surrendered for payment of the redemption price;
- (5) that dividends on the shares to be redeemed will cease to accrue on that redemption date; and
- (6) the date upon which the holder's conversion rights, if any, as to those shares shall terminate.

If fewer than all the shares of Preferred Stock of any class or series are to be redeemed, the notice mailed to each holder thereof shall also specify the number of shares of Preferred Stock to be redeemed from each holder. If notice of redemption of any shares of Preferred Stock has been given and if the funds necessary for that redemption have been set apart by us in trust for the benefit of the holders of any shares of Preferred Stock so called for redemption, then from and after the redemption date dividends will cease to accrue on those shares of Preferred Stock, those shares of Preferred Stock shall no longer be deemed outstanding and all rights of the holders of those shares will terminate, except the right to receive the redemption price.

#### LIQUIDATION PREFERENCE

Upon our voluntary or involuntary liquidation, dissolution or winding up, then, before any distribution or payment shall be made to the holders of any Common Stock, excess stock or any other class or series of our stock ranking junior to that class or series of Preferred Stock in the distribution of assets upon our liquidation, dissolution or winding up, the holders of each class or series of Preferred Stock shall be entitled to receive out of our assets legally available for distribution to stockholders liquidating distributions in the amount of the liquidation preference per share (set forth in the applicable prospectus supplement), plus an amount equal to all dividends accrued and unpaid thereon (which shall not include any accumulation in respect of unpaid dividends for prior dividend periods if that class or series of Preferred Stock does not have a cumulative dividend). After payment of the full amount of the liquidating distributions to which they are entitled, the holders of that class or series of Preferred Stock will have no right or claim to any of our remaining assets. If, upon our voluntary or involuntary liquidation, dissolution or winding up, our legally available assets are insufficient to pay the amount of the liquidating distributions on all outstanding shares of that class or series of Preferred Stock and the corresponding amounts payable on all shares of other classes or series of our stock ranking on a parity with that class or series of Preferred Stock in the distribution of assets upon our liquidation, dissolution or winding up, then the holders of that class or series of Preferred Stock and all other classes or series of stock shall share ratably in that distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

If liquidating distributions shall have been made in full to all holders of shares of that class or series of Preferred Stock, our remaining assets shall be distributed among the holders of any other classes or series of stock ranking junior to that class or series of Preferred Stock upon our liquidation, dissolution or winding up, according to their respective rights and preferences and in each case according to their respective number of shares. For those purposes, neither our consolidation nor merger with or into any other corporation, trust or other entity nor the sale, lease, transfer or conveyance of all or substantially all of our property or business shall be deemed to constitute our liquidation, dissolution or winding up.

#### VOTING RIGHTS

Except as set forth below or as otherwise indicated in the applicable prospectus supplement, holders of Preferred Stock will not have any voting rights.

Whenever dividends on any shares of that class or series of Preferred Stock shall be in arrears for 18 months or six or more quarterly periods, the holders of those shares of that class or series of Preferred Stock (voting separately as a class with all other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable) will be entitled to vote for the election of two additional directors to our Board of Directors (and our entire Board of Directors will be increased by two directors) at a special meeting called by one of our officers at the request of a holder of that class or series of Preferred Stock or, if that special meeting is not called by that officer within 30 days, at a special meeting called by

---

a holder of that class or series of Preferred Stock designated by the holders of record of at least 10% of the shares of any of those classes or series of Preferred Stock (unless that request is received less than 90 days before the date fixed for the next annual or special meeting of the stockholders), or at the next annual meeting of stockholders, and at each subsequent annual meeting until:

- (1) if that class or series of Preferred Stock has a cumulative dividend, then all dividends accumulated on those shares of Preferred Stock for the past dividend periods and the then current dividend period shall have been fully paid or declared and a sum sufficient for the payment thereof set apart for payment, or
- (2) if that class or series of Preferred Stock does not have a cumulative dividend, then four consecutive quarterly periods of dividends shall have been fully paid or declared and a sum sufficient for the payment thereof set apart for payment.

Unless provided otherwise for any series of Preferred Stock, so long as any shares of Preferred Stock remain outstanding, we shall not, without the affirmative vote or consent of the holders of at least two-thirds of the shares of each class or series of Preferred Stock outstanding at the time, given in person or by proxy, either in writing or at a

meeting (that class or series voting separately as a class),

- (1) authorize or create, or increase the authorized or issued amount of, any class or series of stock ranking senior to that class or series of Preferred Stock with respect to payment of dividends or the distribution of assets upon our liquidation, dissolution or winding up or reclassify any of our authorized stock into those shares, or create, authorize or issue any obligation or security convertible into or evidencing the right to purchase those shares; or
- (2) amend, alter or repeal the provisions of the Charter in respect of that class or series of Preferred Stock, whether by merger, consolidation or otherwise, so as to materially and adversely affect any right, preference, privilege or voting power of that class or series of Preferred Stock; provided, however, that with respect to the occurrence of a merger, consolidation or other event, whereby shares of any class or series of Preferred Stock (or any equivalent class or series of stock issued by the surviving corporation in any merger or consolidation to which our company becomes a party), remain outstanding with the terms applicable to that class or series of Preferred Stock materially unchanged, the occurrence of any such merger, consolidation, or other event shall not be deemed to materially and adversely affect the rights, preferences, privileges or voting power of the holders of such class or series of Preferred Stock, and provided, further that any increase in the amount of the authorized Preferred Stock or the creation or issuance of any other class or series of Preferred Stock, or any increase in the number of authorized shares of that class or series, in each case ranking on a parity with or junior to the Preferred Stock of that class or series with respect to payment of dividends and the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect those rights, preferences, privileges or voting powers.

The foregoing voting provisions will not apply if, at or prior to the time when the act with respect to which that vote would otherwise be required shall be effected, all outstanding shares of that class or series of Preferred Stock shall have been redeemed or called for redemption upon proper notice and sufficient funds shall have been irrevocably deposited in trust to effect that redemption.

#### CONVERSION RIGHTS

The terms and conditions, if any, upon which shares of any class or series of Preferred Stock are convertible into Common Stock, debt securities or another series of Preferred Stock will be set forth in the applicable prospectus supplement relating thereto. Such terms will include the number of shares of Common Stock or those other series of Preferred Stock or the principal amount of debt securities into which the Preferred Stock is convertible, the conversion price (or manner of calculation thereof), the conversion period, provisions as to whether conversion will be at our option or at the option of the holders of that class or series of Preferred Stock, the events requiring an adjustment of the conversion price and provisions affecting conversion in the event of the redemption of that class or series of Preferred Stock.

#### RESTRICTIONS ON OWNERSHIP AND TRANSFER

In addition to other qualifications, for us to qualify as a REIT, (1) not more than 50% in value of our outstanding capital stock may be owned, actually or constructively, by five or fewer individuals during the last half of our taxable year, and (2) such capital stock must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year.

---

To ensure that we continue to meet the requirements for qualification as a REIT, our Charter, subject to some exceptions, provides that no holder may own, or be deemed to own by virtue of the attribution provisions of the Code, shares of any class or series of our capital stock in excess of 9.8% (ownership limit) of the number of then outstanding shares of any class or series of our capital stock. Our Board of Directors may waive the ownership limit with respect to a stockholder if evidence satisfactory to the Board of Directors and our tax counsel is presented that the changes in ownership will not then or in the future jeopardize our status as a REIT. Any transfer of capital stock or any security convertible into capital stock that would result in actual or constructive ownership of capital stock by a stockholder in excess of the ownership limit or that would result in our failure to meet the requirements for qualification as a REIT, including any transfer that results in the capital stock being owned by fewer than 100 persons or results in our company being “closely held” within the meaning of section 856(h) of the Code, notwithstanding any provisions of our Charter to the contrary, will be null and void, and the intended transferee will acquire no rights to the capital stock. The foregoing restrictions on transferability and ownership will not apply if the Board of Directors determines that it is no longer in our best interest to attempt to qualify, or to continue to qualify, as a REIT.

Any shares of our capital stock held by a stockholder in excess of the applicable ownership limit become “Excess Shares”. Upon shares of any class or series of capital stock becoming Excess Shares, such shares will be deemed automatically to have been converted into a class separate and distinct from their original class and from any other class of Excess Shares. Upon any outstanding Excess Shares ceasing to be Excess Shares, such shares will be automatically reconverted back into shares of their original class or series of capital stock.

The holder of Excess Shares will not be entitled to vote the Excess Shares nor will such Excess Shares be considered issued and outstanding for purposes of any stockholder vote or the determination of a quorum for such vote. The Board of Directors, in its sole discretion, may choose to accumulate all distributions and dividends payable upon the Excess Shares of any particular holder in a non-interest bearing escrow account payable to the holder of the Excess Shares upon such Excess Shares ceasing to be Excess Shares.

In addition, we will have the right to redeem all or any portion of the Excess Shares from the holder at the redemption price, which will be the average market price (as determined in the manner set forth in the Charter) of the capital stock for the prior 30 days from the date we give notice of our intent to redeem such Excess Shares, or as determined by the Board of Directors in good faith. The redemption price will only be payable upon the liquidation of our company and will not exceed the sum of the per share distributions designated as liquidating distributions declared subsequent to the redemption date with respect to unredeemed shares of record of the class from which such Excess Shares were converted. We will rescind the redemption of the Excess Shares in the event that within 30 days of the redemption date, due to a sale of shares by the holder, such holder would not be the holder of Excess Shares, unless such rescission would jeopardize our tax status as a REIT or would be unlawful in any regard.

Each stockholder will upon demand be required to disclose to us in writing any information with respect to the actual and constructive ownership of shares of our capital stock as our Board of Directors deems necessary to comply with the provisions of the Code applicable to REITs, to comply with the requirements of any taxing authority or governmental agency or to determine any such compliance.

The ownership limit may have the effect of precluding the acquisition of control of our company unless the Board of Directors determines that maintenance of REIT status is no longer in our best interests.

#### CERTAIN PROVISIONS OF MARYLAND LAW AND OF OUR CHARTER AND BYLAWS

The following description of certain provisions of Maryland law and of our Charter and Bylaws is only a summary. For a complete description, we refer you to Maryland law, our Charter and our Bylaws. We have incorporated by reference our Charter and Bylaws as exhibits to the registration statement of which this prospectus is a part.

Our Bylaws provide that the number of our directors shall be six unless a majority of the members of our Board of Directors establishes some other number not less than three and not more than nine. Our Board of Directors is currently comprised of five directors. Our Bylaws also provide, that notwithstanding the preceding sentence, upon the occurrence of a default in the payment of dividends on any class or series of our Preferred Stock, or any other event, which would entitle the holders of any class or series of our Preferred Stock to elect additional directors to our Board of Directors, the number of our directors will thereupon be increased by the number of additional directors to be elected by the holders of such class or series of our Preferred Stock (even if the resulting number of directors is more than nine), and such increase in the number of directors shall remain in effect for so long as the holders of such class or series of our Preferred Stock are entitled to elect such additional directors.

---

Our Bylaws provide that a vacancy on our Board of Directors which arises through the death, resignation or removal of a director or as a result of an increase by our Board of Directors in the number of directors may be filled by the vote of a majority of the remaining directors even if such majority is less than a quorum, and a director so elected by our Board of Directors to fill a vacancy shall serve until the next annual meeting of our stockholders and until his successor shall be duly elected and qualified. Our stockholders may elect a successor to fill a vacancy on our Board of Directors which results from the removal of a director.

#### REMOVAL OF DIRECTORS

Under Maryland law, our stockholders may remove any director, with or without cause, by the affirmative vote of a majority of all the votes entitled to be cast generally for the election of our directors except in certain circumstances specified in the statute which do not apply.

#### BUSINESS COMBINATIONS

Under Maryland law, “business combinations” between a Maryland corporation and an interested stockholder or an affiliate of an interested stockholder are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder. These business combinations generally include mergers, consolidations, share exchanges, or, in circumstances specified in the statute, asset transfers, issuances or reclassifications of equity securities, or, the adoption of certain plans of liquidation or dissolution. An interested stockholder is defined as:

- any person who beneficially owns directly or indirectly ten percent or more of the voting power of the corporation’s shares; or
- an affiliate or associate of the corporation who, at any time within the two-year period prior to the date in question, was the beneficial owner of ten percent or more of the voting power of the then outstanding voting stock of the corporation.

A person is not an interested stockholder under the statute if the Board of Directors approved in advance the transaction by which such person otherwise would have become an interested stockholder. In approving such a transaction, however, the Board of Directors may provide that its approval is subject to compliance, at or after the time of approval, with any terms and conditions determined by the board.

After the five-year prohibition, any business combination between the Maryland corporation and an interested stockholder or an affiliate of an interested stockholder generally must be recommended by the Board of Directors of the corporation and approved by the affirmative vote of at least:

- 80% of the votes entitled to be cast by holders of outstanding shares of voting stock of the corporation, voting together as a single voting group; and
- two-thirds of the votes entitled to be cast by holders of voting stock of the corporation other than voting stock held by the interested stockholder with whom or with whose affiliate the business combination is to be effected or held by an affiliate or associate of the interested stockholder.

These super-majority vote requirements do not apply if the corporation’s common stockholders receive a minimum price, as defined under Maryland law, for their shares in the form of cash or other consideration in the same form as previously paid by the interested stockholder for its shares.

The statute permits various exemptions from its provisions, including business combinations that are exempted by the Board of Directors before the time that the interested stockholder becomes an interested stockholder.

The business combination statute may discourage others from trying to acquire control of us and increase the difficulty of consummating any offer.

#### CONTROL SHARE ACQUISITIONS

Maryland law provides that control shares of a Maryland corporation acquired in a control share acquisition have no voting rights except to the extent approved by a vote of two-thirds of the votes entitled to be cast on the matter. Shares owned by the acquiror, by officers or by directors who are employees of the corporation are excluded from shares entitled to vote on the matter. Control shares are voting shares of stock which, if aggregated with all other shares of stock owned by the acquiror or in respect of which the acquiror is able to exercise or direct the exercise of voting power (except solely by virtue

---

of a revocable proxy), would entitle the acquiror to exercise voting power in electing directors within one of the following ranges of voting power:

- one-tenth or more but less than one-third,
- one-third or more but less than a majority, or
- a majority or more of all voting power.

Control shares do not include shares the acquiring person is then entitled to vote as a result of having previously obtained stockholder approval. A control share acquisition means the acquisition of control shares, subject to certain exceptions.

A person who has made or proposes to make a control share acquisition may compel the board of directors, upon satisfaction of certain conditions, including the delivery of an acquiring person statement containing certain required information and the delivery of an undertaking to pay certain expenses, by written request made at the time of delivery of such acquiring person statement, to call a special meeting of stockholders to be held within 50 days after receiving both the request and undertaking to consider the voting rights of the shares. If no request for a meeting is made, the corporation may itself present the question at any stockholders meeting.

If voting rights are not approved at the meeting or if the acquiring person does not deliver an acquiring person statement as required by the statute, then the corporation may redeem for fair value any or all of the control shares, except those for which voting rights have previously been approved. The right of the corporation to redeem control shares is subject to certain conditions and limitations. Fair value is determined, without regard to the absence of voting rights for the control shares, as of the date of the last control share acquisition by the acquiror or of any meeting of stockholders at which the voting rights of the shares are considered and not approved. If voting rights for control shares are approved at a stockholders meeting and the acquiror becomes entitled to vote a majority of the shares entitled to vote, all other stockholders may exercise appraisal rights. The fair value of the shares as determined for purposes of appraisal rights may not be less than the highest price per share paid by the acquiror in the control share acquisition.

The control share acquisition statute does not apply (a) to shares acquired in a merger, consolidation or share exchange if the corporation is a party to the transaction, or (b) to acquisitions approved or exempted by the Charter or Bylaws of the corporation. Neither our Charter nor our Bylaws provide for any such exemptions.

#### AMENDMENT TO THE CHARTER

Subject to the provisions of any class or series of our capital stock at the time outstanding, any amendment to our Charter must be approved by our stockholders by the affirmative vote of not less than two thirds of all of the votes entitled to be cast on the matter.

#### DISSOLUTION

The dissolution of our company must be approved by our stockholders by the affirmative vote of not less than two thirds of all of the votes entitled to be cast on the matter.

#### ADVANCE NOTICE OF DIRECTOR NOMINATIONS AND NEW BUSINESS

Our Bylaws provide that with respect to an annual meeting of stockholders, nominations of persons for election to the Board of Directors and the proposal of business to be considered by stockholders may be made only (i) by, or at the direction of, a majority of the Board of Directors or a duly authorized committee thereof or (ii) by any holder of record (both as of the time notice of such nomination or matter is given by the stockholder as set forth in our Bylaws and as of the record date for the annual meeting in question) of any shares of our capital stock entitled to vote at such annual meeting who complies with the advance notice procedures set forth in our Bylaws. Pursuant to our Bylaws, nominations of persons for election as directors and other stockholder proposals shall be made pursuant to timely notice in writing to the secretary of our company. To be timely, a stockholder's notice shall be delivered to, or mailed and received at, the principal executive offices of our company not less than 60 days nor more than 150 days prior to the anniversary of the last annual meeting of stockholders. Any stockholder who seeks to make such a nomination or to bring any matter before an annual meeting, or his representative, must be present in person at the annual meeting.

---

#### ANTI-TAKEOVER EFFECT OF CERTAIN PROVISIONS OF MARYLAND LAW AND OF THE CHARTER AND BYLAWS

The business combination provisions and the control share acquisition provisions of Maryland law, the advance notice provisions of our Bylaws and certain other provisions of Maryland law and our Charter and Bylaws could delay, defer or prevent a transaction or a change in control of our company that might involve a premium price for holders of our Common Stock or otherwise be in their best interest. See "Risk Factors — Certain Provisions of Maryland Law and our Charter and Bylaws Could Hinder, Delay Or Prevent Changes in Control."

## Taxation of a REIT

We have elected to be taxed as a REIT under Sections 856 through 860 of the Code. We believe that we have been organized and have operated in such a manner as to qualify for taxation as a REIT under the Code commencing with our taxable year ending December 31, 1992. We intend to continue to operate in such a manner, but there is no assurance that we have operated or will continue to operate in a manner so as to qualify or remain qualified.

As a condition to the closing of each offering of any securities specified in any prospectus supplement, our tax counsel will render an opinion to the underwriters of that offering to the effect that, commencing with our taxable year beginning January 1, 1992, we have been organized in conformity with the requirements for qualification as a REIT, and our method of operation will enable us to meet the requirements for continued qualification and taxation as a REIT under the Code. It must be emphasized that this opinion will be based on various factual assumptions relating to our organization and operation, and is conditioned upon certain representations which will be made by us as to factual matters. Our tax counsel will have no obligation to update its opinion subsequent to its date. In addition, this opinion will be based upon our factual representations concerning our business and properties as set forth in this prospectus and any applicable prospectus

supplement. Moreover, our qualification and taxation as a REIT depends upon our ability to meet, through actual annual operating results, distribution levels, diversity of share ownership and the various qualification tests imposed under the Code, the results of which have not been and will not be reviewed by our tax counsel. Accordingly, no assurance can be given that our actual results of operation for any particular taxable year will satisfy such requirements. Further, the anticipated income tax treatment as discussed in our annual report on Form 10-K for the year ended December 31, 2006 and this prospectus may be changed, perhaps retroactively, by legislative or administrative action at any time.

If we continue to qualify for taxation as a REIT, we generally will not be subject to federal corporate income taxes on our net income that is currently distributed to our stockholders. This treatment substantially eliminates the “double taxation” (once at the corporate level when earned and once at stockholder level when distributed) that generally results from investment in a non-REIT corporation.

However, we will be subject to federal income tax as follows:

First, we will be taxed at regular corporate rates on any undistributed taxable income, including undistributed net capital gains.

Second, under certain circumstances, we may be subject to the alternative minimum tax, if our dividend distributions are less than our alternative minimum taxable income.

Third, if we have (i) net income from the sale or other disposition of foreclosure property which is held primarily for sale to customers in the ordinary course of business or (ii) other non-qualifying income from foreclosure property, we may elect to be subject to tax at the highest corporate rate on such income, if necessary to maintain our REIT status.

Fourth, if we have net income from prohibited transactions (which are, in general, certain sales or other dispositions of property (other than foreclosure property) held primarily for sale to customers in the ordinary course of business), such income will be subject to a 100% tax.

Fifth, if we fail to satisfy the 75% gross income test or the 95% gross income test (as discussed below), but nonetheless maintain our qualification as a REIT because certain other requirements have been met, we will be subject to a 100% tax on an amount equal to (a) the gross income attributable to the greater of the amount by which we fail the 75% or 95% test multiplied by (b) a fraction intended to reflect our profitability.

Sixth, if we fail to distribute during each calendar year at least the sum of (i) 85% of our ordinary income for such year, (ii) 95% of our REIT capital gain net income for such year, and (iii) any undistributed taxable income from prior periods, we will be subject to a 4% excise tax on the excess of such required distribution over the amounts actually distributed.

Seventh, if we acquire an asset which meets the definition of a built-in gain asset from a corporation which is or has been a C corporation (i.e., generally a corporation subject to full corporate-level tax) in certain transactions in which the basis of the built-in gain asset in our hands is determined by reference to the basis of the asset in the hands of the C corporation, and if we subsequently recognize gain on the disposition of such asset during the ten-year period, called the recognition period, beginning on the date on which we acquired the asset, then, to the extent of the built-in gain (i.e., the excess of (a) the fair market value of such asset over (b) our adjusted basis in such asset, both determined as of the beginning of the recognition period), such gain will be subject to tax at the highest regular corporate tax rate, pursuant to IRS regulations.

Eighth, if we have taxable REIT subsidiaries, we will also be subject to a tax of 100% on the amount of any rents from real property, deductions or excess interest paid to us by any of our taxable REIT subsidiaries that would be reduced through reapportionment under certain federal income tax principles in order to more clearly reflect income for the taxable REIT subsidiary.

Requirements for Qualification. The Code defines a REIT as a corporation, trust or association:

- (1) which is managed by one or more trustees or directors;
- (2) the beneficial ownership of which is evidenced by transferable shares, or by transferable certificates of beneficial interest;
- (3) which would be taxable, but for Sections 856 through 860 of the Code, as a domestic corporation;
- (4) which is neither a financial institution; nor, an insurance company subject to certain provisions of the Code;
- (5) the beneficial ownership of which is held by 100 or more persons;
- (6) during the last half of each taxable year not more than 50% in value of the outstanding stock of which is owned, actually or constructively, by five or fewer individuals (including specified entities); and

- (7) which meets certain other tests, described below, regarding the amount of its distributions and the nature of its income and assets.

The Code provides that conditions (1) to (4), inclusive, must be met during the entire taxable year and that condition (5) must be met during at least 335 days of a taxable year of 12 months, or during a proportionate part of a taxable year of less than 12 months. For purposes of conditions (5) and (6), pension funds and certain other tax-exempt entities are treated as individuals, subject to a “look-through” exception in the case of condition (6). Pursuant to applicable Treasury Regulations, in order to be able to elect to be taxed as a REIT, we must maintain certain records and request certain information from our stockholders designed to disclose the actual ownership of our stock. Based on publicly available information, we believe we have satisfied the share ownership requirements set forth in (5) and (6) above. In addition, Sections 9.2 and 9.3 of our Charter provides for restrictions regarding transfer and ownership of shares. These restrictions are intended to assist us in continuing to satisfy the share ownership requirements described in (5) and (6) above. These restrictions, however, may not ensure that we will, in all cases, be able to satisfy the share ownership requirements described in (5) and (6) above.

We have complied with, and will continue to comply with, regulatory rules to send annual letters to certain of our stockholders requesting information regarding the actual ownership of our stock. If despite sending the annual letters, we do not know, or after exercising reasonable diligence would not have known, whether we failed to meet the Five or Fewer Requirement, we will be treated as having met the Five or Fewer Requirement. If we fail to comply with these regulatory rules, we will be subject to a monetary penalty. If our failure to comply was due to intentional disregard of the requirement, the penalty would be increased. However, if our failure to comply was due to reasonable cause and not willful neglect, no penalty would be imposed.

**Income Tests.** There presently are two gross income requirements that we must satisfy to qualify as a REIT:

- First, at least 75% of our gross income (excluding gross income from “prohibited transactions,” as defined below) for each taxable year must be derived directly or indirectly from investments relating to real property or mortgages on real property, including rents from real property, or from certain types of temporary investment income.
- Second, at least 95% of our gross income for each taxable year must be directly or indirectly derived from income that qualifies under the 75% test or from dividends (including dividends from taxable REIT subsidiaries), interest and gain from the sale or other disposition of stock or securities and payments to us under an interest rate swap, cap agreement, option, futures contract, forward rate agreement or any similar financial instrument entered into by us to hedge indebtedness incurred or to be incurred.

Cancellation of indebtedness income generated by us is not taken into account in applying the 75% and 95% income tests discussed above. A “prohibited transaction” is a sale or other disposition of property (other than foreclosure property) held for sale to customers in the ordinary course of business. Any gain realized from a prohibited transaction is subject to a 100% penalty tax.

Rents received by us will qualify as “rents from real property” for purposes of satisfying the gross income tests for a REIT only if several conditions are met:

- The amount of rent must not be based in whole or in part on the income or profits of any person, although rents generally will not be excluded merely because they are based on a fixed percentage or percentages of receipts or sales.
- Rents received from a tenant will not qualify as rents from real property if the REIT, or an owner of 10% or more of the REIT, also directly or constructively owns 10% or more of the tenant, unless the tenant is our taxable REIT subsidiary and certain other requirements are met with respect to the real property being rented.
- If rent attributable to personal property leased in connection with a lease of real property is greater than 15% of the total rent received under the lease, then the portion of rent attributable to the personal property will not qualify as “rents from real property.”
- For rents to qualify as rents from real property, we generally must not furnish or render services to tenants, other than through a taxable REIT subsidiary or an “independent contractor” from whom we derive no income, except that we may directly provide services that are “usually or customarily rendered” in the geographic area in which the property is located in connection with the rental of real property for occupancy only, or are not otherwise “rendered to the occupant for his convenience.”

---

For taxable years beginning after August 5, 1997, a REIT has been permitted to render a de minimis amount of impermissible services to tenants and still treat amounts received with respect to that property as rent from real property. The amount received or accrued by the REIT during the taxable year for the impermissible services with respect to a property may not exceed 1% of all amounts received or accrued by the REIT directly or indirectly from the property. The amount received for any service or management operation for this purpose shall be deemed to be not less than 150% of the direct cost of the REIT in furnishing or rendering the service or providing the management or operation. Furthermore, impermissible services may be furnished to tenants by a taxable REIT subsidiary subject to certain conditions, and we may still treat rents received with respect to the property as rent from real property.

The term “interest” generally does not include any amount if the determination of the amount depends in whole or in part on the income or profits of any person, although an amount generally will not be excluded from the term “interest” solely by reason of being based on a fixed percentage of receipts or sales.

If we fail to satisfy one or both of the 75% or 95% gross income tests for any taxable year, we may nevertheless qualify as a REIT for the year if we are eligible for relief. These relief provisions will be generally available if:

- Our failure to meet the tests was due to reasonable cause and not due to willful neglect,
- We attach a schedule of the sources of our income to our return; and
- Any incorrect information on the schedule was not due to fraud with intent to evade tax.

It is not now possible to determine the circumstances under which we may be entitled to the benefit of these relief provisions. If these relief provisions apply, a 100% tax is imposed on an amount equal to (a) the gross income attributable to the greater of the amount by which we failed the 75% or 95% test, multiplied by (b) a fraction intended to reflect our profitability.

**Asset Tests.** At the close of each quarter of our taxable year, we must also satisfy several tests relating to the nature and diversification of our assets. At least 75% of the value of our total assets must be represented by real estate assets, cash, cash items (including receivables arising in the ordinary course of our operations), government securities and qualified temporary investments. Although the remaining 25% of our assets generally may be invested without restriction, we are prohibited from owning securities representing more than 10% or either the vote or value of the outstanding securities of any issuer other than a qualified REIT subsidiary, another REIT or a taxable REIT subsidiary (the 10% vote and value test). Further, no more than 20% of our total assets may be represented by securities of one or more taxable REIT subsidiaries and

no more than 5% of the value of our total assets may be represented by securities of any non-governmental issuer other than a qualified REIT subsidiary, another REIT or a taxable REIT subsidiary. Each of the 10% vote and value test and the 20% and 5% asset tests must be satisfied at the end of any quarter. There are special rules which provide relief if the value related tests are not satisfied due to changes in the value of the assets of a REIT.

**Investments in Taxable REIT Subsidiaries.** For taxable years beginning after December 1, 2000, REITs may own more than 10% of the voting power and value of securities in taxable REIT subsidiaries. At this time, we do not have any taxable REIT subsidiaries.

**Ownership of a Partnership Interest or Stock in a Corporation.** We own interests in various partnerships. In the case of a REIT that is a partner in a partnership, Treasury regulations provide that for purposes of the REIT income and asset tests the REIT will be deemed to own its proportionate share of the assets of the partnership, and will be deemed to be entitled to the income of the partnership attributable to such share. The ownership of an interest in a partnership by a REIT may involve special tax risks, including the challenge by the Internal Revenue Service of the allocations of income and expense items of the partnership, which would affect the computation of taxable income of the REIT, and the status of the partnership as a partnership (as opposed to an association taxable as a corporation) for federal income tax purposes.

We also own interests in a number of subsidiaries which are intended to be treated as qualified real estate investment trust subsidiaries. The Code provides that such subsidiaries will be ignored for federal income tax purposes and all assets, liabilities and items of income, deduction and credit of such subsidiaries will be treated as assets, liabilities and such items of our company. If any partnership or qualified real estate investment trust subsidiary in which we own an interest were treated as a regular corporation (and not as a partnership or qualified real estate investment trust subsidiary) for federal income tax purposes, we would likely fail to satisfy the REIT asset test prohibiting a REIT from owning greater than 10% of the voting power of the stock or value of securities of any issuer, as described above, and would therefore fail to qualify as a REIT. We believe that each of the partnerships and subsidiaries in which we own an interest will be treated for tax purposes as a partnership or qualified real estate investment trust subsidiary, respectively, although no assurance can be given that the Internal Revenue Service will not successfully challenge the status of any such entity.

**Annual Distribution Requirements.** In order to qualify as a REIT, we are required to distribute dividends (other than capital gain dividends) to our stockholders annually in an amount at least equal to:

- (1) the sum of:
  - (A) 90% of our “real estate investment trust taxable income” (computed without regard to the dividends paid deduction and our net capital gain); and
  - (B) 90% of the net income, if any (after tax), from foreclosure property; minus
- (2) the excess of certain items of non-cash income over 5% of our real estate investment trust taxable income.

We must pay these annual distributions in the taxable year to which they relate or in the following year if (1) we pay during January to stockholders of record in either October, November, or December of the prior year or (2) if we elect, declare the dividend before the due date of the tax return (including extensions) and pay on or before the first regular dividend payment date after such declaration.

Amounts distributed must not be preferential; that is, every stockholder of the class of stock with respect to which a distribution is made must be treated the same as every other stockholder of that class, and no class of stock may be treated otherwise than in accordance with its dividend rights as a class.

To the extent that we do not distribute all of our net long-term capital gain or distribute at least 90% but less than 100%, of our “real estate investment trust taxable income,” as adjusted, it will be subject to tax on such amounts at regular corporate tax rates. Furthermore, if we should fail to distribute during each calendar year (or, in the case of distributions with declaration and record dates in the last three months of the calendar year, by the end of the following January) at least the sum of:

- (1) 85% of our real estate investment trust ordinary income for such year;
- (2) 95% of our real estate investment trust capital gain net income for such year; and
- (3) any undistributed taxable income from prior periods;

we would be subject to a 4% excise tax on the excess of such required distributions over the amounts actually distributed. Any real estate investment trust taxable income and net capital gain on which this excise tax is imposed for any year is treated as an amount distributed during that year for purposes of calculating such tax.

We intend to make timely distributions sufficient to satisfy these annual distribution requirements.

**Failure to Qualify.** If we fail to qualify for taxation as a REIT in any taxable year, and certain relief provisions do not apply, we will be subject to tax (including any applicable alternative minimum tax) on our taxable income at regular corporate rates. Distributions to stockholders in any year in which we fail to qualify as a REIT will not be deductible by us, nor will any distributions be required to be made. Unless entitled to relief under specific statutory provisions, we will also be disqualified from taxation as a REIT for the four taxable years following the year during which qualification was lost. It is not possible to state whether in all circumstances we would be entitled to the statutory relief. Failure to qualify for even one year could substantially reduce distributions to stockholders and could result in our incurring substantial indebtedness (to the extent borrowings are feasible) or liquidating substantial investments in order to pay the resulting taxes.

**State and local taxation.** We may be subject to state or local taxation in various state or local jurisdictions, including those in which we transact business or reside. The state and local tax treatment of our Company may not conform to the federal income tax consequences discussed above.

#### TAXATION OF TAXABLE DOMESTIC STOCKHOLDERS

The following summary applies to you only if you are a “US stockholder.” A US stockholder is a stockholder of our shares of stock who, for United States federal income tax purposes, is:

- a citizen or resident alien of the United States;
- a corporation or partnership or other entity classified as a corporation or partnership for these purposes, created or organized in or under laws of the United States or of any state or in the District of Columbia, unless, in the case of a partnership, Treasury Regulations provide otherwise;
- an estate the income of which is subject to United States federal income taxation regardless of its source; or

- a trust whose administration is subject to the primary supervision of a United States court and which has one or more United States persons, within the meaning of the Code who have the authority to control all substantial decisions of the trust.

As long as we qualify as a REIT, distributions made to our taxable US stockholders out of current or accumulated earnings and profits (and not designated as capital gain dividends) will be taken into account by such US stockholders as ordinary income and will not be eligible for the dividends received deduction for corporations. Distributions that are designated as capital gain dividends will be taxed as long-term capital gains (to the extent they do not exceed our actual net capital gain for the taxable year or are designated as unrecaptured §1250 gain distributions, which are taxable at a 25% rate) without regard to the period for which the stockholder has held its stock. However, corporate stockholders may be required to treat up to 20% of certain capital gain dividends as ordinary income.

The Jobs and Growth Tax Relief Reconciliation Act of 2003 generally reduced the maximum tax rate applicable to you on capital gains recognized on the sale or other disposition of shares of our stock from 20% to 15%. The Jobs and Growth Tax Relief Reconciliation Act of 2003 also generally reduced the maximum marginal rate of tax payable by individuals on dividends received from corporations that are subject to a corporate level of tax. Except in limited circumstances, this reduced tax rate does not apply to dividends paid to you by us on shares of our stock, because generally we are not subject to federal income tax on the portion of our REIT taxable income or capital gains distributed to our stockholders. The reduced maximum federal income tax rate will apply to that portion, if any, of dividends received by you with respect to shares of our stock held by you that are attributable to (1) dividends received by us from non-REIT corporations or other taxable REIT subsidiaries, (2) income from the prior year with respect to which we were required to pay federal corporate income tax during the prior year (if, for example, we did not distribute 100% of our REIT taxable income for the prior year) and (3) distributions by us that we designate as long-term capital gains dividends (except for some distributions taxable to you at a maximum rate of 25%).

The dividend and capital gains tax rate reductions provided in the Jobs and Growth Tax Relief Reconciliation Act of 2003 generally are effective for taxable years ending on or after May 6, 2003 through December 31, 2010. Without future legislative changes, the maximum long-term capital gains and dividend rates discussed above will increase in 2011.

Distributions in excess of our current and accumulated earnings and profits will not be currently taxable to you to the extent that they do not exceed the adjusted basis of your stock, but rather will reduce the adjusted basis of such stock. To the extent that distributions in excess of current and accumulated earnings and profits exceed the adjusted basis of your stock, such distributions will be included in income as long-term capital gain (or short-term capital gain if the stock has been held for one year or less) assuming you hold the stock as a capital asset. In addition, any distribution declared in October, November or December of any year and payable to you as a stockholder of record on a specified date in any such month, will be treated as both paid by us and received by you on December 31 of the applicable year, provided that we actually pay the distribution during January of the following calendar year. Stockholders may not include in their individual income tax returns any of our net operating losses or capital losses.

If we elect to retain and pay income tax on any net long-term capital gain, you would include in income, as long-term capital gain, your proportionate share of this net long-term capital gain. You would also receive a refundable tax credit for your proportionate share of the tax paid by us on these retained capital gains and you would have an increase in the basis of your shares of our stock in an amount equal to your includable capital gains less your share of the tax deemed paid.

We will be treated as having sufficient earnings and profits to treat as a dividend any distribution up to the amount required to be distributed in order to avoid imposition of the 4% excise tax discussed under “General” and “Annual Distribution Requirements” above. As a result, you may be required to treat as taxable dividends certain distributions that would otherwise result in a tax-free return of capital. Moreover, any “deficiency dividend” will be treated as a dividend (an ordinary dividend or a capital gain dividend, as the case may be), regardless of our earnings and profits. Any other distributions in excess of current or accumulated earnings and profits will not be taxable to you to the extent these distributions do not exceed the adjusted tax basis of your shares of our stock. You will be required to reduce the tax basis of your shares of our stock by the amount of these distributions until the basis has been reduced to zero, after which these distributions will be taxable as capital gain, if the shares of our stock are held as a capital asset. The tax basis as so reduced will be used in computing the capital gain or loss, if any, realized upon sale of the shares of our stock. Any loss upon a sale or exchange of shares of our stock which were held for six months or less (after application of certain holding period rules) will generally be treated as a long-term capital loss to the extent you previously received capital gain distributions with respect to these shares of our stock.

Upon the sale or exchange of any shares of our stock to or with a person other than us or a sale or exchange of all shares of our stock (whether actually or constructively owned) with us, you will generally recognize capital gain or loss equal

to the difference between the amount realized on the sale or exchange and your adjusted tax basis in these shares of our stock. This gain will be capital gain if you held these shares of our stock as a capital asset.

If we redeem any of your shares in us, the treatment can only be determined on the basis of particular facts at the time of redemption. In general, you will recognize gain or loss (as opposed to dividend income) equal to the difference between the amount received by you in the redemption and your adjusted tax basis in your shares redeemed if such redemption results in a “complete termination” of your interest in all classes of our equity securities, is a “substantially disproportionate redemption” or is “not essentially equivalent to a dividend” with respect to you. In applying these tests, there must be taken into account your ownership of all classes of our equity securities (e.g., Common Stock or Preferred Stock). You also must take into account any equity securities that are considered to be constructively owned by you.

If, as a result of a redemption by us of your shares, you no longer own (either actually or constructively) any of our equity securities or only own (actually and constructively) an insubstantial percentage of our equity securities, then it is probable that the redemption of your shares would be considered “not essentially equivalent to a dividend” and, thus, would result in gain or loss to you. However, whether a distribution is “not essentially equivalent to a dividend” depends on all of the facts and circumstances, and if you rely on any of these tests at the time of redemption, you should consult your tax advisor to determine their application to the particular situation.

Generally, if the redemption does not meet the tests described above, then the proceeds received by you from the redemption of your shares will be treated as a distribution taxable as a dividend to the extent of the allocable portion of current or accumulated earnings and profits. If the redemption is taxed as a dividend, your adjusted tax basis in the redeemed shares will be transferred to any other shareholdings in us that you own. If you own no other shareholdings in us, under certain circumstances, such basis may be transferred to a related person, or it may be lost entirely.

Gain from the sale or exchange of our shares held for more than one year is taxed at a maximum long-term capital gain rate, which is currently 15% (prior to the effective date of the Jobs and Growth Tax Relief Reconciliation Act of 2003, described below, the maximum long-term capital gain rate was 20%). Pursuant to Internal Revenue Service guidance, we may classify portions of our capital gain dividends as gains eligible for the long-term capital gains rate or as gain taxable to individual stockholders at a maximum rate of 25%.

We will report to our US stockholders and the IRS the amount of distributions paid during each calendar year, and the amount of tax withheld, if any. Under the backup withholding rules, a stockholder may be subject to backup withholding with respect to distributions paid unless such holder (a) is a corporation or comes within certain other exempt categories and, when required, demonstrates this fact, or (b) provides a taxpayer identification number, certifies as to no loss of exemption from backup withholding, and otherwise complies with applicable requirements of the backup withholding rules. The amount of such withholding will be equal to the product of the fourth lowest rate applicable to single filers and the amount of the distribution. This rate is currently 28% for tax years beginning after 2002. Any amount paid to the IRS as backup withholding will be creditable against the stockholder's income tax liability. In addition, we may be required to withhold a portion of capital gain distributions to any stockholders who fail to certify their non-foreign status to us. See "Taxation of Foreign Stockholders." A stockholder that does not provide us with his correct taxpayer identification number may also be subject to penalties imposed by the IRS.

## TAXATION OF TAX-EXEMPT STOCKHOLDERS

In general, a stockholder that is a tax-exempt entity not subject to tax on its investment income will not be subject to tax on our distributions. In Revenue Ruling 66-106, 1966-1 C.B. 151, the IRS ruled that amounts distributed as dividends by a REIT do not constitute unrelated business taxable income as defined in the Code when received by a qualified plan. Based on that ruling, regardless of whether we incur indebtedness in connection with the acquisition of properties, our distributions paid to a stockholder that is a tax-exempt entity will not be treated as unrelated business taxable income, provided that (i) the tax-exempt entity has not financed the acquisition of its stock with acquisition indebtedness within the meaning of the Code and the stock otherwise is not used in an unrelated trade or business of the tax-exempt entity and (ii) we are not a pension-held REIT. This ruling applies to a stockholder that is an organization that qualifies under Code Section 401(a), an IRA or any other tax-exempt organization that would compute unrelated business taxable income, if any, in accordance with Code Section 512(a)(1). However, if we are a pension-held REIT and a qualified plan owns more than 10% of the value of all of our stock, such stockholder will be required to recognize as unrelated business taxable income that percentage of the dividends that it receives from us as is equal to the percentage of our gross income that would be unrelated business taxable income to us if we were a tax-exempt entity required to recognize unrelated business taxable income. A REIT is a pension-held REIT if at least one qualified trust holds more than 25% of the value of all of our stock or one or more qualified trusts, each of whom own more than 10% of the value of all of our stock, hold more than 50% of the value of all of our stock.

---

For social clubs, voluntary employee benefit associations, supplemental unemployment benefit trusts and qualified group legal services plans exempt from federal income taxation under Code Sections 501(c)(7), (c)(9), (c)(17) and (c)(20), respectively, income from an investment in us will constitute unrelated business taxable income unless the organization is able to deduct amounts set aside or placed in reserve for certain purposes so as to offset the unrelated business taxable income generated by its investment in us. Such prospective stockholders should consult their own tax advisors concerning these "set aside" and reserve requirements.

## TAXATION OF FOREIGN STOCKHOLDERS

The rules governing US federal income taxation of nonresident alien individuals, foreign corporations, foreign partnerships and other foreign stockholders are complex. We have not attempted to provide more than a summary of these rules. Prospective non-US stockholders should consult with their own tax advisors to determine the impact of federal, state and local income tax laws with regard to an investment in stock, including any reporting requirements.

Distributions that are not attributable to gain from our sales or exchanges of US real property interests and not designated by us as capital gains dividends will be treated as dividends of ordinary income to the extent that they are made out of our current or accumulated earnings and profits. Such distributions will ordinarily be subject to a withholding tax equal to 30% of the gross amount of the distribution unless an applicable tax treaty reduces or eliminates that tax. However, if income from the investment in the stock is treated as effectively connected with the non-US stockholder's conduct of a US trade or business, the non-US stockholder generally will be subject to a tax at graduated rates, in the same manner as US stockholders are taxed with respect to such distributions and may also be subject to the 30% branch profits tax in the case of a stockholder that is a foreign corporation. We expect to withhold US income tax at the rate of 30% on the gross amount of any such distributions made to a non-US stockholder unless (i) a lower treaty rate applies and the holder provides us with a properly executed IRS Form W-8BEN (or successor form) or (ii) the non-US stockholder provides us with a properly executed IRS Form W-8ECI (or successor form) claiming that the distribution is effectively connected income.

Distributions in excess of our current and accumulated earnings and profits will not be taxable to a stockholder to the extent that such distributions do not exceed the adjusted basis of the stockholder's stock, but rather will reduce the adjusted basis of such stock. To the extent that distributions in excess of current accumulated earnings and profits exceed the adjusted basis of a non-US stockholder's stock, such distributions will give rise to tax liability if the non-US stockholder would otherwise be subject to tax on any gain from the sale or disposition of our stock, as described below. If it cannot be determined at the time a distribution is made whether or not distributions will be in excess of current and accumulated earnings and profit, the distributions will be subject to withholding at the same rate as dividends. However, amounts thus withheld are refundable if it is subsequently determined that such distribution was, in fact, in excess of our current and accumulated earnings and profits.

For any year in which we qualify as a REIT, distributions that are attributable to gain from our sales or exchanges of US real property interests will be taxed to a non-US stockholder under the provisions of the Foreign Investment in Real Property Tax Act of 1980 or FIRPTA. Under FIRPTA, distributions attributable to gain from sales of US real property interests are taxed to a non-US stockholder as if such gain were effectively connected with a US business. Non-US stockholders would thus be taxed at the normal capital gain rates applicable to US stockholders (subject to applicable alternative minimum tax and a special alternative minimum tax in the case of nonresident alien individuals). Also, distributions subject to FIRPTA may be subject to a 30% branch profits tax if a foreign corporate stockholder is not entitled to treaty exemption. We are required by applicable Treasury Regulations to withhold 35% for foreign individuals and 35% for foreign corporations of any distribution that we could designate as a capital gains dividend. This amount is creditable against the non-US stockholder FIRPTA tax liability. If we designate prior distributions as capital gains dividends, then subsequent distributions up to the amount of such prior distributions will be treated as capital gains dividends for purposes of withholding.

Gain recognized by a non-US stockholder upon a sale of our equity securities generally will not be taxed under FIRPTA if we are a "domestically controlled real estate investment trust," defined generally as a real estate investment trust in which at all times during a specified testing period less than 50% in value of the stock were held directly or indirectly by foreign persons. We currently anticipate that we will be a "domestically controlled real estate investment trust," and therefore the sale of equity securities will not be subject to taxation under FIRPTA. Additionally, the sale of our equity securities will not be taxed under FIRPTA if the class of stock is regularly traded on an established securities market and the selling non-US stockholder has not held more than 5% of the class of stock at any time during the preceding five-year period. However, gain not subject to FIRPTA will be taxable to a non-US stockholder if the investment in the stock is effectively connected with the non-US stockholder's US trade or business, in which case the non-US stockholder will be subject to the same treatment as US stockholders with respect to such gain. Also, if the non-US stockholder is a nonresident alien individual who was present in the United States for 183 days or more during the taxable year and has a "tax home" in the United States, the nonresident alien individual will be subject to a 30% tax (unless reduced by treaty) on the individual's capital gains. A non-resident alien individual could, however, elect to treat such gain as effectively connected income and

---

pay tax as a US stockholder would. If the gain on the sale of stock were to be subject to taxation under FIRPTA, the non-US stockholder will be subject to the same treatment as US stockholders with respect to such gain.

If the proceeds of a disposition of our equity securities are paid by or through a US office of a broker, the payment is subject to information reporting and to backup withholding unless the disposing non-US stockholder certifies as to his name, address and non-US status or otherwise establishes an exemption. Generally, US information reporting and backup withholding will not apply to a payment of disposition proceeds if the payment is made outside the United States through a non-US office of a non-US broker. US information reporting requirements (but not backup withholding) will apply, however, to a payment of disposition proceeds outside the United States if (i) the payment is made through an office outside the United States of a broker that is either (a) a US person, (b) a foreign person that derives 50% or more of its gross income for certain periods from the conduct of a trade or business in the United States, (c) a controlled foreign corporation for US federal income tax purposes, or (d) a foreign partnership more than 50% of the capital or profits of which is owned by one or more US persons or which engages in a US trade or business and (ii) the broker fails to initiate documentary evidence that the stockholder is a non-US stockholder and that certain conditions are met or that the non-US stockholder otherwise is entitled to an exemption.

## US FEDERAL INCOME AND ESTATE TAXATION OF HOLDERS OF OUR DEBT SECURITIES

The following is a general summary of the United States federal income tax consequences and, in the case that you are a holder that is a non-US holder, as defined below, the United States federal estate tax consequences, of purchasing, owning and disposing of debt securities periodically offered under one or more indentures (the “notes”), and offered pursuant to an applicable prospectus supplement. This summary assumes that you hold the notes as capital assets. This summary applies to you only if you are the initial holder of the notes and you acquire the notes for a price equal to the issue price of the notes. The issue price of the notes is the first price at which a substantial amount of the notes is sold other than to bond houses, brokers or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers. In addition, this summary does not consider any foreign, state, local or other tax laws that may be applicable to us or a purchaser of the notes.

### US HOLDERS

The following summary applies to you only if you are a US holder, as defined below.

Definition of a US Holder. A “US holder” is a beneficial owner of a note or notes that is for United States federal income tax purposes:

- an individual citizen or resident alien of the United States;
- a corporation or partnership, or other entity classified as a corporation or partnership for these purposes, created or organized in or under the laws of the United States or of any political subdivision of the United States, including any state;
- an estate, the income of which is subject to United States federal income taxation regardless of the source of that income; or
- a trust, if, in general, a US court is able to exercise primary supervision over the trust’s administration and one or more US persons, within the meaning of the Internal Revenue Code, has the authority to control all of the trust’s substantial decisions.

Payments of Interest. Stated interest on the notes generally will be taxed as ordinary interest income from domestic sources at the time it is paid or accrues in accordance with your method of accounting for tax purposes.

Sale, Exchange or Other Disposition of Notes. The adjusted tax basis in your note acquired at a premium will generally be your cost. You generally will recognize taxable gain or loss when you sell or otherwise dispose of your notes equal to the difference, if any, between:

- the amount realized on the sale or other disposition, less any amount attributable to any accrued interest, which will be taxable in the manner described under “- Payments of Interest” above; and
- your adjusted tax basis in the notes.

Your gain or loss generally will be capital gain or loss. This capital gain or loss will be long-term capital gain or loss if at the time of the sale or other disposition you have held the notes for more than one year. Subject to limited exceptions, your capital losses cannot be used to offset your ordinary income.

Backup Withholding and Information Reporting. In general, “backup withholding” may apply:

- to any payments made to you of principal and interest on your note, and
- to payment of the proceeds of a sale or other disposition of your note before maturity,
- if you are a non-corporate US holder and (1) fail to provide a correct taxpayer identification number, which if you are an individual, is ordinarily your social security number; (2) furnish an incorrect taxpayer identification number; (3) are notified by the Internal Revenue Service that you have failed to properly report payments of interest or dividends; or (4) fail to certify, under penalties of perjury, that you have furnished a correct taxpayer identification number and that the Internal Revenue Service has not notified you that you are subject to backup withholding.

The amount of any reportable payments, including interest, made to you (unless you are an exempt recipient) and the amount of tax withheld, if any, with respect to such payments will be reported to you and to the Internal Revenue Service for each calendar year. You should consult your tax advisor regarding your qualification for an exemption from backup withholding and the procedures for obtaining such an exemption, if applicable. The backup withholding tax is not an additional tax and will be credited against your US federal income tax liability, provided that correct information is provided to the Internal Revenue Service.

### NON-US HOLDERS

The following summary applies to you if you are a beneficial owner of a note and are not a US holder, as defined above (a “non-US holder”).

Special rules may apply to certain non-US holders such as “controlled foreign corporations,” “passive foreign investment companies” and “foreign personal holding companies.” Such entities are encouraged to consult their tax advisors to determine the United States federal, state, local and other tax consequences that may be relevant to them.

US Federal Withholding Tax. Subject to the discussion below, US federal withholding tax will not apply to payments by us or our paying agent, in its capacity as such, of principal and interest on your notes under the “portfolio interest” exception of the Internal Revenue Code, provided that:

- you do not, directly or indirectly, actually or constructively, own ten percent or more of the total combined voting power of all classes of our stock entitled to vote;
- you are not (1) a controlled foreign corporation for US federal income tax purposes that is related, directly or indirectly, to us through sufficient stock ownership, as provided in the Internal Revenue Code, or (2) a bank receiving interest described in Section 881(c)(3)(A) of the Internal Revenue Code;
- such interest is not effectively connected with your conduct of a US trade or business; and
- you provide a signed written statement, under penalties of perjury, which can reliably be related to you, certifying that you are not a US person within the meaning of the Internal Revenue Code and providing your name and address to:
  - us or our paying agent; or
  - a securities clearing organization, bank or other financial institution that holds customers’ securities in the ordinary course of its trade or business and holds your notes on your behalf and that certifies to us or our paying agent under penalties of perjury that it, or the bank or financial institution between it and you, has received from you your signed, written statement and provides us or our paying agent with a copy of such statement.

Treasury regulations provide that:

- if you are a foreign partnership, the certification requirement will generally apply to your partners, and you will be required to provide certain information;

41

- 
- if you are a foreign trust, the certification requirement will generally be applied to you or your beneficial owners depending on whether you are a “foreign complex trust,” “foreign simple trust,” or “foreign grantor trust” as defined in the Treasury regulations; and
  - look-through rules will apply for tiered partnerships, foreign simple trusts and foreign grantor trusts.

If you are a foreign partnership or a foreign trust, you should consult your own tax advisor regarding your status under these Treasury regulations and the certification requirements applicable to you.

If you cannot satisfy the portfolio interest requirements described above, payments of interest will be subject to the 30% United States withholding tax, unless you provide us with a properly executed (1) Internal Revenue Service Form W-8BEN claiming an exemption from or reduction in withholding under the benefit of an applicable treaty or (2) Internal Revenue Service Form W-8ECI stating that interest paid on the note is not subject to withholding tax because it is effectively connected with your conduct of a trade or business in the United States. Alternative documentation may be applicable in certain circumstances.

If you are engaged in a trade or business in the United States and interest on a note is effectively connected with the conduct of that trade or business, you will be required to pay United States federal income tax on that interest on a net income basis (although you will be exempt from the 30% withholding tax provided the certification requirement described above is met) in the same manner as if you were a US person, except as otherwise provided by an applicable tax treaty. If you are a foreign corporation, you may be required to pay a branch profits tax on the earnings and profits that are effectively connected to the conduct of your trade or business in the United States.

Sale, Exchange or other Disposition of Notes. You generally will not have to pay US federal income tax on any gain or income realized from the sale, redemption, retirement at maturity or other disposition of your notes, unless:

- in the case of gain, you are an individual who is present in the United States for 183 days or more during the taxable year of the sale or other disposition of your notes, and specific other conditions are met;
- you are subject to tax provisions applicable to certain United States expatriates; or
- the gain is effectively connected with your conduct of a US trade or business.

If you are engaged in a trade or business in the United States and gain with respect to your notes is effectively connected with the conduct of that trade or business, you generally will be subject to US income tax on a net basis on the gain. In addition, if you are a foreign corporation, you may be subject to a branch profits tax on your effectively connected earnings and profits for the taxable year, as adjusted for certain items.

US Federal Estate Tax. If you are an individual and are not a US citizen or a resident of the United States, as specially defined for US federal estate tax purposes, at the time of your death, your notes will generally not be subject to the US federal estate tax, unless, at the time of your death (1) you owned actually or constructively ten percent or more of the total combined voting power of all our classes of stock entitled to vote or (2) interest on the notes is effectively connected with your conduct of a US trade or business.

Backup Withholding and Information Reporting. Backup withholding will not apply to payments of principal or interest made by us or our paying agent, in its capacity as such, to you if you have provided the required certification that you are a non-US holder as described in “-US Federal Withholding Tax” above, and provided that neither we nor our paying agent have actual knowledge that you are a US holder, as described in “-US Holders” above. We or our paying agent may, however, report payments of interest on the notes.

The gross proceeds from the disposition of your notes may be subject to information reporting and backup withholding tax. If you sell your notes outside the United States through a non-US office of a non-US broker and the sales proceeds are paid to you outside the United States, then the US backup withholding and information reporting requirements generally will not apply to that payment. However, US information reporting, but not backup withholding, will apply to a payment of sales proceeds, even if that payment is made outside the United States, if you sell your notes through a non-US office of a broker that:

- is a US person, as defined in the Internal Revenue Code,
- derives 50% or more of its gross income in specific periods from the conduct of a trade or business in the United States,

- is a “controlled foreign corporation” for US federal income tax purposes, or
- is a foreign partnership, if at any time during its tax year,
  - one or more of its partners are US persons who in the aggregate hold more than 50% of the income or capital interests in the partnership, or
  - the foreign partnership is engaged in a US trade or business,

unless the broker has documentary evidence in its files that you are a non-US person and certain other conditions are met or you otherwise establish an exemption. If you receive payments of the proceeds of a sale of your notes to or through a US office of a broker, the payment is subject to both US backup withholding and information reporting unless you provide a Form W-8BEN certifying that you are a non-US person or you otherwise establish an exemption.

You should consult your own tax advisor regarding application of backup withholding in your particular circumstance and the availability of and procedure for obtaining an exemption from backup withholding. Any amounts withheld under the backup withholding rules from a payment to you will be allowed as a refund or credit against your US federal income tax liability, provided the required information is furnished to the Internal Revenue Service.

#### OTHER TAX CONSEQUENCES

You should recognize that the present federal income tax treatment of an investment in us may be modified by legislative, judicial or administrative action at any time and that any action may affect investments and commitments previously made. The rules dealing with federal income taxation are constantly under review by persons involved in the legislative process and by the Internal Revenue Service and the Treasury Department, resulting in revisions of regulations and revised interpretations of established concepts as well as statutory changes. Revisions in federal tax laws and interpretations of these laws could adversely affect the tax consequences of an investment in us.

We and you may be subject to state or local taxation in various state or local jurisdictions, including those in which we or you transact business or reside. Our state and local tax treatment and your state and local tax treatment may not conform to the federal income tax consequences discussed above. Consequently, you should consult your own tax advisors regarding the effect of state and local tax laws on an investment in us.

#### PLAN OF DISTRIBUTION

We may sell the securities registered by this prospectus to one or more underwriters for public offering and sale by them or may sell the securities registered by this prospectus to investors directly or through agents. Any underwriter or agent involved in the offer and sale of the securities registered by this prospectus will be named in the applicable prospectus supplement. We have reserved the right to sell or exchange securities directly to investors on our or their own behalf in those jurisdictions where we are authorized to do so.

We may sell the securities:

- through underwriters or dealers;
- through agents;
- directly to purchasers; or
- through a combination of any of these methods of sale.

Direct sales to investors may be accomplished through subscription offerings. In connection with subscription offerings, if all of the underlying securities are not subscribed for, we may sell any unsubscribed securities to third parties directly or through underwriters or agents. In addition, whether or not all of the underlying securities are subscribed for, we may concurrently offer additional securities to third parties directly or through underwriters or agents.

Underwriters may offer and sell the securities at:

- fixed prices, which may be changed;

- prices related to the prevailing market prices at the time of sale; or
- negotiated prices.

We also may, from time to time, authorize underwriters acting as our agents to offer and sell the securities upon the terms and conditions as are set forth in the applicable prospectus supplement. In connection with the sale of securities, underwriters may be deemed to have received compensation from us in the form of underwriting discounts or commissions and may also receive commissions from purchasers of securities for whom they may act as agent. Underwriters may sell securities to or through dealers, and these dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters or commissions from the purchasers for whom they may act as agent, or both. We may grant underwriters who participate in the distribution of securities an option to purchase additional securities in connection with the distribution. The applicable prospectus supplement will disclose:

- any underwriting compensation we pay to underwriters or agents in connection with the offering of securities, and

- any discounts, concessions or commissions allowed by underwriters to participating dealers.

Under the Securities Act, underwriters, dealers and agents participating in the distribution of the securities may be deemed to be underwriters and any discounts and commissions received by them and any profit realized by them on resale of the securities may be deemed to be underwriting discounts and commissions. We may agree to indemnify underwriters, dealers and agents against civil liabilities, including liabilities under the Securities Act and to make contribution to them in connection with those liabilities.

If indicated in the applicable prospectus supplement, we may also offer and sell securities through a firm that will remarket the securities. These firms may act as principals for their own account or as our agents. These firms may be deemed to be underwriters in connection with the securities being remarketed. We may agree to indemnify these firms against liabilities, including liabilities under the Securities Act.

If indicated in the applicable prospectus supplement, we will authorize dealers acting as our agents to solicit offers by institutions to purchase securities at the offering price set forth in that prospectus supplement under delayed delivery contracts providing for payment and delivery on the dates stated in the prospectus supplement. Each contract will be for an amount not less than, and the aggregate principal amount of securities sold under contracts will be not less nor more than, the respective amounts stated in the applicable prospectus supplement. Institutions with whom contracts, when authorized, may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions, and other institutions but will in all cases be subject to our approval. Contracts will not be subject to any conditions except:

- the purchase by an institution of the securities covered by its contracts will not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which the institution is subject, and
- if the securities are being sold to underwriters, we will have sold to them the total principal amount of the securities less the principal amount of the securities covered by contracts.

Agents and underwriters will have no responsibility in respect of the delivery or performance of contracts.

Our Common Stock is listed on the New York Stock Exchange under the symbol “LTC.” Our Series E Preferred Stock and Series F Preferred Stock are listed on the New York Stock Exchange under the symbols “LTC PrE” and “LTC PrF,” respectively. Unless otherwise specified in the related prospectus supplement, all securities we offer, other than Common Stock, Series E Preferred Stock or Series F Preferred Stock, will be new issues of securities with no established trading market. Any underwriter may make a market in these securities, but will not be obligated to do so and may discontinue any market making at any time without notice. We may apply to list any series of debt securities or Preferred Stock on an exchange, but we are not obligated to do so. Therefore, there may not be liquidity or a trading market for any series of securities.

To facilitate the offering of securities, certain persons participating in the offering may engage in transactions that stabilize, maintain, or otherwise affect the price of the securities. This may include over-allotments or short sales of the securities, which involve the sale by persons participating in the offering of more securities than we sold to them. In these circumstances, these persons would cover such over-allotments or short positions by making purchases in the open market or by exercising their over-allotment option, if any. In addition, these persons may stabilize or maintain the price of the securities by bidding for or purchasing securities in the open market or by imposing penalty bids, whereby selling concessions allowed to dealers participating in the offering may be reclaimed if securities sold by them are repurchased in

---

connection with stabilization transactions. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. These transactions may be discontinued at any time.

Some of the underwriters, dealers, agents and/or their affiliates may engage in transactions with or perform services for us in the ordinary course of business.

### Item 15. Indemnification of Directors and Officers

The Charter provides that, to the fullest extent permitted under the Maryland General Corporation Law (or MGCL), no director or officer of ours shall have any liability to us or our stockholders for monetary damages for any breach of any duty owed by such director or officer of ours or any of our stockholders. The MGCL provides that a corporation’s Charter may include a provision which restricts or limits the liability of directors or officers to the corporation or its stockholders for money damages

except, (1) to the extent that it is proved that the person actually received an improper benefit or profit in money, property or services actually received, or (2) to the extent that a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding in the proceeding that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding.

The Charter provides that we shall indemnify our currently acting and our former directors to the fullest extent permitted by the MGCL, and that we shall have the power to indemnify by express provision in our Bylaws, by agreement, or by majority vote of either our stockholders or disinterested directors, our present and former officers. The MGCL provides that a corporation may indemnify any director made a party to any proceeding by reason of service in that capacity unless it is established that: (1) the act or omission of the director was material to the matter giving rise to the proceeding and (a) was committed in bad faith or (b) was the result of active and deliberate dishonesty, or (2) the director actually received an improper personal benefit in money, property or services, or (3) in the case of any criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful. The MGCL permits Maryland corporations to indemnify their officers, employees or agents to the same extent as directors and to such further extent, consistent with law, as may be provided by the corporation's Charter, Bylaws, general or specific action of its Board of Directors, or contract. Our Bylaws provide that our officers shall be entitled to such indemnification by us on account of matters resulting in their capacities as officers to the same extent provided with respect to directors by the Charter, except to the extent that the Board of Directors may otherwise prospectively determine in any situation.

In addition to the circumstances in which the MGCL permits a corporation to indemnify its directors and officers, the MGCL requires a corporation to indemnify its directors and officers in the circumstances described in the following sentence, unless limited by the charter of the corporation. A director who has been successful, on the merits or otherwise, in defense of any proceeding or in the defense of any claim, issue, or matter in the proceeding, to which he is made a party by reason of his service as a director, shall be indemnified against reasonable expenses incurred by him in connection with the proceeding, claim, issue, or matter in which the director has been successful. Our Charter does not alter this requirement.

We currently maintain Directors and Officers liability insurance.

### Item 17. Undertakings

#### A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (A)(1)(i), (A)(1)(ii) and (A)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933,

(i) if the Registrant is relying on Rule 430B of the Securities Act of 1933,

(A) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

## II-4

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

C. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

D. The undersigned Registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

E. The undersigned Registrant hereby undertakes to file an application for the purpose of determining the eligibility of the Trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Act.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of the Outstanding Securities of all series or one or more series, as the case may be, may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. The Trustee shall promptly deliver to the Company copies of all such instrument or instruments delivered to the Trustee. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.1) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section.

The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him or her the execution thereof. Where such execution is by a signer acting in a capacity other than his or her individual capacity, such certificate or affidavit shall also constitute sufficient proof of his or her authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

The ownership, date of holding, principal amount and serial numbers of Securities shall be proved by the Security Register.

Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee, the Company in reliance thereon, whether or not notation of such action is made upon such Security. Any consent or waiver of the Holder of any Security shall be irrevocable for a period of six months after the date of execution thereof, but otherwise any such Holder or subsequent Holder may revoke the request, demand, authorization, direction, notice, consent or other Act as to his Security or portion of his Security; provided, however, that such revocation shall be effective only if the Trustee receives the notice of revocation before the date the Act becomes effective.

The Company may set any day as a record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to give, make or take any request, demand, authorization, direction, vote, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Securities of such series, provided that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in the next paragraph. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities of the relevant series on such record date, and no other Holders, shall be entitled to take the relevant action, whether or not such Holders remain Holders after such record date; provided that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities of such series on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be canceled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities of the relevant series on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities of the relevant series in the manner set forth in Section 1.7.

The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to join in the giving or making of (i) any Notice of Default, (ii) any declaration of acceleration referred to in Section 5.2, (iii) any request to institute proceedings referred to in Section 5.7(2) or (iv) any direction referred to in Section 5.12, in each case with respect to Securities of such series. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities of such series on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; provided that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities of such series on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be canceled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities of the relevant series on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities of the relevant series in the manner set forth in Section 1.7.

With respect to any record date set pursuant to this Section, the party hereto which sets such record dates may designate any day as the “Expiration Date” and from time to time may change the Expiration Date to any earlier or later day; provided that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities of the relevant series in the manner set forth in Section 1.7, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.5, the party hereto which set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

#### Section 1.6 Notices, etc., to Trustee and Company.

Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

#### Section 1.7 Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, or delivered by hand or overnight courier to each Holder affected by such event, at its address as it appears in the Security Register, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. Neither the failure to mail or deliver by hand or overnight courier any notice, nor any defect in any notice so mailed or delivered by hand or overnight courier, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

---

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give notice to Holders of Securities by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder. In any case in which notice to Holders of Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder of a Security, shall affect the sufficiency of such notice with respect to other Holders of Securities.

#### Section 1.8 Conflict with Trust Indenture Act.

If any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act or another provision hereof required to be included in this Indenture by any of the provisions of the Trust Indenture Act, the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act, which may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be.

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, any Authenticating Agent, Paying Agent or Security Registrar, and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

#### Section 1.13 Governing Law.

THIS INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

#### Section 1.14 Legal Holidays.

Unless otherwise provided with respect to any Security or Securities pursuant to Section 3.1, in any case where any Interest Payment Date, Redemption Date, sinking fund payment date, or Stated Maturity or Maturity or other payment date of any Security or the last date on which a Holder has the right to convert a Security at a particular conversion price shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities (other than a provision of any Security which specifically states that such provision shall apply in lieu of this Section)) payment of interest or principal (and premium, if any) or, if applicable to a particular series of Securities, conversion need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date or Redemption Date, at the Stated Maturity or on such last day for conversion, as the case may be.

Section 2.3 Global Securities.

If the Company shall establish pursuant to Section 3.1 that the Securities of a particular series are to be issued in whole or in part in the form of one or more Global Securities, then the Company shall execute and the Trustee shall, in accordance with Section 3.3 and the Company Order delivered to the Trustee thereunder, authenticate and deliver such Global Security or Securities, which (i) shall represent, and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by such Global Security or Securities, (ii) may provide that the aggregate amount of Outstanding Securities represented thereby may from time to time be increased or reduced to reflect exchanges, (iii) shall be registered in the name of the Depository for such Global Security or Securities or its nominee, (iv) shall be delivered by the Trustee to the Depository or pursuant to the Depository's instruction and (v) shall bear a legend in accordance with the requirements of the Depository.

Notwithstanding any other provision of this Section or of Section 3.5, except as contemplated by the provisions of this Section 2.3 below, unless the terms of a Global Security expressly permit such Global Security to be exchanged in whole or in part for individual Securities, a Global Security may be transferred, in whole but not in part and in the manner provided in Section 3.5, only to a nominee of the Depository for such Global Security, or to the Depository, or to a successor Depository for such Global Security selected or approved by the Company, or to a nominee of such successor Depository.

If at any time the Depository for a Global Security notifies the Company that it is unwilling or unable to continue as the Depository for such Global Security or if at any time the Depository for the Securities for such series shall no longer be eligible or in good standing under the Exchange Act, or other applicable statute or regulation, the Company shall appoint a successor Depository with respect to such Global Security. If specified by the Company pursuant to Section 3.1 with respect to Securities issued or issuable in the form of a Global Security, the Depositary for such Global Security may surrender such Global Security in exchange in whole or in part for Securities in the form of definitive certificates of like tenor and terms on such terms as are acceptable to the Company and such Depositary. Thereupon the Company shall execute, and the Trustee shall authenticate and deliver, without service charge, (A) to each Person specified by such Depositary a new Security or Securities of the same series of like tenor and terms and any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security and (B) to such Depositary a new Global Security of like tenor and terms and in an authorized denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to Holders thereof.

In any exchange provided for in any of the preceding three paragraphs, the Company shall execute and the Trustee shall authenticate and deliver Securities in the form of definitive certificates in authorized denominations. Except as provided in the immediately preceding subparagraph, Securities issued in exchange for a Global Security pursuant to this Section 2.3 shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, acting pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. Provided that the Company and the Trustee have so agreed, the Trustee shall deliver such Securities to the Persons in whose names the Securities are so to be registered.

Subject to the provisions of Section 3.3 and, if applicable, Section 3.4, the Trustee shall deliver and redeliver any such Global Security in the manner and upon instructions given by the Person or Persons specified in or pursuant to any applicable letter of representations or other arrangement entered into with, or procedures of, the Depositary with respect to such Global Security or in any applicable Company Order. If a Company Order pursuant to Section 3.3 or Section 3.4 is so delivered, any instructions by the Company with respect to such Global Security contained therein shall be in writing but need not be accompanied by or contained in an Officers' Certificate and need not be accompanied by an Opinion of Counsel.

The Depositary or, if there be one, its nominee, shall be the Holder of a Global Security for all purposes under this Indenture; and beneficial owners with respect to such Global Security shall hold their interests pursuant to applicable procedures of such Depositary. (27) the forms of the Securities of the series;

(28) any terms which may be related to warrants, options or other rights to purchase and sell securities issued by the Company in connection with, or for the purchase of, Securities of such series, including whether and under what circumstances the Securities of any series may be used toward the exercise price of any such warrants, options or other rights;

(29) if the Securities of the series will be governed by, and the extent to which such Securities will be governed by, any law other than the laws of the state of New York;

(30) any other terms of the series (which terms shall not be inconsistent with the provisions of this Indenture, except as permitted by Section 9.1(5)).

All Securities of any one series need not be identical but may vary as may be provided in or pursuant to the Board Resolution referred to above and (subject to Section 3.3) set forth, or determined in the manner provided, in the Officers' Certificate referred to above or in any such indenture supplemental hereto. All Securities of any one series need not be issued at the same time and, unless otherwise provided, a series may be reopened, without the consent of the Holders, for issuances of additional Securities of such series.

### Section 3.2 Denominations.

Except as specified as contemplated by Section 3.1, the Securities of each series shall be issuable only in registered form without coupons. The Securities of such series shall be issuable only in such denominations as shall be specified as contemplated by Section 3.1. In the absence of any such specified denomination with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiple thereof. Unless otherwise provided as contemplated by Section 3.1 with respect to any series of Securities, any Securities of a series denominated in a currency other than Dollars shall be issuable in denominations that are the equivalent, as determined by the Company by reference to the noon buying rate in The City of New York for cable transfers for such currency ("Exchange Rate"), as such rate is reported or otherwise made available by the Federal Reserve Bank of New York, on the applicable issue date for such Securities, of \$1,000 and any integral multiple thereof.

### Section 3.3 Execution, Authentication, Delivery and Dating.

The Securities shall be executed on behalf of the Company by its Chairman of the Board, its Chief Executive Officer, its principal financial officer, its President or one of its Vice Presidents, and attested by its Treasurer, its Secretary or one of its Assistant Treasurers or Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile. Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities; provided, however, that in the case of Securities offered in a Periodic Offering, the Trustee shall authenticate and deliver such Securities from time to time in accordance with such other procedures (including, without limitation, the receipt by the Trustee of oral or electronic instructions from the Company or its duly authorized agents, promptly confirmed in writing) acceptable to the Trustee as may be specified by or pursuant to a Company Order delivered to the Trustee prior to the time of the first authentication of Securities of such series. Each Security shall be dated the date of its authentication unless otherwise provided by a Board Resolution, a supplemental indenture hereto or an Officers' Certificate. If the form or terms of the Securities of the series have been established by or pursuant to one or more Board Resolutions or any other method permitted by Sections 2.1 and 3.1, in authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 6.1) shall be fully protected in relying upon, a copy of such Board Resolution, the Officers' Certificate setting forth the terms of the series and an Opinion of Counsel, with such Opinion of Counsel stating,

19

---

(1) if the form or terms of such Securities have been established by or pursuant to Board Resolution or any other method permitted by Sections 2.1 and 3.1, that such form or terms have been, or in the case of Securities of a series offered in a Periodic Offering will be, established in conformity with the provisions of this Indenture, subject in

the case of Securities offered in a Periodic Offering, to any conditions specified in such Opinion of Counsel; and

(2) that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions, exceptions and qualifications specified in such Opinion of Counsel, will constitute legal, valid and binding obligations of the Company, enforceable in accordance with their terms, except as such enforcement is subject to the effect of (i) bankruptcy, insolvency, fraudulent conveyance, reorganization or other laws relating to or affecting creditors' rights and (ii) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law).

Such Opinion of Counsel need express no opinion as to the enforceability of Section 6.7 or as to whether a court in the United States would render a money judgment in a currency other than that of the United States. Notwithstanding the provisions of Section 3.1 and of the preceding paragraph, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Officers' Certificate otherwise required pursuant to Section 3.1 or the Company Order and Opinion of Counsel otherwise required pursuant to such preceding paragraph at or prior to the authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Notwithstanding that such form or terms have been so established, the Trustee shall have the right to decline to authenticate such Securities if, in the written opinion of counsel to the Trustee (which counsel may be an employee of the Trustee), such action may not lawfully be taken or if the Trustee in good faith by its board of trustees or trustees, executive committee or a trust committee of directors, trustees or vice presidents shall determine that such action would expose the Trustee to personal liability to Holders of any Securities then outstanding.

With respect to Securities of a series offered in a Periodic Offering, the Trustee may rely, as to the authorization by the Company of any of such Securities, the form and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and the other documents delivered pursuant to Sections 2.1 and 3.1 and this Section, as applicable, in connection with the first authentication of Securities of such series.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee or an Authenticating Agent by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.9, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Company in issuing Securities may use "CUSIP" numbers (if then generally in use), and if so, the Trustee may use the CUSIP numbers in notices of redemption or exchange as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Securities, that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption or exchange shall not be affected by any defect or omission of such CUSIP numbers. The Company will promptly notify the Trustee of any change in CUSIP numbers known to an Officer of the Company. Neither the Company nor the Trustee shall have any responsibility for any defect in the CUSIP number that appears on any Security, check, advice of payment or redemption notice, and any such document may contain a statement to the effect that CUSIP numbers have been assigned by an independent service for convenience of reference and that neither the Company nor the Trustee shall be liable for any inaccuracy in such numbers.

#### Section 3.4 Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities. All or any portion of the temporary Securities of a series may be Global Securities.

---

If temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. Except in the case of temporary Securities that are Global Securities, each of which shall be exchanged in accordance with the provisions thereof, after the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor one or more definitive Securities of the same series, of any authorized denominations and of like tenor and aggregate principal amount. Until so exchanged, the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series and tenor, except as otherwise specified as contemplated by Section 3.1.

#### Section 3.5 Registration: Registration of Transfer and Exchange.

The Company shall cause to be kept at the Corporate Trust Office of the Trustee or in any office or agency to be maintained by the Company in accordance with Section 9.2 in a Place of Payment or in such other place or medium as may be specified pursuant to Section 3.1 a register for each series of Securities (each register maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities of such series and of transfers of Securities of such series. Unless otherwise contemplated by Section 3.1, the Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities, and for the purpose of maintaining the Security Register in respect thereof, as herein provided.

Except as set forth in Section 2.3 or as may be provided pursuant to Section 3.1, upon surrender for registration of transfer of any Security of a series at the office or agency of the Company in a Place of Payment for that series, the Company shall execute and deliver a Company Order requesting the Trustee to authenticate and deliver, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of like tenor and aggregate principal amount.

Unless otherwise provided as contemplated by Section 3.1, at the option of the Holder, Securities of any series (other than Global Securities) may be exchanged for other Securities of the same series, of any authorized denominations and of like tenor and aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency, and upon payment, if the Company shall so require, of the charges hereinafter provided. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company, Security Registrar or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company, the Security Registrar or the Trustee, as the case may be, duly executed, by the Holder thereof or its attorney duly authorized in writing.

Unless otherwise provided as contemplated by Section 3.1, no service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.4, 9.6 or 11.7 not involving any transfer.

Unless otherwise provided as contemplated by Section 3.1, if the Securities of any series (or of any series and specified tenor) are to be redeemed in whole or in part, the Company shall not be required (A) to issue, register the transfer of or exchange any Securities of that series (or of that series and specified tenor, as the case may be) during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of any such Securities selected for redemption under Section 11.3 and ending at the close of business on the day of such mailing, or (B) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

---

Unless otherwise provided as contemplated by Section 3.1, the Company shall not be required to register the transfer or exchange of Securities between a Record Date and the next succeeding Interest Payment Date.

#### Section 3.6 Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and deliver a Company Order requesting the Trustee to authenticate and deliver, and the Trustee shall authenticate and deliver, in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding. If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and upon the Company's request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

Notwithstanding the preceding paragraph, in case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section 3.6, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section 3.6 in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section 3.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

#### Section 3.7 Payment of Interest; Interest Rights Preserved.

Except as otherwise provided as contemplated by Section 3.1 with respect to any series of Securities, interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest at the office or agency maintained for such purpose pursuant to Section 9.2; provided, however, that at the option of the Company, interest on any series of Registered Securities that bear interest may be paid (i) by check mailed to the address of the Person entitled thereto as it shall appear on the Security Register of such series (unless, with respect to a Global Security, the rules of the Depository require payment of such amount by wire transfer) or (ii) by wire transfer to an account maintained by the Person entitled thereto as specified in the Security Register of such series.

Unless otherwise provided as contemplated by Section 3.1, any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest, which shall be not more

---

than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given to each Holder of Securities of such series in the manner set forth in Section 1.7, not less than 10 days prior to such Special Record Date. The Trustee may, in its discretion, in the name and at the expense of the Company, cause a similar notice to be published at least once in an Authorized Newspaper in The Borough of Manhattan, The City of New York, but such publication shall not be a condition precedent to the establishment of such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 3.7, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

#### Section 3.8 Persons Deemed Owners.

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any premium and (subject to Section 3.7) any interest and any Additional Amounts or other payments on such Security and for all other purposes whatsoever, whether or not such Security shall be overdue, and none of the Company, the Trustee or any agent of the Company or the Trustee shall be affected by notice to the contrary.

Except as otherwise specified as contemplated by Section 3.1, none of the Company, the Trustee or any agent of the Company or the Trustee shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Notwithstanding the foregoing, with respect to any Global Security, nothing herein shall prevent the Company or the Trustee, or any agent of the Company or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by any Depository (or its nominee), as a Holder, with respect to such Global Security or impair, as between such Depository and owners of beneficial interests in such Global Security, the operation of customary practices governing the exercise of the rights of such Depository (or its nominee) as Holder of such Global Security.

#### Section 3.9 Cancellation.

The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly canceled by the Trustee. The Security Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section, except as expressly permitted by this Indenture or as otherwise specified as contemplated by Section 3.1. On request of the Company at the time of surrender, the Trustee shall deliver to the Company canceled Securities held by the Trustee. In the absence of such request, all canceled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures.

#### Section 3.10 Computation of Interest.

Except as otherwise specified as contemplated by Section 3.1 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

## ARTICLE 4

### SATISFACTION AND DISCHARGE

#### Section 4.1 Satisfaction and Discharge of Indenture.

This Indenture shall upon Company Request cease to be of further effect with respect to Securities of or within any series (except as to any surviving rights of registration of transfer or exchange of such Securities and replacement of such Securities which may have been lost, stolen or mutilated as herein expressly provided for), and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to such Securities, when

(1) either

(A) all such Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.6 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Trustee or the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 10.3) have been delivered to the Trustee for cancellation; or

(B) all such Securities not theretofore delivered to the Trustee for cancellation

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of clause (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose money in an amount sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and any premium and interest and any Additional Amounts to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company with respect to the Outstanding Securities of such series;

(3) the Company has complied with any other conditions specified pursuant to Section 3.1 to be applicable to the Outstanding Securities of such series; and

(4) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture as to such Securities have been complied with.

If any Outstanding Securities of such series are to be redeemed prior to their Stated Maturity, whether pursuant to any optional redemption provisions or in accordance with any mandatory sinking fund requirement, the trust agreement evidencing the trust referred to in subclause (B) of clause (1) of this Section 4.1 shall provide therefore and the Company shall make such arrangements as are satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.7, the obligations of the Trustee to any Authenticating Agent under Section 6.14 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (1) of this Section 4.1, the obligations of the Trustee under Section 4.2 and the last paragraph of Section 10.3 shall survive.

#### Section 4.2 Application of Trust Money.

Subject to the provisions of the last paragraph of Section 10.3, all money deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and any premium and interest or Additional Amounts for whose payment such money has been deposited with the Trustee.

## ARTICLE 5

### REMEDIES

#### Section 5.1 Events of Default.

“Event of Default,” wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be occasioned by the subordination provisions applicable to any Securities or be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body), unless it is either inapplicable to a particular series or it is specifically deleted or modified in the Board Resolution, supplemental indenture, Officers’ Certificate establishing such series, or form of Security for such series:

(1) default in the payment of any interest on, or any Additional Amounts with respect to, any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days (unless the entire amount of such payment is deposited by the Company with the Trustee or with a Paying Agent prior to the expiration of such period of 30 days); or

(2) default in the payment of the principal of or any premium on any Security of that series at its Maturity, and continuance of such default for a period of 30 days (unless the entire amount of such payment is deposited by the Company with the Trustee or with a Paying Agent prior to the expiration of such period of 30 days); or

(3) default in the deposit of any sinking fund payment, when and as due by the terms of a Security of that series, and continuance of such default for a period of 30 days; or

(4) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section 5.1 specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder; or

(5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or

(6) the commencement by the Company of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it, of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action; or

(7) any other Event of Default provided with respect to Securities of that series in the Board Resolution, supplemental indenture or Officers’ Certificate establishing that series.

---

Notwithstanding the foregoing provisions of this Section 5.1, if the principal of, premium (if any) or any interest on, or any Additional Amounts with respect to, any Security is payable in a currency or currencies (including a composite currency) other than Dollars and such currency or currencies are not available to the Company for making payment thereof due to the imposition of exchange controls or other circumstances beyond the control of the Company (a “Conversion Event”), the Company will be entitled to satisfy its obligations to Holders of the Securities by making such payment in Dollars in an amount equal to the Dollar equivalent of the amount payable in such other currency, as determined by the Company by reference to the Exchange Rate, as such Exchange Rate is certified for customs purposes by the Federal Reserve Bank of New York on the date of such payment, or, if such rate is not then available, on the basis of the most recently available Exchange Rate. Notwithstanding the foregoing provisions of this Section 5.1, any payment made under such circumstances in Dollars where the required payment is in a currency other than Dollars will not constitute an Event of Default under this Indenture.

Promptly after the occurrence of a Conversion Event with respect to the Securities of any series, the Company shall give written notice thereof to the Trustee; and the Trustee, promptly after receipt of such notice, shall give notice thereof in the manner provided in Section 1.7 to the Holders of such series. Promptly after the making of any payment in Dollars as a result of a Conversion Event with respect to the Securities of any series, the Company shall give notice in the manner provided in Section 1.7 to the Holders of such series, setting forth the applicable Exchange Rate and describing the calculation of such payments.

#### Section 5.2 Acceleration of Maturity; Rescission and Annulment

Unless the Board Resolution, supplemental indenture or Officers' Certificate establishing such series provides otherwise, if an Event of Default with respect to Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount of all the Securities of that series (or, if any Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified by the terms thereof) and premium, if any, together with accrued and unpaid interest, if any, thereon, and Additional Amounts, if any, with respect thereto, to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders), and upon any such declaration such principal amount (or specified amount) and premium, if any, together with accrued and unpaid interest, if any, thereon, and Additional Amounts, if any, with respect thereto, shall become immediately due and payable.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article 5 provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on, and any Additional Amounts with respect to, all Securities of that series (or of all series, as the case may be),

(B) the principal of or premium (if any) on any Securities of that series (or of all series, as the case may be) which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities (in the case of Original Issue Discount Securities, the Securities' Yield to Maturity),

(C) to the extent that payment of such interest is lawful, interest upon overdue interest and any Additional Amounts at the rate or rates prescribed therefor in such Securities (in the case of Original Issue Discount Securities, the Securities' Yield to Maturity), and

(D) all sums paid or advanced by the Trustee hereunder, the compensation, expenses, disbursements and advances due to Trustee under Section 6.7, and all other amounts due under Section 6.7;

(2) all Events of Default with respect to Securities of that series (or of all series, as the case may be), other than the nonpayment of the principal of Securities of that series (or of all series, as the case may be) which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13; and

(3) the rescission would not conflict with any final judgment or decree of a court of competent jurisdiction.

---

No such rescission shall affect any subsequent default or impair any right consequent thereon.

#### Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee

The Company covenants that if

(1) default is made in the payment of any interest on, or any Additional Amounts with respect to, any Security of any series when such interest or Additional Amounts shall become due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of (or premium, if any, on) any Security at the Maturity thereof, the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest on, and Additional Amounts with respect to, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and premium and on any overdue interest or Additional Amounts, at the rate or rates prescribed therefor in such Securities (or in the case of Original Issue Discount Securities, the Securities' Yield to Maturity), and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and all other amounts due the Trustee under Section 6.7.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or deemed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

In addition, if any other Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed, in its own name and as trustee of an express trust, to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

#### Section 5.4 Trustee May File Proofs of Claim

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal (or lesser amount in the case of Original Issue Discount Securities) of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal of, premium (if any), interest on, or any Additional Amounts with respect to, such Securities) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(1) to file and prove a claim for the whole amount of principal (or lesser amount in the case of Original Issue Discount Securities) (and premium, if any) and interest and any Additional Amounts owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable to have the claims of the

Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(2) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; provided, however, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

---

#### Section 5.5 Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding may be instituted by the Trustee in its own name as trustee of an express trust.

#### Section 5.6 Application of Money Collected.

Subject to the subordination provisions applicable to any series of Securities, any money collected by the Trustee pursuant to this Article shall be applied and paid in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or any premium or interest on, or any Additional Amounts with respect to, the Securities, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.7 in connection with such series of Securities in respect of which money or other property is collected;

SECOND: Subject to the terms of any subordination entered into as contemplated by Section 3.1, to the payment of the amounts then due and unpaid for principal of and any premium, if any, and interest on, and any Additional Amounts with respect to, the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and any premium, if any, interest on and Additional Amounts, respectively; and

THIRD: The balance, if any, to the Company or any other Person or Persons entitled thereto.

To the fullest extent allowed under applicable law, if for the purpose of obtaining judgment against the Company in any court it is necessary to convert the sum due in respect of the principal of, premium (if any) or interest on, or any Additional Amounts with respect to, the Securities of any series (the "Required Currency") into a currency in which a judgment will be rendered (the "Judgment Currency"), the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Trustee could purchase in The City of New York the Required Currency with the Judgment Currency on the Business Day in The City of New York next preceding that on which final judgment is given. Neither the Company nor the Trustee shall be liable for any shortfall nor shall any of them benefit from any windfall in payments to Holders of Securities under this Section 5.6 caused by a change in exchange rates between the time the amount of a judgment against it is calculated as above and the time the Trustee converts the Judgment Currency into the Required Currency to make payments under this Section 5.6 to Holders of Securities, but payment of such judgment shall discharge all amounts owed by the Company on the claim or claims underlying such judgment.

#### Section 5.7 Limitation on Suits.

Subject to Section 5.8, no Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) an Event of Default with respect to such series of Securities shall have occurred and be continuing and such Holder has previously given written notice to the Trustee of such continuing Event of Default;

(2) the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered and, if requested, provided to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

---

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series (or of all series, as the case may be).

No one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

#### Section 5.8 Right of Holders to Receive Principal, Premium and Interest.

Notwithstanding any other provision in this Indenture, the right of any Holder of any Security to receive payment of the principal of and any premium and (subject to Section 3.7) interest on, or any Additional Amounts with respect to, such Security on the Stated Maturity or Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment after the respective due dates, shall not be impaired without the consent of such Holder.

#### Section 5.9 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

#### Section 5.10 Rights and Remedies Cumulative.

Except as otherwise provided in Section 5.7 or with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.6, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

#### Section 5.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 5 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

#### Section 5.12 Control by Holders.

With respect to Securities of any series, the Holders of a majority in principal amount of the Outstanding Securities of such series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, relating to or arising under an Event of Default described in clause (1), (2), (3), (4) or (7) of Section 5.1, and with respect to all Securities the Holders of a majority in principal amount of all Outstanding Securities shall have the right to direct the time, method and place of conducting any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, relating to or arising under an Event of Default described in clause (5) or (6) of Section 5.1, provided that in each such case

(1) the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture or if the Trustee in good faith shall, by a Responsible Officer, determine that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Holders not taking part in such direction, and

(2) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction or this Indenture.

---

#### Section 5.13 Waiver of Past Defaults.

Subject to Section 5.8 and Section 9.2, the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default or Event of Default described in clause (1), (2), (3), (4) or (7) of Section 5.1 hereunder with respect to such series and its consequences, and the Holders of a majority in principal amount of all Outstanding Securities may on behalf of the Holders of all Securities waive any Event of Default described in clause (5) or (6) of Section 5.1 hereunder and its consequences, except a default

(1) in the payment of the principal of or any premium or interest on, or any Additional Amounts with respect to, any Security as and when the same shall become due and payable by the terms thereof, otherwise than by acceleration (unless such default has been cured as provided herein), or

(2) in respect of a covenant or provision hereof which under Article 9 cannot be modified or amended without the consent of the Holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

#### Section 5.14 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the Trust Indenture Act; provided that the provisions of this Section 5.14 shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Security on or after the Stated Maturity or Stated Maturities expressed in such Security (or, in the case of redemption, on the redemption date).

### ARTICLE 6

#### THE TRUSTEE

#### Section 6.1 Certain Duties and Responsibilities.

(1) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent individual would exercise or use under the circumstances in the conduct of his or her own affairs.

(2) Except during the continuance of an Event of Default:

(A) The Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(B) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officers' Certificates or Opinions of Counsel furnished to the Trustee and conforming to the requirements of this Indenture; however, in the case of any such Officers' Certificates or Opinions of Counsel which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such Officers' Certificates and Opinions of Counsel to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(3) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct or bad faith, except that:

30

---

(A) This paragraph does not limit the effect of clause (2) of this Section 6.1.

(B) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(C) The Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it with respect to Securities of any series in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of such series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series.

(4) Every provision of this Indenture that in any way relates to the Trustee is subject to clauses (1), (2) and (3) of this Section 6.1.

(5) The Trustee may refuse to perform any duty or to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of Holder or Holders pursuant to this Indenture, unless such Holder or Holders shall have offered and, if requested, provided to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(6) No provision of this Indenture shall require the Trustee to risk its own funds or otherwise incur any financial liability in the performance of any of its duties, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk is not reasonably assured to it.

(7) The Paying Agent, the Security Registrar and any Authenticating Agent shall be entitled to the protections, immunities and standard of care as are set forth in clauses (1), (2) and (3) of this Section 6.1 with respect to the Trustee.

#### Section 6.2 Notice of Defaults.

If a default occurs hereunder and is continuing with respect to Securities of any series and it is known to a Responsible Officer of the Trustee, the Trustee shall give the Holders of Securities of such series notice of such default as and to the extent provided by the Trust Indenture Act; provided, however, that except in the case of a default in the payment of principal of (or premium, if any) or interest on, or any Additional Amounts with respect to, any Securities of such series or in the payment of any sinking fund installment, the Trustee shall be protected in withholding such notice if and so long as the board of trustees, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interests of the holders of Securities of such series.

#### Section 6.3 Certain Rights of Trustee.

Subject to the provisions of Section 6.1:

(1) in the absence of bad faith on the part of the Trustee, the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(3) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order (unless other evidence is specifically required herein), and any resolution of the Board of Directors shall be sufficiently evidenced by a Board Resolution;

31

---

(4) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed), in the absence of bad faith on its part, is entitled to and may rely upon an Officers' Certificate;

(5) the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(6) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(7) the Trustee shall not be charged with knowledge of any default or Event of Default with respect to the Securities of any series for which it is acting as Trustee unless either (1) a Responsible Officer shall have actual knowledge of such default or Event of Default or (2) written notice of such default or Event of Default shall have been given to the Trustee by the Company or any other obligor on such Securities or by any Holder of such Securities; and

(8) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

#### Section 6.4 Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Security Registrar, Paying Agent or Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. Neither the Trustee nor any Security Registrar, Paying Agent or Authenticating Agent shall be accountable for the use or application by the Company of Securities or the proceeds thereof.

#### Section 6.5 May Hold Securities and Act as Trustee under Other Indentures.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.8 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

Subject to the limitations imposed by the Trust Indenture Act, nothing in this Indenture shall prohibit the Trustee from becoming and acting as trustee under other indentures under which other securities, or certificates of interest of participation in other securities, of the Company are outstanding in the same manner as if it were not Trustee hereunder.

#### Section 6.6 Money Held in Trust.

Subject to the provisions of Sections 10.3 and 13.5, all moneys received by the Trustee shall, until used or applied, as provided herein, be held in trust for the purposes for which they were received. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company. So long as no Event of Default shall have occurred and be continuing, all interest allowed on any such moneys shall be paid by the Company from time to time upon a Company Order.

#### Section 6.7 Compensation and Reimbursement.

The Company shall pay to the Trustee from time to time such reasonable compensation for its services as the Company and the Trustee may agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances incurred by it in connection with the performance of its duties under this Indenture, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith. Such expenses shall include the reasonable compensation and expenses of the Trustee's agents and counsel.

---

The Company shall indemnify the Trustee for, and hold it harmless against, any and all loss, liability, damage, claim or expense (including attorneys' fees and expenses, and including taxes other than taxes based upon, measured by or determined by the income of the Trustee), including without limitation the costs and expenses of defending itself against any third-party claim (whether asserted by any Holder or any other Person (other than the Company to the extent of any claim brought by it against the Trustee that establishes a breach by the Trustee in the observance or performance of its duties under this Indenture)), incurred by it without negligence, willful misconduct or bad faith arising out of or in connection with its acceptance or administration of the trust or trusts hereunder, including the performance of its duties or the exercise of its powers hereunder. With respect to any such claim other than a claim brought by the Company, (i) the Trustee shall notify the Company promptly of any claim for which it may seek indemnity, (ii) the Company may at its option defend the claim, in which event the Trustee shall cooperate in the defense and the Trustee may have one separate counsel and the Company shall pay the reasonable fees and expenses of such counsel and (iii) the Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. This indemnification shall apply to officers, directors, employees, shareholders and agents of the Trustee.

To secure the Company's payment obligations in this Section 6.7, the Trustee shall have a lien prior to the Securities of any series on all money or property held or collected by the Trustee, except that held in trust to pay principal of and interest on, or any Additional Amounts with respect to, particular Securities of that series.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 5.1(5) or (6) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

The provisions of this Section 6.7 and any lien arising hereunder shall survive the resignation or removal of the Trustee or the discharge of the Company's obligations under this Indenture and the termination of this Indenture.

#### Section 6.8 Conflicting Interests.

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such conflicting interest or resign, to the extent and in the manner and with the effect provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Securities of more than one series or any other indenture.

#### Section 6.9 Eligibility; Disqualification.

There shall at all times be one (and only one) Trustee hereunder with respect to the Securities of each series (which need not be the same Trustee for all series). A Trustee may be Trustee hereunder for Securities of one or more series. Each Trustee shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has (or if the Trustee is a member of a bank holding company system, its bank holding company has) a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by federal or state (or the District of Columbia) authority. If any such Person or bank holding company publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section 6.9 and to the extent permitted by the Trust Indenture Act, the combined capital and surplus of such Person or bank holding company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition

so published. If at any time the Trustee with respect to the Securities of any series shall cease to be eligible in accordance with the provisions of this Section 6.9, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

The Indenture shall always have a Trustee who satisfies the requirements of Sections 310(a)(1), 310(a)(2) and 310(a)(5) of the Trust Indenture Act.

#### Section 6.10 Resignation and Removal; Appointment of Successor

No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 6.11.

The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

33

---

The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the removed Trustee within 30 days after the receipt of such notice of removal, the removed Trustee may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

If at any time:

- (1) the Trustee shall fail to comply with Section 6.8 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or
- (2) the Trustee shall cease to be eligible under Section 6.9 and shall fail to resign after written request therefor by the Company or by any such Holder, or
- (3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Company by a Board Resolution may remove the Trustee with respect to all Securities, or (B) subject to Section 5.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Securities of one or more series, the Company by a Board Resolution shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and such successor Trustee or Trustees shall comply with the applicable requirements of Section 6.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 6.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner required by Section 6.11, the retiring Trustee may petition, or any Holder who has been a bona fide Holder of a Security of such series for at least six months may petition, on behalf of himself and all others similarly situated, any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series to all Holders of Securities of such series in the manner provided in Section 1.7. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

#### Section 6.11 Acceptance of Appointment by Successor

In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

34

---

In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to

which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the first or second preceding paragraph, as the case may be.

In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to, or by succession to or acquisition of all or substantially all of the corporate trust business of, such successor Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Each Authenticating Agent shall be acceptable to the Company and, except as otherwise specified as contemplated by [Section 3.1](#), shall at all times be a bank or trust company or corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having (or if the Authenticating Agent is a member of a bank

holding company system, its bank holding company has) a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State (or the District of Columbia) authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this [Section 6.14](#), the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this [Section 6.14](#), such Authenticating Agent shall resign immediately in the manner and with the effect specified in this [Section 6.14](#).

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to or acquiring the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this [Section 6.14](#), without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this [Section 6.14](#).

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this [Section 6.14](#), and the Trustee shall be entitled to be reimbursed for such payments, subject to the provisions of [Section 6.7](#).

If an appointment with respect to one or more series is made pursuant to this [Section 6.14](#), the Securities of such series may have endorsed thereon, in lieu of the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

- (6) to add or provide for a guaranty or guarantees of the Securities or additional obligors on the Securities; or

38

#### Section 9.2 Supplemental Indentures with Consent of Holders.

With the consent of the Holders of a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture (acting as one class), by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or any indenture supplemental hereto or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

- (3) modify any of the provisions of this Section 9.2, Section 5.13 or Section 10.8, except to increase any such percentage or to provide with respect to any particular series the right to condition the effectiveness of any supplemental indenture as to that series on the consent of the Holders of a specified percentage of the aggregate principal

amount of Outstanding Securities of such series (which provision may be made pursuant to Section 3.1 without the consent of any Holder) or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby; provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to “the Trustee” and concomitant changes in this Section 9.2 and Section 10.8, or the deletion of this proviso, in accordance with the requirements of Sections 6.11 and 9.1(8).

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

### Section 9.3 Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. ### COVENANTS

#### Section 10.1 Payment of Principal, Premium and Interest.

The Company covenants and agrees for the benefit of the Holders of each series of Securities that it will duly and punctually pay the principal of and any premium and interest on, and any Additional Amounts with respect to, the Securities of that series in accordance with the terms of the Securities and this Indenture.

#### Section 10.2 Maintenance of Office or Agency.

The Company will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands. Unless otherwise provided in a supplemental indenture or pursuant to Section 3.1 hereof, the Place of Payment for any series of Securities shall be the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

#### Section 10.3 Money for Securities Payments to be Held in Trust.

If the Company, any Subsidiary or any of their respective Affiliates shall at any time act as Paying Agent with respect to any series of Securities, such Paying Agent will, on or before each due date of the principal of or any premium or interest on, or any Additional Amounts with respect to, any of the Securities of that series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal and any premium and interest, or any Additional Amounts, so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, on or prior to each due date of the principal of or any premium or interest on, or Additional Amounts with respect to, any Securities of that series, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent for any series of Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 10.3, that such Paying Agent will (1) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (2) during the continuance of any default by the Company (or any other obligor upon the Securities of that series) in the making of any payment in respect of the Securities of that series, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Securities of that series.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture, or with respect to one or more series of Securities, or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or any premium or interest on, or any Additional Amounts with respect to, any Security of any series and remaining unclaimed for a period ending on the earlier of the date that is ten Business Days prior to the date such money would escheat to the State or two years after such principal, premium or interest or Additional Amount has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in an Authorized Newspaper in The Borough of Manhattan, The City of New York and in such other Authorized Newspapers as the Trustee shall deem appropriate, notice that such money remains unclaimed and that, after a date specified herein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will, unless otherwise required by mandatory provisions of applicable escheat, or abandoned or unclaimed property law, be repaid to the Company.

#### Section 10.4 Statement by Officers as to Default.

At any time at which there are Outstanding Securities of any series issued under this Indenture, the Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate complying with Section 314(a)(4) of the Trust Indenture Act and stating that a review of the activities of the Company during such year and of performance under this Indenture has been made under the supervision of the signers thereof and stating whether or not to the best knowledge of the signers thereof, based upon such review, the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge. One of the officers signing the Officers' Certificate delivered pursuant to this Section 10.4 shall be the principal executive, financial or accounting officer of the Company.

#### Section 10.6 All Securities to be Equally and Ratably Secured.

Unless specified otherwise by the Company pursuant to Section 3.1 with respect to any series, the Company will not itself secure Securities of any one or more series with any Mortgage, without effectively providing that the Securities of every other series shall be secured equally and ratably by such Mortgage.

#### Section 10.7 Maintenance of Properties.

The Company will cause all properties used or useful in the conduct of its business to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as, and to the extent, in the judgment of the Company may be necessary or appropriate in connection with its business; provided, however, that nothing in this Section shall prevent the Company from discontinuing the operation or maintenance of any of such properties if such discontinuance is, in the judgment of the Company, desirable in the conduct of its business and not disadvantageous in any material respect to the Holders.

#### Section 10.8 Payment of Taxes and Other Claims.

The Company will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Company or upon the income, profits or property of the Company, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Company; provided, however, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim (i) whose amount, applicability or validity is being contested in good faith by appropriate proceedings or (ii) if the failure to pay or discharge would not have a material adverse effect on the assets, business, operations, properties or financial condition of the Company and its Subsidiaries, taken as a whole.

#### Section 10.9 Waiver of Certain Covenants.

Except as otherwise specified as contemplated by Section 3.1 for Securities of such series, the Company may, with respect to the Securities of any series, omit in any particular instance to comply with any term, provision or condition set forth in any covenant provided pursuant to Sections 3.1(22), 8.1, 9.1(2), 10.4, 10.5, 10.6, 10.7 or 10.8 for the benefit of the Holders of such series if before or after the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

#### Section 10.10 Additional Amounts.

If the Securities of a series expressly provide for the payment of Additional Amounts, the Company will pay to the Holder of any Security of such series Additional Amounts as expressly provided therein. Whenever in this Indenture there is mentioned, in any context, the payment of the principal of, or premium (if any) or interest on any Security of

any series or the net proceeds received from the sale or exchange of any Security of any series, such mention shall be deemed to include mention of the payment of Additional Amounts provided for in this Section 10.10 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the provisions of this Section 10.10 and express mention of the payment of Additional Amounts (if applicable) in any provisions hereof shall not be construed as excluding Additional Amounts in those provisions hereof where such express mention is not made.

If the Securities of a series provide for the payment of Additional Amounts, at least 10 days prior to the first Interest Payment Date with respect to that series of Securities (or if the Securities of that series will not bear interest prior to Maturity, the first day on which a payment of principal and any premium is made), and at least 10 days prior to each date of payment of principal and any premium or interest if there has been any change with respect to the matters set forth in the below-mentioned Officers' Certificate, the Company shall furnish the Trustee and the Company's principal Paying Agent or Paying Agents, if other than the Trustee, with an Officers' Certificate instructing the Trustee and such Paying Agent or Paying Agents whether such payment of principal of and any premium or interest on the Securities of that series shall be made to Holders of Securities of that series who are United States Aliens without withholding for or on account of any tax, assessment or other governmental charge described in the Securities of that series. If any

---

such withholding shall be required, then such Officers' Certificate shall specify by country the amount, if any, required to be withheld on such payments to such Holders of Securities and the Company will pay to such Paying Agent the Additional Amounts required by this Section 10.10. The Company covenants to indemnify the Trustee and any Paying Agent for, and to hold them harmless against any loss, liability or expense reasonably incurred without negligence, willful misconduct or bad faith on their part arising out of or in connection with actions taken or omitted by any of them in reliance on any Officers' Certificate furnished pursuant to this Section 10.10.

## ARTICLE 11

#### Section 11.2 Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities shall be evidenced by a Board Resolution or in another manner specified as contemplated by Section 3.1 for such Securities. In case of any redemption at the election of the Company of less than all the Securities of any series (including any such redemption affecting only a single Security), the Company shall, at least 45 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date, of the principal amount of Securities of such series to be redeemed and, if applicable, of the tenor of the Securities to be redeemed. In the case of any redemption of Securities (i) prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture or (ii) pursuant to an election of the Company which is subject to a condition specified in the terms of such Securities, the Company shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction or condition.

#### Section 11.3 Selection by Trustee of Securities to Be Redeemed.

If less than all the Securities of any series are to be redeemed (unless all the Securities of such series and of a specified tenor are to be redeemed or unless such redemption affects only a single Security), the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, on a pro-rata basis, or in the Trustee's discretion, by lot, or by such other method as the Trustee shall deem fair and appropriate, provided that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

If any Security selected for partial redemption is converted in part before termination of the conversion right with respect to the portion of the Security so selected, the converted portion of such Security shall be deemed (so far as may be) to be the portion selected for redemption.

The Trustee shall promptly notify the Company and the Security Registrar in writing of the Securities selected for redemption as aforesaid and, in case of any Securities selected for partial redemption as aforesaid, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

#### Section 11.4 Notice of Redemption.

Notice of redemption shall be given by first-class mail, postage prepaid, mailed not fewer than 30 nor more than 90 days prior to the Redemption Date, unless a shorter period is specified in the Securities to be redeemed, to each Holder of Securities to be redeemed, at its address appearing in the Security Register.

---

All notices of redemption shall state:

(1) the Redemption Date,

(2) the Redemption Price (including accrued interest, if any, to be paid),

(3) if less than all the Outstanding Securities of any series consisting of more than a single Security are to be redeemed, the identification (and, in the case of partial redemption of any such Securities, the principal amounts) of the particular Securities to be redeemed and, if less than all the Outstanding Securities of any series consisting of a single Security are to be redeemed, the principal amount of the particular Security to be redeemed,

(4) in case any Security is to be redeemed in part only, that on and after the Redemption Date, upon surrender of such Security, the Holder of such Security will receive, without charge, a new Security or Securities of authorized denominations for the principal amount thereof remaining unredeemed;

(5) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,

(6) the place or places where each such Security is to be surrendered for payment of the Redemption Price,

(7) if applicable, the conversion price, the date on which the right to convert the principal of the Securities or the portions thereof to be redeemed will terminate, and the place or places where such Securities may be surrendered for conversion,

(8) that the redemption is for a sinking fund, if such is the case, and

(9) the CUSIP number or numbers and/or common codes of the Security being redeemed.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company, provided that the Company shall have prepared and provided to the Trustee the form of such notice, or, if acceptable to the Trustee, provided sufficient information to enable the Trustee to prepare such notice, in each case on a timely basis.

#### Section 11.5 Deposit of Redemption Price.

On or prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.3) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

If any Security called for redemption is converted, any money deposited with the Trustee or with a Paying Agent or so segregated and held in trust for the redemption of such Security shall (subject to any right of any Holder of such Security to receive interest thereon) be paid to the Company on Company Request, or if then held by the Company, shall be discharged from such trust.

#### Section 11.6 Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price, together with accrued interest (and any Additional Amounts) to the Redemption Date; provided, however, that, unless otherwise specified as contemplated by Section 3.1, installments of interest whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.7.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security or, in the case of Original Issue Discount Securities, the Securities' Yield to Maturity.

---

#### Section 11.7 Securities Redeemed in Part.

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or its attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and Stated Maturity and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

Unless otherwise specified as contemplated by Section 3.1, the Company and any Affiliate of the Company may at any time purchase or otherwise acquire Securities in the open market or by private agreement. Such acquisition shall not operate as or be deemed for any purpose to be a redemption of the indebtedness represented by such Securities. Any Securities purchased or acquired by the Company may be delivered to the Trustee and, upon such delivery, the indebtedness represented thereby shall be deemed to be satisfied. Section 3.9 shall apply to all Securities so delivered.

### ARTICLE 12

#### SINKING FUNDS

##### Section 12.1 Applicability of Article.

The provisions of this Article 12 shall be applicable to any sinking fund for the retirement of Securities of any series except as otherwise specified as contemplated by Section 3.1 for such Securities.

The minimum amount of any sinking fund payment provided for by the terms of any Securities is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of such Securities is herein referred to as an "optional sinking fund payment." Unless otherwise provided for by the terms of any Securities, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 12.2. Each sinking fund payment shall be applied to the redemption of Securities as provided for by the terms of such Securities.

##### Section 12.2 Satisfaction of Sinking Fund Payments with Securities.

The Company (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to any Securities of such series required to be made pursuant to the terms of such Securities as and to the extent provided for by the terms of such Securities; provided that the Securities to be so credited have not been

previously so credited. The Securities to be so credited shall be received and credited for such purpose by the Trustee at the Redemption Price, as specified in the Securities so to be redeemed, for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

### Section 12.3 Redemption of Securities for Sinking Fund.

Not fewer than 45 days prior (unless a shorter period shall be satisfactory to the Trustee) to each sinking fund payment date for any Securities, the Company will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for such Securities pursuant to the terms of such Securities, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities pursuant to Section 12.2 and will also deliver to the Trustee any Securities to be so delivered. Not fewer than 30 days prior to each such sinking fund payment date, the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 11.3 and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 11.4. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 11.6 and 11.7.

## ARTICLE 13

### DEFEASANCE AND COVENANT DEFEASANCE

#### Section 13.1 Company's Option to Effect Defeasance or Covenant Defeasance.

The Company may elect, at its option at any time, to have Section 13.2 or Section 13.3 applied to any Securities or any series of Securities, as the case may be, designated pursuant to Section 3.1 as being defeasible pursuant to such Sections 13.2 or 13.3, in accordance with any applicable requirements provided pursuant to Section 3.1 and upon compliance with the conditions set forth below in this Article 13. Any such election shall be evidenced by a Board Resolution or in another manner specified as contemplated by Section 3.1 for such Securities.

#### Section 13.2 Defeasance and Discharge.

Upon the Company's exercise of its option (if any) to have this Section applied to any Securities or any series of Securities, as the case may be, the Company shall be deemed to have been discharged from its obligations with respect to such Securities as provided in this Section on and after the date the conditions set forth in Section 13.4 are satisfied (hereinafter called "Defeasance"). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by such Securities and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), subject to the following which shall survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of such Securities to receive, solely from the trust fund described in Section 13.4 and as more fully set forth in such Section, payments in respect of the principal of and any premium and interest on, or any Additional Amounts with respect to, such Securities when payments are due,

(2) the Company's obligations with respect to such Securities under Sections 3.4, 3.5, 3.6, 10.2 and 10.3,

(3) the rights, powers, trusts, duties and immunities of the Trustee hereunder, and

(4) this Article 13.

Subject to compliance with this Article 13, the Company may exercise its option (if any) to have this Section applied to any Securities notwithstanding the prior exercise of its option (if any) to have Section 13.3 applied to such Securities.

#### Section 13.3 Covenant Defeasance.

Upon the Company's exercise of its option (if any) to have this Section 13.3 applied to any Securities or any series of Securities, as the case may be,

(1) the Company shall be released from its obligations under Sections 8.1, 10.4, 10.5, 10.6, 10.7 or 10.8 and any covenants provided pursuant to Sections 3.1(22) or 9.1(2) for the benefit of the Holders of such Securities and

(2) the occurrence of any event specified in Section 5.1(4) (with respect to any of Sections 8.1, 10.4, 10.5, 10.6, 10.7 or 10.8 and any such covenants provided pursuant to Sections 3.1(22) or 9.1(2)) and the occurrence of any other Event of Default specified pursuant to Section 3.1 or Section 9.1(3) shall be deemed not to be or result in an Event of Default, in each case with respect to such Securities or any series of Securities as provided in this Section 13.3 on and after the date the conditions set forth in Section 13.4 are satisfied (hereinafter called "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that, with respect to such Securities, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such specified Section or such other covenant (to the extent so specified in the case of Section 5.1(4) and the occurrence of any Event of Default specified pursuant to Section 3.1 or Section 9.1(3)), whether directly or indirectly by reason of any reference elsewhere herein to any such Section or such other covenant or by reason of any reference in any such Section or such other covenant to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

---

#### Section 13.4 Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to the application of Section 13.2 or Section 13.3 to any Securities or any series of Securities, as the case may be:

(1) The Company shall have deposited or caused to be deposited irrevocably with the Trustee (or another trustee which satisfies the requirements contemplated by Section 6.9 and agrees to comply with the provisions of this Article 13 applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefits of the Holders of such Securities,

(A) in the case of Securities of a series denominated in currency of the United States of America,

(i) cash in currency of the United States of America in an amount, or

(ii) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, an amount in cash, or

(iii) a combination thereof, or

(B) in the case of Securities of a series denominated in currency other than that of the United States of America,

(i) cash in the currency in which such series of Securities is denominated in an amount, or

(ii) Foreign Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, an amount in cash, or

(iii) a combination thereof,

in each case sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee) to pay and discharge, the principal of and any premium and interest on such Securities on the respective Stated Maturities, in accordance with the terms of this Indenture and such Securities.

(2) For Securities denominated in United States dollars, in the event of an election to have Section 13.2 apply to any Securities or any series of Securities, as the case may be, the Company shall have delivered to the Trustee an Opinion of Counsel stating that

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or

(B) since the date of this instrument, there has been a change in the applicable Federal income tax law, in either case clause (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit, Defeasance and discharge to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit, Defeasance and discharge were not to occur.

(3) For Securities denominated in United States dollars, in the event of an election to have Section 13.3 apply to any Securities or any series of Securities, as the case may be, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur.

(4) Such Defeasance or Covenant Defeasance shall not cause such Securities nor any other Securities of the same series, if then listed on any securities exchange, to be delisted.

(5) No event which is, or after notice or lapse of time or both would become, an Event of Default with respect to such Securities or any other Securities shall have occurred and be continuing at the time of such deposit or, with regard to any such event specified in Sections 5.1(5) and (6), at any time on or prior to the 90th day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until after such 90th day).

---

(6) Such Defeasance or Covenant Defeasance shall not cause the Trustee to have a conflicting interest within the meaning of the Trust Indenture Act (assuming all Securities are in default within the meaning of such Act).

(7) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Company is a party or by which it is bound.

(8) Such Defeasance or Covenant Defeasance shall not result in the trust arising from such deposit constituting an investment company within the meaning of the Investment Company Act unless such trust shall be registered under such Act or exempt from registration thereunder.

(9) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Defeasance or Covenant Defeasance have been complied with.

#### Section 13.5 Deposited Money, U. S. Government Obligations and Foreign Government Obligations to be Held in Trust; Miscellaneous Provisions.

Subject to the provisions of the last paragraph of Section 10.3, all money, U.S. Government Obligations and Foreign Government Obligations (including the proceeds thereof) deposited with the Trustee or other qualifying trustee (solely for purposes of this Section 13.5 and Section 13.6, the Trustee and any such other trustee are referred to collectively as the "Trustee") pursuant to Section 13.4 in respect of any Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any such Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities, of all sums due and to become due thereon in respect of principal and any premium and interest, but money so held in trust need not be segregated from other funds except to the extent required by law. The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations or Foreign Government Obligations deposited pursuant to Section 13.4 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Securities. Anything in this Article 13 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money, U.S. Government Obligations or Foreign Government Obligations held by it as provided in Section 13.4 with respect to any Securities which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect the Defeasance or Covenant Defeasance, as the case may be, with respect to such Securities.

#### Section 13.6 Reinstatement.

If the Trustee or the Paying Agent is unable to apply any money in accordance with this Article 13 with respect to any Securities by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations under this Indenture and such Securities from which the Company has been discharged or released pursuant to Section 13.2 or 13.3 shall be revived and reinstated as though no deposit had occurred pursuant to this Article 13 with respect to such Securities, until such time as the Trustee or Paying Agent is permitted to apply all money held in trust pursuant to Section 13.5 with respect to such Securities in accordance with this Article 13; provided, however, that if the Company makes any payment of principal of or any premium or interest on any such Security following such reinstatement of its obligations, the Company shall be subrogated to the rights (if any) of the Holders of such Securities to receive such payment from the money so held in trust.

With respect to any record date set pursuant to this Section, the party hereto which sets such record dates may designate any day as the “Expiration Date” and from time to time may change the Expiration Date to any earlier or later day; provided that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities of the relevant series in the manner set forth in Section 1.7, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.5, the party hereto which set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

If specified by the Company pursuant to Section 3.1 with respect to Securities issued or issuable in the form of a Global Security, the Depository for such Global Security may surrender such Global Security in exchange in whole or in part for Securities in the form of definitive certificates of like tenor and terms on such terms as are acceptable to the Company and such Depository. Thereupon the Company shall execute, and the Trustee shall authenticate and deliver, without service charge, (A) to each Person specified by such Depository a new Security or Securities of the same series of like tenor and terms and any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security and (B) to such Depository a new Global Security of like tenor and terms and in an authorized denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to Holders thereof.

---

In any exchange provided for in any of the preceding three paragraphs, the Company shall execute and the Trustee shall authenticate and deliver Securities in the form of definitive certificates in authorized denominations. Except as provided in the immediately preceding subparagraph, Securities issued in exchange for a Global Security pursuant to this Section 2.3 shall be registered in such names and in such authorized denominations as the Depository for such Global Security, acting pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. Provided that the Company and the Trustee have so agreed, the Trustee shall deliver such Securities to the Persons in whose names the Securities are so to be registered.

Any endorsement of a Global Security to reflect the principal amount thereof, or any increase or decrease in such principal amount, or changes in the rights of Holders of Outstanding Securities represented thereby shall be made in such manner and by such Person or Persons as shall be specified in or pursuant to any applicable letter of representations or other arrangement entered into with, or procedures of, the Depository with respect to such Global Security or in the Company Order delivered or to be delivered pursuant to Section 3.3 or Section 3.4 with respect thereto. Subject to the provisions of Section 3.3 and, if applicable, Section 3.4, the Trustee shall deliver and redeliver any such Global Security in the manner and upon instructions given by the Person or Persons specified in or pursuant to any applicable letter of representations or other arrangement entered into with, or procedures of, the Depository with respect to such Global Security or in any applicable Company Order. If a Company Order pursuant to Section 3.3 or Section 3.4 is so delivered, any instructions by the Company with respect to such Global Security contained therein shall be in writing but need not be accompanied by or contained in an Officers' Certificate and need not be accompanied by an Opinion of Counsel.

The Depository or, if there be one, its nominee, shall be the Holder of a Global Security for all purposes under this Indenture; and beneficial owners with respect to such Global Security shall hold their interests pursuant to applicable procedures of such Depository. All Securities of any one series need not be issued at the same time and, unless otherwise provided, a series may be reopened, without the consent of the Holders, for issuances of additional Securities of such series.

### Section 3.2 Denominations.

Except as specified as contemplated by Section 3.1, the Securities of each series shall be issuable only in registered form without coupons. The Securities of such series shall be issuable only in such denominations as shall be specified as contemplated by Section 3.1. In the absence of any such specified denomination with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiple thereof. Unless otherwise provided as contemplated by Section 3.1 with respect to any series of Securities, any Securities of a series denominated in a currency other than Dollars shall be issuable in denominations that are the equivalent, as determined by the Company by reference to the noon buying rate in The City of New York for cable transfers for such currency ("Exchange Rate"), as such rate is reported or otherwise made available by the Federal Reserve Bank of New York, on the applicable issue date for such Securities, of \$1,000 and any integral multiple thereof.

### Section 3.3 Execution, Authentication, Delivery and Dating.

The Securities shall be executed on behalf of the Company by its Chairman of the Board, its Chief Executive Officer, its principal financial officer, its President or one of its Vice Presidents, and attested by its Treasurer, its Secretary or one of its Assistant Treasurers or Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile. Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities; provided, however, that in the case of Securities offered in a Periodic Offering, the Trustee shall authenticate and deliver such Securities from time to time in accordance with such other procedures (including, without limitation, the receipt by the Trustee of oral or electronic instructions from the Company or its duly authorized agents, promptly confirmed in writing) acceptable to the Trustee as may be specified by or pursuant to a Company Order delivered to the Trustee prior to the time of the first authentication of Securities of such series. Each Security shall be dated the date of its authentication unless otherwise provided by a Board Resolution, a supplemental indenture hereto or an Officers' Certificate. If the form or terms of the Securities of the series have been established by or pursuant to one or more Board Resolutions or any other method permitted by Sections 2.1 and 3.1, in authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 6.1) shall be fully protected in relying upon, a copy of such Board Resolution, the Officers' Certificate setting forth the terms of the series and an Opinion of Counsel, with such Opinion of Counsel stating,

(1) if the form or terms of such Securities have been established by or pursuant to Board Resolution or any other method permitted by Sections 2.1 and 3.1, that such form or terms have been, or in the case of Securities of a series offered in a Periodic Offering will be, established in conformity with the provisions of this Indenture, subject in the case of Securities offered in a Periodic Offering, to any conditions specified in such Opinion of Counsel; and

(2) that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions, exceptions and qualifications specified in such Opinion of Counsel, will constitute legal, valid and binding obligations of the Company, enforceable in accordance with their terms, except as such enforcement is subject to the effect of (i) bankruptcy, insolvency, fraudulent conveyance, reorganization or other laws relating to or affecting creditors' rights and (ii) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law).

Such Opinion of Counsel need express no opinion as to the enforceability of Section 6.7 or as to whether a court in the United States would render a money judgment in a currency other than that of the United States. Notwithstanding the provisions of Section 3.1 and of the preceding paragraph, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Officers' Certificate otherwise required pursuant to Section 3.1 or the Company Order and Opinion of Counsel otherwise required pursuant to such preceding paragraph at or prior to the authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Notwithstanding that such form or terms have been so established, the Trustee shall have the right to decline to authenticate such Securities if, in the written opinion of counsel to the Trustee (which counsel may be an employee of the Trustee), such action may not lawfully be taken or if the Trustee in good faith by its board of trustees or trustees, executive committee or a trust committee of directors, trustees or vice presidents shall determine that such action would expose the Trustee to personal liability to Holders of any Securities then outstanding.

With respect to Securities of a series offered in a Periodic Offering, the Trustee may rely, as to the authorization by the Company of any of such Securities, the form and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and the other documents delivered pursuant to Sections 2.1 and 3.1 and this Section, as applicable, in connection with the first authentication of Securities of such series.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee or an Authenticating Agent by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.9, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Company in issuing Securities may use “CUSIP” numbers (if then generally in use), and if so, the Trustee may use the CUSIP numbers in notices of redemption or exchange as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Securities, that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption or exchange shall not be affected by any defect or omission of such CUSIP numbers. The Company will promptly notify the Trustee of any change in CUSIP numbers known to an Officer of the Company. Neither the Company nor the Trustee shall have any responsibility for any defect in the CUSIP number that appears on any Security, check, advice of payment or redemption notice, and any such document may contain a statement to the effect that CUSIP numbers have been assigned by an independent service for convenience of reference and that neither the Company nor the Trustee shall be liable for any inaccuracy in such numbers.

#### Section 3.4 Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities. All or any portion of the temporary Securities of a series may be Global Securities.

If temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. Except in the case of temporary Securities that are Global Securities, each of which shall be exchanged in accordance with the provisions thereof, after the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor one or more definitive Securities of the same series, of any authorized denominations and of like tenor and aggregate principal amount. Until so exchanged, the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series and tenor, except as otherwise specified as contemplated by Section 3.1.

#### Section 3.5 Registration; Registration of Transfer and Exchange.

The Company shall cause to be kept at the Corporate Trust Office of the Trustee or in any office or agency to be maintained by the Company in accordance with Section 9.2 in a Place of Payment or in such other place or medium as may be specified pursuant to Section 3.1 a register for each series of Securities (each register maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes referred to as the “Security Register”) in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities of such series and of transfers of Securities of such series. Unless otherwise contemplated by Section 3.1, the Trustee is hereby appointed “Security Registrar” for the purpose of registering Securities and transfers of Securities, and for the purpose of maintaining the Security Register in respect thereof, as herein provided.

Except as set forth in Section 2.3 or as may be provided pursuant to Section 3.1, upon surrender for registration of transfer of any Security of a series at the office or agency of the Company in a Place of Payment for that series, the Company shall execute and deliver a Company Order requesting the Trustee to authenticate and deliver, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of like tenor and aggregate principal amount.

Unless otherwise provided as contemplated by Section 3.1, at the option of the Holder, Securities of any series (other than Global Securities) may be exchanged for other Securities of the same series, of any authorized denominations and of like tenor and aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency, and upon payment, if the Company shall so require, of the charges hereinafter provided. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company, Security Registrar or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company, the Security Registrar or the Trustee, as the case may be, duly executed, by the Holder thereof or its attorney duly authorized in writing.

Unless otherwise provided as contemplated by Section 3.1, no service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.4, 9.6 or 11.7 not involving any transfer.

Unless otherwise provided as contemplated by Section 3.1, if the Securities of any series (or of any series and specified tenor) are to be redeemed in whole or in part, the Company shall not be required (A) to issue, register the transfer of or exchange any Securities of that series (or of that series and specified tenor, as the case may be) during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of any such Securities selected for redemption under Section 11.3 and ending at the close of business on the day of such mailing, or (B) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

Unless otherwise provided as contemplated by Section 3.1, the Company shall not be required to register the transfer or exchange of Securities between a Record Date and the next succeeding Interest Payment Date.

#### Section 3.6 Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and deliver a Company Order requesting the Trustee to authenticate and deliver, and the Trustee shall authenticate and deliver, in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding. If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and upon the Company's request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

22

Notwithstanding the preceding paragraph, in case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section 3.6, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section 3.6 in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section 3.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

### Section 3.7 Payment of Interest; Interest Rights Preserved.

Except as otherwise provided as contemplated by Section 3.1 with respect to any series of Securities, interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest at the office or agency maintained for such purpose pursuant to Section 9.2; provided, however, that at the option of the Company, interest on any series of Registered Securities that bear interest may be paid (i) by check mailed to the address of the Person entitled thereto as it shall appear on the Security Register of such series (unless, with respect to a Global Security, the rules of the Depositary require payment of such amount by wire transfer) or (ii) by wire transfer to an account maintained by the Person entitled thereto as specified in the Security Register of such series.

Unless otherwise provided as contemplated by Section 3.1, any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest, which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given to each Holder of Securities of such series in the manner set forth in Section 1.7, not less than 10 days prior to such Special Record Date. The Trustee may, in its discretion, in the name and at the expense of the Company, cause a similar notice to be published at least once in an Authorized Newspaper in The Borough of Manhattan, The City of New York, but such publication shall not be a condition precedent to the establishment of such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

---

Subject to the foregoing provisions of this Section 3.7, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

### Section 3.8 Persons Deemed Owners.

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any premium and (subject to Section 3.7) any interest and any Additional Amounts or other payments on such Security and for all other purposes whatsoever, whether or not such Security shall be overdue, and none of the Company, the Trustee or any agent of the Company or the Trustee shall be affected by notice to the contrary.

Except as otherwise specified as contemplated by Section 3.1, none of the Company, the Trustee or any agent of the Company or the Trustee shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Notwithstanding the foregoing, with respect to any Global Security, nothing herein shall prevent the Company or the Trustee, or any agent of the Company or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by any Depositary (or its nominee), as a Holder, with respect to such Global Security or impair, as between such Depositary and owners of beneficial interests in such Global Security, the operation of customary practices governing the exercise of the rights of such Depositary (or its nominee) as Holder of such Global Security.

### Section 3.9 Cancellation.

The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly canceled by the Trustee. The Security Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section, except as expressly permitted by this Indenture or as otherwise specified as contemplated by Section 3.1. On request of the Company at the time of surrender, the Trustee shall deliver to the Company canceled Securities held by the Trustee. In the absence of such request, all canceled Securities held by the Trustee shall be disposed of in accordance with the Trustee's customary procedures.

### Section 3.10 Computation of Interest.

Except as otherwise specified as contemplated by Section 3.1 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

## ARTICLE 5

### REMEDIES

#### Section 5.1 Events of Default.

"Event of Default," wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be occasioned by the subordination provisions applicable to any Securities or be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body), unless it is either inapplicable to a particular series or it is specifically deleted or modified in the Board Resolution, supplemental indenture, Officers' Certificate establishing such series, or form of Security for such series:

(1) default in the payment of any interest on, or any Additional Amounts with respect to, any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days (unless the entire amount of such payment is deposited by the Company with the Trustee or with a Paying Agent prior to the expiration of such period of 30 days); or

(2) default in the payment of the principal of or any premium on any Security of that series at its Maturity, and continuance of such default for a period of 30 days (unless the entire amount of such payment is deposited by the Company with the Trustee or with a Paying Agent prior to the expiration of such period of 30 days); or

(3) default in the deposit of any sinking fund payment, when and as due by the terms of a Security of that series, and continuance of such default for a period of 30 days; or

(4) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section 5.1 specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder; or

(5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or

(6) the commencement by the Company of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it, of a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action; or

(7) any other Event of Default provided with respect to Securities of that series in the Board Resolution, supplemental indenture or Officers’ Certificate establishing that series.

Notwithstanding the foregoing provisions of this Section 5.1, if the principal of, premium (if any) or any interest on, or any Additional Amounts with respect to, any Security is payable in a currency or currencies (including a composite currency) other than Dollars and such currency or currencies are not available to the Company for making payment thereof due to the imposition of exchange controls or other circumstances beyond the control of the Company (a “Conversion Event”), the Company will be entitled to satisfy its obligations to Holders of the Securities by making such payment in Dollars in an amount equal to the Dollar equivalent of the amount payable in such other currency, as determined by the Company by reference to the Exchange Rate, as such Exchange Rate is certified for customs purposes by the Federal Reserve Bank of New York on the date of such payment, or, if such rate is not then available, on the basis of the most recently available Exchange Rate. Notwithstanding the foregoing provisions of this Section 5.1, any payment made under such circumstances in Dollars where the required payment is in a currency other than Dollars will not constitute an Event of Default under this Indenture.

26

---

Promptly after the occurrence of a Conversion Event with respect to the Securities of any series, the Company shall give written notice thereof to the Trustee; and the Trustee, promptly after receipt of such notice, shall give notice thereof in the manner provided in Section 1.7 to the Holders of such series. Promptly after the making of any payment in Dollars as a result of a Conversion Event with respect to the Securities of any series, the Company shall give notice in the manner provided in Section 1.7 to the Holders of such series, setting forth the applicable Exchange Rate and describing the calculation of such payments.

#### Section 5.2 Acceleration of Maturity; Rescission and Annulment

Unless the Board Resolution, supplemental indenture or Officers’ Certificate establishing such series provides otherwise, if an Event of Default with respect to Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount of all the Securities of that series (or, if any Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified by the terms thereof) and premium, if any, together with accrued and unpaid interest, if any, thereon, and Additional Amounts, if any, with respect thereto, to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders), and upon any such declaration such principal amount (or specified amount) and premium, if any, together with accrued and unpaid interest, if any, thereon, and Additional Amounts, if any, with respect thereto, shall become immediately due and payable.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article 5 provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on, and any Additional Amounts with respect to, all Securities of that series (or of all series, as the case may be),

(B) the principal of or premium (if any) on any Securities of that series (or of all series, as the case may be) which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities (in the case of Original Issue Discount Securities, the Securities’ Yield to Maturity),

(C) to the extent that payment of such interest is lawful, interest upon overdue interest and any Additional Amounts at the rate or rates prescribed therefor in such Securities (in the case of Original Issue Discount Securities, the Securities’ Yield to Maturity), and

(D) all sums paid or advanced by the Trustee hereunder, the compensation, expenses, disbursements and advances due to Trustee under Section 6.7, and all other amounts due under Section 6.7;

(2) all Events of Default with respect to Securities of that series (or of all series, as the case may be), other than the nonpayment of the principal of Securities of that series (or of all series, as the case may be) which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13; and

(3) the rescission would not conflict with any final judgment or decree of a court of competent jurisdiction.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

### Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if

(1) default is made in the payment of any interest on, or any Additional Amounts with respect to, any Security of any series when such interest or Additional Amounts shall become due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of (or premium, if any, on) any Security at the Maturity thereof, the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest on, and Additional Amounts with respect to, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and premium and on any overdue

27

---

interest or Additional Amounts, at the rate or rates prescribed therefor in such Securities (or in the case of Original Issue Discount Securities, the Securities' Yield to Maturity), and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and all other amounts due the Trustee under Section 6.7.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or deemed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

In addition, if any other Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed, in its own name and as trustee of an express trust, to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

### Section 5.4 Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal (or lesser amount in the case of Original Issue Discount Securities) of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal of, premium (if any), interest on, or any Additional Amounts with respect to, such Securities) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(1) to file and prove a claim for the whole amount of principal (or lesser amount in the case of Original Issue Discount Securities) (and premium, if any) and interest and any Additional Amounts owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(2) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; provided, however, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

### Section 5.5 Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding may be instituted by the Trustee in its own name as trustee of an express trust.

### Section 5.6 Application of Money Collected.

Subject to the subordination provisions applicable to any series of Securities, any money collected by the Trustee pursuant to this Article shall be applied and paid in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or any premium or interest on, or any Additional Amounts with respect to, the Securities, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

28

---

FIRST: To the payment of all amounts due the Trustee under Section 6.7 in connection with such series of Securities in respect of which money or other property is collected;

SECOND: Subject to the terms of any subordination entered into as contemplated by Section 3.1, to the payment of the amounts then due and unpaid for principal of and any premium, if any, and interest on, and any Additional Amounts with respect to, the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and any premium, if any, interest on and Additional Amounts, respectively; and

THIRD: The balance, if any, to the Company or any other Person or Persons entitled thereto.

To the fullest extent allowed under applicable law, if for the purpose of obtaining judgment against the Company in any court it is necessary to convert the sum due in respect of the principal of, premium (if any) or interest on, or any Additional Amounts with respect to, the Securities of any series (the “Required Currency”) into a currency in which a judgment will be rendered (the “Judgment Currency”), the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Trustee could purchase in The City of New York the Required Currency with the Judgment Currency on the Business Day in The City of New York next preceding that on which final judgment is given. Neither the Company nor the Trustee shall be liable for any shortfall nor shall any of them benefit from any windfall in payments to Holders of Securities under this Section 5.6 caused by a change in exchange rates between the time the amount of a judgment against it is calculated as above and the time the Trustee converts the Judgment Currency into the Required Currency to make payments under this Section 5.6 to Holders of Securities, but payment of such judgment shall discharge all amounts owed by the Company on the claim or claims underlying such judgment.

#### Section 5.7 Limitation on Suits.

Subject to Section 5.8, no Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) an Event of Default with respect to such series of Securities shall have occurred and be continuing and such Holder has previously given written notice to the Trustee of such continuing Event of Default;

(2) the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered and, if requested, provided to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series (or of all series, as the case may be).

No one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

#### Section 5.8 Right of Holders to Receive Principal, Premium and Interest.

Notwithstanding any other provision in this Indenture, the right of any Holder of any Security to receive payment of the principal of and any premium and (subject to Section 3.7) interest on, or any Additional Amounts with respect to, such Security on the Stated Maturity or Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment after the respective due dates, shall not be impaired without the consent of such Holder.

---

#### Section 5.9 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

#### Section 5.10 Rights and Remedies Cumulative.

Except as otherwise provided in Section 5.7 or with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.6, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

#### Section 5.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 5 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

#### Section 5.12 Control by Holders.

With respect to Securities of any series, the Holders of a majority in principal amount of the Outstanding Securities of such series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, relating to or arising under an Event of Default described in clause (1), (2), (3), (4) or (7) of Section 5.1, and with respect to all Securities the Holders of a majority in principal amount of all Outstanding Securities shall have the right to direct the time, method and place of conducting any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, relating to or arising under an Event of Default described in clause (5) or (6) of Section 5.1, provided that in each such case.

(1) the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture or if the Trustee in good faith shall, by a Responsible Officer, determine that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Holders not taking part in such direction, and

(2) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction or this Indenture.

#### Section 5.13 Waiver of Past Defaults.

Subject to Section 5.8 and Section 9.2, the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default or Event of Default described in clause (1), (2), (3), (4) or (7) of Section 5.1 hereunder with respect to such series and its consequences, and the Holders of a majority in principal amount of all Outstanding Securities may on behalf of the Holders of all Securities waive any Event of Default described in clause (5) or (6) of Section 5.1 hereunder and its consequences, except a default

(1) in the payment of the principal of or any premium or interest on, or any Additional Amounts with respect to, any Security as and when the same shall become due and payable by the terms thereof, otherwise than by acceleration (unless such default has been cured as provided herein), or

(2) in respect of a covenant or provision hereof which under Article 9 cannot be modified or amended without the consent of the Holder of each Outstanding Security affected.

30

---

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

#### Section 5.14 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the Trust Indenture Act; provided that the provisions of this Section 5.14 shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Security on or after the Stated Maturity or Stated Maturities expressed in such Security (or, in the case of redemption, on the redemption date).

### ARTICLE 6

#### THE TRUSTEE

##### Section 6.1 Certain Duties and Responsibilities.

(1) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent individual would exercise or use under the circumstances in the conduct of his or her own affairs.

(2) Except during the continuance of an Event of Default:

(A) The Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(B) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officers' Certificates or Opinions of Counsel furnished to the Trustee and conforming to the requirements of this Indenture; however, in the case of any such Officers' Certificates or Opinions of Counsel which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such Officers' Certificates and Opinions of Counsel to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(3) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct or bad faith, except that:

(A) This paragraph does not limit the effect of clause (2) of this Section 6.1.

(B) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(C) The Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it with respect to Securities of any series in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of such series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series.

(4) Every provision of this Indenture that in any way relates to the Trustee is subject to clauses (1), (2) and (3) of this Section 6.1.

31

---

(5) The Trustee may refuse to perform any duty or to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of Holder or Holders pursuant to this Indenture, unless such Holder or Holders shall have offered and, if requested, provided to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(6) No provision of this Indenture shall require the Trustee to risk its own funds or otherwise incur any financial liability in the performance of any of its duties, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk is not reasonably assured to it.

(7) The Paying Agent, the Security Registrar and any Authenticating Agent shall be entitled to the protections, immunities and standard of care as are set forth in clauses (1), (2) and (3) of this Section 6.1 with respect to the Trustee.

##### Section 6.2 Notice of Defaults.

If a default occurs hereunder and is continuing with respect to Securities of any series and it is known to a Responsible Officer of the Trustee, the Trustee shall give the Holders of Securities of such series notice of such default as and to the extent provided by the Trust Indenture Act; provided, however, that except in the case of a default in the payment of principal of (or premium, if any) or interest on, or any Additional Amounts with respect to, any Securities of such series or in the payment of any sinking fund installment, the Trustee shall be protected in withholding such notice if and so long as the board of trustees, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interests of the holders of Securities of such series.

### Section 6.3 Certain Rights of Trustee.

Subject to the provisions of Section 6.1:

(1) in the absence of bad faith on the part of the Trustee, the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(3) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order (unless other evidence is specifically required herein), and any resolution of the Board of Directors shall be sufficiently evidenced by a Board Resolution;

(4) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed), in the absence of bad faith on its part, is entitled to and may rely upon an Officers' Certificate;

(5) the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(6) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(7) the Trustee shall not be charged with knowledge of any default or Event of Default with respect to the Securities of any series for which it is acting as Trustee unless either (1) a Responsible Officer shall have actual knowledge of such default or Event of Default or (2) written notice of such default or Event of Default shall have been given to the Trustee by the Company or any other obligor on such Securities or by any Holder of such Securities; and

32

---

(8) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

### Section 6.4 Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Security Registrar, Paying Agent or Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. Neither the Trustee nor any Security Registrar, Paying Agent or Authenticating Agent shall be accountable for the use or application by the Company of Securities or the proceeds thereof.

### Section 6.5 May Hold Securities and Act as Trustee under Other Indentures.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.8 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

Subject to the limitations imposed by the Trust Indenture Act, nothing in this Indenture shall prohibit the Trustee from becoming and acting as trustee under other indentures under which other securities, or certificates of interest of participation in other securities, of the Company are outstanding in the same manner as if it were not Trustee hereunder.

### Section 6.6 Money Held in Trust.

Subject to the provisions of Sections 10.3 and 13.5, all moneys received by the Trustee shall, until used or applied, as provided herein, be held in trust for the purposes for which they were received. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company. So long as no Event of Default shall have occurred and be continuing, all interest allowed on any such moneys shall be paid by the Company from time to time upon a Company Order.

### Section 6.7 Compensation and Reimbursement.

The Company shall pay to the Trustee from time to time such reasonable compensation for its services as the Company and the Trustee may agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances incurred by it in connection with the performance of its duties under this Indenture, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith. Such expenses shall include the reasonable compensation and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee for, and hold it harmless against, any and all loss, liability, damage, claim or expense (including attorneys' fees and expenses, and including taxes other than taxes based upon, measured by or determined by the income of the Trustee), including without limitation the costs and expenses of defending itself against any third-party claim (whether asserted by any Holder or any other Person (other than the Company to the extent of any claim brought by it against the Trustee that establishes a breach by the Trustee in the observance or performance of its duties under this Indenture)), incurred by it without negligence, willful misconduct or bad faith

arising out of or in connection with its acceptance or administration of the trust or trusts hereunder, including the performance of its duties or the exercise of its powers hereunder. With respect to any such claim other than a claim brought by the Company, (i) the Trustee shall notify the Company promptly of any claim for which it may seek indemnity, (ii) the Company may at its option defend the claim, in which event the Trustee shall cooperate in the defense and the Trustee may have one separate counsel and the Company shall pay the reasonable fees and expenses of such counsel and (iii) the Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. This indemnification shall apply to officers, directors, employees, shareholders and agents of the Trustee.

---

To secure the Company's payment obligations in this Section 6.7, the Trustee shall have a lien prior to the Securities of any series on all money or property held or collected by the Trustee, except that held in trust to pay principal of and interest on, or any Additional Amounts with respect to, particular Securities of that series.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 5.1(5) or (6) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

The provisions of this Section 6.7 and any lien arising hereunder shall survive the resignation or removal of the Trustee or the discharge of the Company's obligations under this Indenture and the termination of this Indenture.

#### Section 6.8 Conflicting Interests.

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such conflicting interest or resign, to the extent and in the manner and with the effect provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Securities of more than one series or any other indenture.

#### Section 6.9 Eligibility; Disqualification.

There shall at all times be one (and only one) Trustee hereunder with respect to the Securities of each series (which need not be the same Trustee for all series). A Trustee may be Trustee hereunder for Securities of one or more series. Each Trustee shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has (or if the Trustee is a member of a bank holding company system, its bank holding company has) a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by federal or state (or the District of Columbia) authority. If any such Person or bank holding company publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section 6.9 and to the extent permitted by the Trust Indenture Act, the combined capital and surplus of such Person or bank holding company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee with respect to the Securities of any series shall cease to be eligible in accordance with the provisions of this Section 6.9, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

The Indenture shall always have a Trustee who satisfies the requirements of Sections 310(a)(1), 310(a)(2) and 310(a)(5) of the Trust Indenture Act.

#### Section 6.10 Resignation and Removal; Appointment of Successor.

No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of

#### Section 6.11.

The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the removed Trustee within 30 days after the receipt of such notice of removal, the removed Trustee may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

If at any time:

(1) the Trustee shall fail to comply with Section 6.8 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or

---

(2) the Trustee shall cease to be eligible under Section 6.9 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (A) the Company by a Board Resolution may remove the Trustee with respect to all Securities, or (B) subject to Section 5.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Securities of one or more series, the Company by a Board Resolution shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and such successor Trustee or Trustees shall comply with the applicable requirements of Section 6.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 6.11, become the successor Trustee with respect

to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner required by [Section 6.11](#), the retiring Trustee may petition, or any Holder who has been a bona fide Holder of a Security of such series for at least six months may petition, on behalf of himself and all others similarly situated, any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series to all Holders of Securities of such series in the manner provided in [Section 1.7](#). Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

#### Section 6.11 [Acceptance of Appointment by Successor](#).

In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

35

---

Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the first or second preceding paragraph, as the case may be.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this [Article 6](#).

#### Section 6.12 [Merger, Conversion, Consolidation or Succession to Business](#).

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to or acquiring all or substantially all the corporate trust business of the Trustee (including the administration of the trust created by this Indenture), shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to, or by succession to or acquisition of all or substantially all of the corporate trust business of, such successor Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

#### Section 6.14 [Appointment of Authenticating Agent](#).

The Trustee may appoint an Authenticating Agent or Agents with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue and upon exchange, registration of transfer or partial redemption thereof or pursuant to [Section 3.6](#), and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and, except as otherwise specified as contemplated by [Section 3.1](#), shall at all times be a bank or trust company or corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having (or if the Authenticating Agent is a member of a bank holding company system, its bank holding company has) a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State (or the District of Columbia) authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this [Section 6.14](#), the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this [Section 6.14](#), such Authenticating Agent shall resign immediately in the manner and with the effect specified in this [Section 6.14](#).

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to or acquiring the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this [Section 6.14](#), without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

36

An Authenticating Agent for any series of Securities may resign at any time by giving written notice thereof to the Trustee for such series and to the Company. The Trustee for any series of Securities may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section 6.14.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 6.14, and the Trustee shall be entitled to be reimbursed for such payments, subject to the provisions of Section 6.7.

## ARTICLE 10

### COVENANTS

#### Section 10.1 Payment of Principal, Premium and Interest.

The Company covenants and agrees for the benefit of the Holders of each series of Securities that it will duly and punctually pay the principal of and any premium and interest on, and any Additional Amounts with respect to, the Securities of that series in accordance with the terms of the Securities and this Indenture.

## Section 10.2 Maintenance of Office or Agency.

The Company will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands. Unless otherwise provided in a supplemental indenture or pursuant to Section 3.1 hereof, the Place of Payment for any series of Securities shall be the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

## Section 10.3 Money for Securities Payments to be Held in Trust.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, on or prior to each due date of the principal of or any premium or interest on, or Additional Amounts with respect to, any Securities of that series, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

41

---

The Company will cause each Paying Agent for any series of Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 10.3, that such Paying Agent will (1) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (2) during the continuance of any default by the Company (or any other obligor upon the Securities of that series) in the making of any payment in respect of the Securities of that series, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Securities of that series.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture, or with respect to one or more series of Securities, or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or any premium or interest on, or any Additional Amounts with respect to, any Security of any series and remaining unclaimed for a period ending on the earlier of the date that is ten Business Days prior to the date such money would escheat to the State or two years after such principal, premium or interest or Additional Amount has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in an Authorized Newspaper in The Borough of Manhattan, The City of New York and in such other Authorized Newspapers as the Trustee shall deem appropriate, notice that such money remains unclaimed and that, after a date specified herein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will, unless otherwise required by mandatory provisions of applicable escheat, or abandoned or unclaimed property law, be repaid to the Company.

## Section 10.4 Statement by Officers as to Default.

At any time at which there are Outstanding Securities of any series issued under this Indenture, the Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate complying with Section 314(a)(4) of the Trust Indenture Act and stating that a review of the activities of the Company during such year and of performance under this Indenture has been made under the supervision of the signers thereof and stating whether or not to the best knowledge of the signers thereof, based upon such review, the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge. One of the officers signing the Officers' Certificate delivered pursuant to this Section 10.4 shall be the principal executive, financial or accounting officer of the Company.

## Section 10.5 Existence.

Subject to Article 8, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence.

## Section 10.6 All Securities to be Equally and Ratably Secured.

Unless specified otherwise by the Company pursuant to Section 3.1 with respect to any series, the Company will not itself secure Securities of any one or more series with any Mortgage, without effectively providing that the Securities of every other series shall be secured equally and ratably by such Mortgage.

## Section 10.7 Maintenance of Properties.

The Company will cause all properties used or useful in the conduct of its business to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as, and to the extent, in the judgment of the Company may be necessary or appropriate in connection with its business; provided, however, that nothing in this Section shall prevent the Company from discontinuing the operation or maintenance of any of such properties if such discontinuance is, in the judgment of the Company, desirable in the conduct of its business and not disadvantageous in any material respect to the Holders.

### Section 10.8 Payment of Taxes and Other Claims.

The Company will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Company or upon the income, profits or property of the Company, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Company; provided, however, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim (i) whose amount, applicability or validity is being contested in good faith by appropriate proceedings or (ii) if the failure to pay or discharge would not have a material adverse effect on the assets, business, operations, properties or financial condition of the Company and its Subsidiaries, taken as a whole.

### Section 10.9 Waiver of Certain Covenants.

Except as otherwise specified as contemplated by Section 3.1 for Securities of such series, the Company may, with respect to the Securities of any series, omit in any particular instance to comply with any term, provision or condition set forth in any covenant provided pursuant to Sections 3.1(22), 8.1, 9.1(2), 10.4, 10.5, 10.6, 10.7 or 10.8 for the benefit of the Holders of such series if before or after the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

### Section 10.10 Additional Amounts.

If the Securities of a series expressly provide for the payment of Additional Amounts, the Company will pay to the Holder of any Security of such series Additional Amounts as expressly provided therein. Whenever in this Indenture there is mentioned, in any context, the payment of the principal of, or premium (if any) or interest on any Security of any series or the net proceeds received from the sale or exchange of any Security of any series, such mention shall be deemed to include mention of the payment of Additional Amounts provided for in this Section 10.10 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the provisions of this Section 10.10 and express mention of the payment of Additional Amounts (if applicable) in any provisions hereof shall not be construed as excluding Additional Amounts in those provisions hereof where such express mention is not made.

If the Securities of a series provide for the payment of Additional Amounts, at least 10 days prior to the first Interest Payment Date with respect to that series of Securities (or if the Securities of that series will not bear interest prior to Maturity, the first day on which a payment of principal and any premium is made), and at least 10 days prior to each date of payment of principal and any premium or interest if there has been any change with respect to the matters set forth in the below-mentioned Officers' Certificate, the Company shall furnish the Trustee and the Company's principal Paying Agent or Paying Agents, if other than the Trustee, with an Officers' Certificate instructing the Trustee and such Paying Agent or Paying Agents whether such payment of principal of and any premium or interest on the Securities of that series shall be made to Holders of Securities of that series who are United States Aliens without withholding for or on account of any tax, assessment or other governmental charge described in the Securities of that series. If any such withholding shall be required, then such Officers' Certificate shall specify by country the amount, if any, required to be withheld on such payments to such Holders of Securities and the Company will pay to such Paying Agent the Additional Amounts required by this Section 10.10. The Company covenants to indemnify the Trustee and any Paying Agent for, and to hold them harmless against any loss, liability or expense reasonably incurred without negligence, willful misconduct or bad faith on their part arising out of or in connection with actions taken or omitted by any of them in reliance on any Officers' Certificate furnished pursuant to this Section 10.10.

## ARTICLE 11

### REDEMPTION OF SECURITIES

#### Section 11.1 Applicability of Article.

Securities of any series that are redeemable in whole or in part before their Stated Maturity shall be redeemable at the option of the Company in accordance with their terms and (except as otherwise specified as contemplated by Section 3.1 for such Securities) in accordance with this Article 11.

#### Section 11.2 Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities shall be evidenced by a Board Resolution or in another manner specified as contemplated by Section 3.1 for such Securities. In case of any redemption at the election of the Company of less than all the Securities of any series (including any such redemption affecting only a single Security), the Company shall, at least 45 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date, of the principal amount of Securities of such series to be redeemed and, if applicable, of the tenor of the Securities to be redeemed. In the case of any redemption of Securities (i) prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture or (ii) pursuant to an election of the Company which is subject to a condition specified in the terms of such Securities, the Company shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction or condition.

#### Section 11.3 Selection by Trustee of Securities to Be Redeemed.

If less than all the Securities of any series are to be redeemed (unless all the Securities of such series and of a specified tenor are to be redeemed or unless such redemption affects only a single Security), the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, on a pro-rata basis, or in the Trustee's discretion, by lot, or by such other method as the Trustee shall deem fair and appropriate, provided that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

If any Security selected for partial redemption is converted in part before termination of the conversion right with respect to the portion of the Security so selected, the converted portion of such Security shall be deemed (so far as may be) to be the portion selected for redemption.

The Trustee shall promptly notify the Company and the Security Registrar in writing of the Securities selected for redemption as aforesaid and, in case of any Securities selected for partial redemption as aforesaid, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

#### Section 11.4 Notice of Redemption.

Notice of redemption shall be given by first-class mail, postage prepaid, mailed not fewer than 30 nor more than 90 days prior to the Redemption Date, unless a shorter period is specified in the Securities to be redeemed, to each Holder of Securities to be redeemed, at its address appearing in the Security Register.

All notices of redemption shall state:

- (1) the Redemption Date,
- (2) the Redemption Price (including accrued interest, if any, to be paid),
- (3) if less than all the Outstanding Securities of any series consisting of more than a single Security are to be redeemed, the identification (and, in the case of partial redemption of any such Securities, the principal amounts) of the particular Securities to be redeemed and, if less than all the Outstanding Securities of any series consisting of a single Security are to be redeemed, the principal amount of the particular Security to be redeemed,
- (4) in case any Security is to be redeemed in part only, that on and after the Redemption Date, upon surrender of such Security, the Holder of such Security will receive, without charge, a new Security or Securities of authorized denominations for the principal amount thereof remaining unredeemed;

44

---

(5) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,

(6) the place or places where each such Security is to be surrendered for payment of the Redemption Price,

(7) if applicable, the conversion price, the date on which the right to convert the principal of the Securities or the portions thereof to be redeemed will terminate, and the place or places where such Securities may be surrendered for conversion,

(8) that the redemption is for a sinking fund, if such is the case, and

(9) the CUSIP number or numbers and/or common codes of the Security being redeemed.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company, provided that the Company shall have prepared and provided to the Trustee the form of such notice, or, if acceptable to the Trustee, provided sufficient information to enable the Trustee to prepare such notice, in each case on a timely basis.

#### Section 11.5 Deposit of Redemption Price.

On or prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.3) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

If any Security called for redemption is converted, any money deposited with the Trustee or with a Paying Agent or so segregated and held in trust for the redemption of such Security shall (subject to any right of any Holder of such Security to receive interest thereon) be paid to the Company on Company Request, or if then held by the Company, shall be discharged from such trust.

#### Section 11.6 Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price, together with accrued interest (and any Additional Amounts) to the Redemption Date; provided, however, that, unless otherwise specified as contemplated by Section 3.1, installments of interest whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.7.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security or, in the case of Original Issue Discount Securities, the Securities' Yield to Maturity.

#### Section 11.7 Securities Redeemed in Part.

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or its attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and Stated Maturity and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

Unless otherwise specified as contemplated by Section 3.1, the Company and any Affiliate of the Company may at any time purchase or otherwise acquire Securities in the open market or by private agreement. Such acquisition shall not operate as or be deemed for any purpose to be a redemption of the indebtedness represented by such Securities. Any Securities purchased or acquired by the Company may be delivered to the Trustee and, upon such delivery, the indebtedness represented thereby shall be deemed to be satisfied. Section 3.9 shall apply to all Securities so delivered.

ARTICLE 12  
SINKING FUNDS

Section 12.1 Applicability of Article.

The provisions of this Article 12 shall be applicable to any sinking fund for the retirement of Securities of any series except as otherwise specified as contemplated by Section 3.1 for such Securities.

The minimum amount of any sinking fund payment provided for by the terms of any Securities is herein referred to as a “mandatory sinking fund payment,” and any payment in excess of such minimum amount provided for by the terms of such Securities is herein referred to as an “optional sinking fund payment.” Unless otherwise provided for by the terms of any Securities, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 12.2. Each sinking fund payment shall be applied to the redemption of Securities as provided for by the terms of such Securities.

Section 12.2 Satisfaction of Sinking Fund Payments with Securities.

The Company (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to any Securities of such series required to be made pursuant to the terms of such Securities as and to the extent provided for by the terms of such Securities; provided that the Securities to be so credited have not been previously so credited. The Securities to be so credited shall be received and credited for such purpose by the Trustee at the Redemption Price, as specified in the Securities so to be redeemed, for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

Section 12.3 Redemption of Securities for Sinking Fund.

Not fewer than 45 days prior (unless a shorter period shall be satisfactory to the Trustee) to each sinking fund payment date for any Securities, the Company will deliver to the Trustee an Officers’ Certificate specifying the amount of the next ensuing sinking fund payment for such Securities pursuant to the terms of such Securities, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities pursuant to Section 12.2 and will also deliver to the Trustee any Securities to be so delivered. Not fewer than 30 days prior to each such sinking fund payment date, the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 11.3 and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 11.4. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 11.6 and 11.7.

ARTICLE 13  
DEFEASANCE AND COVENANT DEFEASANCE

Section 13.1 Company’s Option to Effect Defeasance or Covenant Defeasance.

The Company may elect, at its option at any time, to have Sections 13.2 or Section 13.3 applied to any Securities or any series of Securities, as the case may be, designated pursuant to Section 3.1 as being defeasible pursuant to such Section 13.2 or 13.3, in accordance with any applicable requirements provided pursuant to Section 3.1 and upon compliance with the conditions set forth below in this Article 13. Any such election shall be evidenced by a Board Resolution or in another manner specified as contemplated by Section 3.1 for such Securities.

Section 13.2 Defeasance and Discharge.

46

---

Upon the Company’s exercise of its option (if any) to have this Section applied to any Securities or any series of Securities, as the case may be, the Company shall be deemed to have been discharged from its obligations with respect to such Securities as provided in this Section on and after the date the conditions set forth in Section 13.4 are satisfied (hereinafter called “Defeasance”). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by such Securities and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), subject to the following which shall survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of such Securities to receive, solely from the trust fund described in Section 13.4 and as more fully set forth in such Section, payments in respect of the principal of and any premium and interest on, or any Additional Amounts with respect to, such Securities when payments are due,
- (2) the Company’s obligations with respect to such Securities under Sections 3.4, 3.5, 3.6, 10.2 and 10.3,
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder, and
- (4) this Article 13.

Subject to compliance with this Article 13, the Company may exercise its option (if any) to have this Section applied to any Securities notwithstanding the prior exercise of its option (if any) to have Section 13.3 applied to such Securities.

Section 13.3 Covenant Defeasance.

Upon the Company’s exercise of its option (if any) to have this Section 13.3 applied to any Securities or any series of Securities, as the case may be,

- (1) the Company shall be released from its obligations under Sections 8.1, 10.4, 10.5, 10.6, 10.7 or 10.8 and any covenants provided pursuant to Sections 3.1(22) or 9.1(2) for the benefit of the Holders of such Securities and
- (2) the occurrence of any event specified in Section 5.1(4) (with respect to any of Sections 8.1, 10.4, 10.5, 10.6, 10.7 or 10.8 and any such covenants provided pursuant to Sections 3.1(22) or 9.1(2)) and the occurrence of any other Event of Default specified pursuant to Section 3.1 or Section 9.1(3) shall be deemed not to be or result in an Event

of Default, in each case with respect to such Securities or any series of Securities as provided in this Section 13.3 on and after the date the conditions set forth in Section 13.4 are satisfied (hereinafter called "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that, with respect to such Securities, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such specified Section or such other covenant (to the extent so specified in the case of Section 5.1(4) and the occurrence of any Event of Default specified pursuant to Section 3.1 or Section 9.1(3)), whether directly or indirectly by reason of any reference elsewhere herein to any such Section or such other covenant or by reason of any reference in any such Section or such other covenant to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

#### Section 13.4 Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to the application of Section 13.2 or Section 13.3 to any Securities or any series of Securities, as the case may be:

(1) The Company shall have deposited or caused to be deposited irrevocably with the Trustee (or another trustee which satisfies the requirements contemplated by Section 6.9 and agrees to comply with the provisions of this Article 13 applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefits of the Holders of such Securities,

(A) in the case of Securities of a series denominated in currency of the United States of America,

(i) cash in currency of the United States of America in an amount, or

47

---

(ii) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, an amount in cash, or

(iii) a combination thereof, or

(B) in the case of Securities of a series denominated in currency other than that of the United States of America,

(i) cash in the currency in which such series of Securities is denominated in an amount, or

(ii) Foreign Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, an amount in cash, or

(iii) a combination thereof,

in each case sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee) to pay and discharge, the principal of and any premium and interest on such Securities on the respective Stated Maturities, in accordance with the terms of this Indenture and such Securities.

(2) For Securities denominated in United States dollars, in the event of an election to have Section 13.2 apply to any Securities or any series of Securities, as the case may be, the Company shall have delivered to the Trustee an Opinion of Counsel stating that

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or

(B) since the date of this instrument, there has been a change in the applicable Federal income tax law, in either case clause (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit, Defeasance and discharge to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit, Defeasance and discharge were not to occur.

(3) For Securities denominated in United States dollars, in the event of an election to have Section 13.3 apply to any Securities or any series of Securities, as the case may be, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur.

(4) Such Defeasance or Covenant Defeasance shall not cause such Securities nor any other Securities of the same series, if then listed on any securities exchange, to be delisted.

(5) No event which is, or after notice or lapse of time or both would become, an Event of Default with respect to such Securities or any other Securities shall have occurred and be continuing at the time of such deposit or, with regard to any such event specified in Sections 5.1(5) and (6), at any time on or prior to the 90th day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until after such 90th day).

(6) Such Defeasance or Covenant Defeasance shall not cause the Trustee to have a conflicting interest within the meaning of the Trust Indenture Act (assuming all Securities are in default within the meaning of such Act).

(7) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Company is a party or by which it is bound.

(8) Such Defeasance or Covenant Defeasance shall not result in the trust arising from such deposit constituting an investment company within the meaning of the Investment Company Act unless such trust shall be registered under such Act or exempt from registration thereunder.

(9) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Defeasance or Covenant Defeasance have been complied with.

Section 13.5 Deposited Money, U. S. Government Obligations and Foreign Government Obligations to be Held in Trust; Miscellaneous Provisions.

Subject to the provisions of the last paragraph of Section 10.3, all money, U.S. Government Obligations and Foreign Government Obligations (including the proceeds thereof) deposited with the Trustee or other qualifying trustee (solely for purposes of this Section 13.5 and Section 13.6, the Trustee and any such other trustee are referred to collectively as the “Trustee”) pursuant to Section 13.4 in respect of any Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any such Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities, of all sums due and to become due thereon in respect of principal and any premium and interest, but money so held in trust need not be segregated from other funds except to the extent required by law. The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations or Foreign Government Obligations deposited pursuant to Section 13.4 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Securities. Anything in this Article 13 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money, U.S. Government Obligations or Foreign Government Obligations held by it as provided in Section 13.4 with respect to any Securities which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect the Defeasance or Covenant Defeasance, as the case may be, with respect to such Securities.

Section 13.6 Reinstatement.

If the Trustee or the Paying Agent is unable to apply any money in accordance with this Article 13 with respect to any Securities by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations under this Indenture and such Securities from which the Company has been discharged or released pursuant to Section 13.2 or 13.3 shall be revived and reinstated as though no deposit had occurred pursuant to this Article 13 with respect to such Securities, until such time as the Trustee or Paying Agent is permitted to apply all money held in trust pursuant to Section 13.5 with respect to such Securities in accordance with this Article 13; provided, however, that if the Company makes any payment of principal of or any premium or interest on any such Security following such reinstatement of its obligations, the Company shall be subrogated to the rights (if any) of the Holders of such Securities to receive such payment from the money so held in trust.

ARTICLE 14

SUBORDINATION

Section 14.1 Securities Subordinated to Senior Indebtedness.

The Company and each Holder of a Security, by his acceptance thereof, agree that (a) the payment of the principal of, premium (if any) and interest on and any Additional Amounts with respect to each and all the Securities and (b) any other payment in respect of the Securities, including on account of the acquisition or redemption of Securities by the Company, is subordinated, to the extent and in the manner provided in such Security or in the supplemental indenture pursuant to which such Security is issued, to the prior payment in full of all Senior Indebtedness specified in such Security or in such supplemental indenture.

Such subordination provisions shall constitute a continuing offer to all Persons who, in reliance upon such provisions, become holders of, or continue to hold, any of such Senior Indebtedness, and such provisions are made for the benefit of the holders of such Senior Indebtedness and any one or more of them may enforce such provisions.

In the event that the Company shall default in the payment of any principal of (or premium, if any) or interest on any Senior Indebtedness of the Company when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration or otherwise, then, upon written notice of such default to the Company by the holders of Senior Indebtedness or any trustee therefor, unless and until such default shall have been cured or waived or shall have ceased to exist, no direct or indirect payment (in cash, property, securities, by set-off or otherwise) shall be made or agreed to be made on account of the principal of or interest on any of the Securities, or in respect of any redemption, retirement, purchase or other acquisition of any of the Securities.

---

In the event of

(1) any insolvency, bankruptcy, receivership, liquidation, reorganization, readjustment, composition or other similar proceeding relating to the Company, its creditors or its property,

(2) any proceeding for the liquidation, dissolution or other winding up of the Company, voluntary or involuntary, whether or not involving insolvency or bankruptcy proceedings,

(3) any assignment by the Company for the benefit of creditors, or

(4) any other marshalling of the assets of the Company,

all Senior Indebtedness of the Company (including any interest thereon accruing after the commencement of any such proceedings) shall first be paid in full before any payment or distribution, whether in cash, securities or other property, shall be made to any Holder of any of the Securities on account thereof. Any payment or distribution, whether in cash, securities or other property (other than securities of the Company or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Indebtedness of the Company at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment), which would otherwise (but for these subordination provisions) be payable or deliverable in respect of the Securities of any series shall be paid or delivered directly to the holders of Senior Indebtedness of the Company in accordance with the priorities then existing among such holders until all Senior Indebtedness of the Company (including any interest thereon accruing after the commencement of any such proceedings) shall have been paid in full.

In the event that, notwithstanding the foregoing, any payment or distribution of any character or any security, whether in cash, securities or other property (other than securities of the Company or any other corporation provided for by a plan of reorganization or readjustment the payment of which are subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Indebtedness of the Company at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment), shall be received by the Trustee or any Holder in contravention of any of the terms hereof such payment or distribution or security shall be received in trust for the benefit of, and shall be paid over or delivered and transferred to, the holders of the Senior Indebtedness of the Company at the time outstanding in accordance with the priorities then existing among such holders for application to the payment of all Senior Indebtedness of the Company remaining unpaid, to the extent necessary to pay all such Senior Indebtedness of the Company in full. In the event of the failure of the Trustee or any Holder to endorse or assign any such payment, distribution or security, each holder of Senior Indebtedness of the Company is hereby irrevocably authorized to endorse or assign the same.

No present or future holder of any Senior Indebtedness of the Company shall be prejudiced in the right to enforce subordination of the indebtedness evidenced by the Securities by any act or failure to act on the part of the Company.

Senior Indebtedness of the Company shall not be deemed to have been paid in full unless the holders thereof shall have received cash, securities or other property equal to the amount of such Senior Indebtedness of the Company then outstanding. Upon the payment in full of all Senior Indebtedness of the Company, the Holders of Securities of each series shall be subrogated to all rights of any holders of Senior Indebtedness of the Company to receive any further payments or distributions applicable to the Senior Indebtedness of the Company until the indebtedness evidenced by the Securities of such series shall have been paid in full, and such payments or distributions received by such Holders, by reason of such subrogation, of cash, securities or other property which otherwise would be paid or distributed to the holders of Senior Indebtedness of the Company, shall, as between the Company and its creditors other than the holders of Senior Indebtedness of the Company, on the one hand, and such Holders, on the other hand, be deemed to be a payment by the Company on account of Senior Indebtedness of the Company, and not on account of the Securities of such series.

The Trustee and Holders will take such action (including, without limitation, the delivery of this Indenture to an agent for the holders of Senior Indebtedness of the Company or consent to the filing of a financing statement with respect thereto) as may, in the opinion of counsel designated by the holders of a majority in principal amount of the Senior Indebtedness of the Company at the time outstanding, be necessary or appropriate to assure the effectiveness of the subordination effected by these provisions.

#### Section 14.2 Right of Trustee to Hold Senior Indebtedness.

The Trustee in its individual capacity shall be entitled to all of the rights set forth in this Article 14 in respect of any Senior Indebtedness at any time held by it to the same extent as any other holder of Senior Indebtedness, and nothing in this Indenture shall be construed to deprive the Trustee of any of its rights as such holder.

#### Section 14.3 Subordination Not to Prevent Events of Default.

The failure to make a payment on account of principal of, premium (if any) or interest on the Securities by reason of any subordination provision for the benefit of holders of Senior Indebtedness shall not be construed as preventing the occurrence of a Default or an Event of Default under Section 5.1 or in any way prevent the Holders of the Securities from exercising any right hereunder other than the right to receive payment on the Securities.

#### Section 14.4 No Fiduciary Duty of Trustee to Holders of Senior Indebtedness.

Upon any payment or distribution of assets of the Company referred to in this Article 14, the Trustee and the Holders shall be entitled to rely on an order or decree made by any court of competent jurisdiction in which such dissolution or winding up or liquidation or reorganization or arrangement proceedings are pending or upon a certificate of the trustee in bankruptcy, receiver, assignee for the benefit of creditors or other person making such payment or distribution, delivered to the Trustee or to the Holders, for the purpose of ascertaining the persons entitled to participate in such distribution, the holders of the Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 14. In the absence of any such bankruptcy trustee, receiver, assignee or other person, the Trustee shall be entitled to rely upon a written notice by a Person representing himself to be a holder of Senior Indebtedness of the Company (or a trustee or representative on behalf of such Holder) as evidence that such Person is a holder of such Senior Indebtedness (or is such a trustee or representative). In the event that the Trustee determines, in good faith, that further evidence is required with respect to the right of any person as a holder of Senior Indebtedness of the Company to participate in any payments or distributions pursuant to this Article 14, the Trustee may request such person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness of the Company held by such person, as to the extent to which such person is entitled to participate in such payment or distribution, and as to other facts pertinent to the rights of such person under this Article 14, and if such evidence is not furnished, the Trustee may offer any payment to such person pending judicial determination as to the right of such person to receive such payment.

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness, and shall not be liable to any such holders (other than for its willful misconduct or negligence) if it shall in good faith mistakenly pay over or distribute to the Holders of the Securities or the Company or any other Person, cash, property or securities to which any holders of Senior Indebtedness shall be entitled by virtue of this Article 14 or otherwise. Nothing in this Section 14.4 shall affect the obligation of any other such Person to hold such payment for the benefit of, and to pay such payment over to, the holders of Senior Indebtedness or their representative.

#### Section 14.5 Payment Permitted if No Default.

Nothing contained in this Article 14 or elsewhere in this Indenture, or in any of the Securities, shall prevent (1) the Company, at any time except during the pendency of any dissolution, winding up, liquidation or reorganization proceedings referred to in, or under the conditions described in, Section 14.1, from making payments at any time of the principal of or interest on the Securities or (2) the application by the Trustee or any Paying Agent of any monies deposited with it hereunder to payments of the principal of or interest on the Securities, if, at the time of such deposit, the Trustee or such Paying Agent, as the case may be, did not have the written notice provided for in this Section 14.5 of any event prohibiting the making of such deposit, or if, at the time of such deposit (whether or not in trust) by the Company with the Trustee or any Paying Agent (other than the Company) such payment would not have been prohibited by the provisions of this Article, and the Trustee or any Paying Agent shall not be affected by any notice to the contrary received by it on or after such date.

Anything in this Article 14 or elsewhere in this Indenture contained to the contrary notwithstanding, the Trustee shall not at any time be charged with knowledge of the existence of any facts which would prohibit the making of any payment of monies to or by the Trustee and shall be entitled conclusively to assume that no such facts exist and that no event specified in Section 14.1 has happened, until the Trustee shall have received an Officer's Certificate of the Company to that effect or notice in writing to that effect signed by or on behalf of the holder or holders, or their representatives, of Senior Indebtedness of the Company, as the case may be, who shall have been certified by the Company or otherwise established to the reasonable satisfaction of the Trustee to be such holder or holders or representatives or from any trustee under any indenture pursuant to which such Senior Indebtedness of the Company shall be outstanding; provided that, if prior to the third Business Day preceding the date upon which by the terms hereof any monies become

payable (including, without limitation, the payment of either the principal of or interest on any security, or in the event of the execution of an instrument pursuant to Section 4.1 acknowledging satisfaction and discharge of this Indenture, then if prior to the second Business Day preceding the date of such execution, the Trustee or any Paying Agent shall not have received with respect to such monies the Officers' Certificate or notice provided for in this Section 14.5, then, anything herein contained to the contrary notwithstanding, the Trustee or such Paying Agent shall have full power and authority to receive such monies and apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary which may be received by it on or after such date. The Company shall give prompt written notice to the Trustee and to the Paying Agent of any facts which would prohibit the payment of monies to or by the Trustee or any Paying Agent.

Section 14.6 Article Applicable to Paying Agent.

In case at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term “Trustee” as used in this Article 14 shall in such case (unless the context shall otherwise require) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article 14 in addition to or in place of the Trustee; provided, however, that this Section 14.6 shall not apply to the Company or any Affiliate of the Company if it or such Affiliate acts as Paying Agent.
